**Hallo Laserdisc- und DVD-Fans,
liebe Filmfreunde!**

Sind Sie Fan von sogenannten "Smilebox"-Releases, also jenen Blu-ray-Veröffentlichungen, die eine Projektion auf eine gekrümmte Bildwand simulieren? Dann dürfen Sie sich freuen. Nicht nur hat das amerikanische Label Flicker Alley jetzt zwei weitere 3-Streifen Cinerama-Filme als DVD/Blu-ray Combos veröffentlicht (siehe Seite 6), sondern es gibt nun auch die erste Smilebox-Version eines 70mm-Films: **HOLIDAY IN SPAIN**. Veröffentlicht wurde die Blu-ray vom US-Label Redwind Productions, das

auch gleich die Soundtrack-CD des Films mit dazu-gepackt hat – zusätzlich zu einer ganzen Fülle von interessanten Bonusmaterialien. Der Film wurde von Dave Strohmaier in seiner bekannt perfektionistischen Art und Weise generalüberholt und erstrahlt jetzt in grandiosen Farben und brillanter Schärfe. Ein echtes Sammlerstück, mit dem Sie die Vorzüge Ihrer Heimkinoprojektion auf vernünftige Weise demonstrieren können. Das Set kostet EUR 45,90 und ist ab sofort bei uns auf Lager.

Mit breitformatigen Grüßen

Ihr Laser Hotline Team

Regisseur & Drehbuchautor Giulio Ricciarelli war zu Gast in Stuttgart, um seinen hochbrisanten Politthriller **IM LABYRINTH DES SCHWEIGENS** vorzustellen und sich unseren Fragen zu stellen

Neu in unserem Youtube-Kanal

Karlsruhe 70mm-Festival: 10th Anniversary Special Edition

Das handgemalte Schild leuchtet, von Hollywood-Glühbirnen umrandet. „10 Jahre Todd-AO 70mm-Filmfestival“ steht da und meine beste Freundin Jenny und ich blicken darauf, als wäre es der Heilige Gral, dessen Strahlen die heranbrechende Nacht erhellen. In kinematographischer Hinsicht ist es das auch. Kein Filmformat ist je an die Qualität des 70mm herangekommen. Hier in Karlsruhe versammeln sich jährlich die Fans des Breitwandkinos und huldigen in den heiligen Hallen der Schauburg ihrem Format, schwelgen in Erinnerungen und sammeln neue unter Gleichgesinnten, die sich wie Familie anfühlen. Das Karlsruher 70mm-Festival feierte dieses Jahr sein 10-jähriges Bestehen und für diese Kolumnistin war es eine Achterbahn der Gefühle.

Mit 15 nahm mich mein Vater zum ersten Mal nach Bradford zum Widescreen-Weekend mit und hernach war es eine fast jährliche Tradition von uns, auf diese Art Festival zu gehen. Als die Schauburg das erste veranstaltete, waren wir dabei und wollten nie wieder eines missen. Aber das Leben ist leider

kein Wunschkonzert und die schwere Krankheit meines Vaters machte uns in den letzten Jahren einen Strich durch die Rechnung. Doch zum Zehnten hatte ich geschworen, wieder dabei zu sein, komme was wolle.

Ich bin auch schon alleine nach Karlsruhe zum Festival gefahren, aber zu zweit macht es doch erheblich mehr Spaß. Also beschloss ich, 2014 jemanden neues in die Magie des 70mm einzuführen: Jenny. Viele Geschichten, mit Sternlein in den Augen erzählt, hatte meine beste Freundin schon über dieses Format gehört. Nun war es mir wichtig, ihr das alles endlich live und (manchmal) in Farbe zu zeigen. Nicht als Ersatz für meinen Vater, aber als würdige Nachfolgerin.

Bereits am Vorabend zum offiziellen Festivalbeginn gingen wir in *Oklahoma!* Wie auch mir jedes Jahr aufs Neue, stockte Jenny der Atem, als sie zum ersten Mal den großen Kinosaal der Schauburg betrat. Der rote Samt, die glänzenden Lüster, der riesige Vorhang – nach diesem Anblick ist kaum ein Kinosaal je wieder gut genug, denn so gehört Kino,

nicht minimalistisch-kalt mit nackten Leinwänden wie sie in jedem modernen Multiplex zu finden sind. „Na, habe ich dir zu viel versprochen?“ Jenny schüttelte den Kopf.

Am Freitagmorgen ging es mit *Goodbye, Mr. Chips* los. Der Film war für mich so ergreifend – es gibt enorm viele Parallelen zwischen Peter O'Tooles Figur und meinem Vater – dass ich bereits befürchtete, den Rest des Festivals nicht zu überstehen. Unzählige Taschentücher gingen über den Jordan, während die Auslassmusik spielte und Zuschauer mich im Vorbeigehen verwundert musterten.

Den Rest des Festivals gingen Jenny und ich dann gelassener an. Um sie nicht über zu strapazieren pickten wir uns die Rosinen heraus und ließen uns nicht stressen, wenn wir etwas mal nicht ganz zu Ende sahen. Früher war es für mich undenkbar, an einem Festival nicht alles zu hundert Prozent zu sehen, ja, es fühlte sich wie ein Sakrileg an, daran auch nur zu denken! Nun war es eine ganz neue Art, das Festival zu erleben und sie war äußerst angenehm. Am Freitag sahen wir noch etwa die Hälfte vom DDR-Film *KLK an PTX – Die Rote Kapelle* und anstatt *The Alamo* genossen wir an dem Abend chinesisches Essen und stundenlange Gespräche in der gemieteten Ferienwohnung. Am Samstagmorgen fand ich beim Frühstück endlich auch die Zeit, viele alte Festivalfreunde- und Bekanntschaften zu begrüßen und Jenny vorzustellen. Wie immer fühlte es sich an wie auf einem riesigen Familientreffen. Gleichzeitig

schlugen wir uns – Tradition muss schließlich sein! – die Bäuche voll mit dem glorreichen Schauburg-Frühstück.

An diesem Festivaltag erlebte Jenny dann auch den „regulären“ Ablauf ein wenig, denn bis auf die zweite Hälfte von *Earthquake* ließen wir keinen Film aus. Besonders beeindruckend? *Die Blechtrommel* und *2001: A Space Odyssey*. Ersteren hatte ich noch nie gesehen, doch ich kann nun sagen, der Film brennt sich wahrlich ins Gedächtnis ein und lässt einen, auch Wochen später, nicht los. Kubricks Meisterwerk war zwar schon arg verfärbt, hatte dafür aber eine Schärfe, die keine andere Kopie des Films, die ich bisher gesehen hatte, aufwies.

Am Sonntagmorgen musste Jenny bereits nach dem Frühstück abreisen, doch ich blieb noch und konnte endlich *Jesus Christ Superstar* sehen. Der Film war mein persönliches Highlight des Festivals, mit seiner fantastischen Szenerie und unkonventionellen Erzählart, die aus Judas die primäre Hauptfigur macht und nicht wertet, sondern Empathie zeigt.

Ich verließ am späten Nachmittag die Schauburg mit einem lachenden und einem weinenden Auge. Zwar hatte ich dieses Mal keinen Vater mehr Zuhause, dem ich von dem Festival rapportieren konnte, aber ich hatte eine der wichtigsten Personen in meinem Leben an 70mm herangeführt. Und für das Rapportieren? Gibt es immerhin diese Kolumne. In diesem Sinne, vielen Dank fürs Lesen!

Ein Friseur und ein Whistleblower

Was recht seicht begann setzte sich recht spannend fort

COMING IN (1:2.35, 5.1)

Verleih: Warner

Land/Jahr: Deutschland 2014

Regie: Marco Kreuzpaintner

Darsteller: Kostja Ullmann, Aylin Tezel,

Ken Duken, Katja Riemann

Kinostart: 23.10.2014

Starfriseur Tom Herzner, Leitfigur der Berliner Schwulenszene, will seine erfolgreiche Shampoo-Serie von der männlichen Kundschaft auf weibliche Kundschaft erweitern. Damit das aber klappt, muss der überzeugte Homo zunächst erkunden, was Frauen eigentlich wollen. So lässt er sich inkognito als Lehrling im Salon der fesch Heidi anstellen – mit ungeahnten Folgen für beide... Heteros sind die neuen Schwulen – das könnte tatsächlich das Fazit aus Marco Kreuzpaintners Romantik-Komödie sein. Eine Komödie, die leider kein Klischee aus der Schwulenszene auslöst. Frei nach dem Motto: Frauen verlieben sich immer in ihren besten schwulen Freund und Schwule wollten ja immer schon mal mit einem Mädchen. Dass unser schwuler Protagonist selbstverständlich Friseur ist, ist eines der vielen Klischees, mit dem der Film Lacher auf seine Seite ziehen möchte. Das aber gelingt freilich nur dann, wenn man so etwas zum allerersten Mal sieht und hört. Weitaus störender als das schwache Drehbuch sind die oft akustisch nicht verständlichen Dialoge. Liegt's am Nuscheln der Darsteller oder haben die Mischtonmeister versagt? Immerhin gibt es einen Sonnenschein im Cast: Aylin Tezel! Sie spielt die Rolle der Heidi so herzerfrischend, dass man alles andere bequem ausblenden kann.

CITIZENFOUR (1:1.85, 5.1)

Verleih: Piff!

Land/Jahr: Deutschland, USA 2014

Regie: Laura Poitras

Darsteller: Edward Snowden

Kinostart: 06.11.2014

Die Dokumentarfilmemacherin Laura

Poitras erhält im Januar 2013 anonyme E-Mails, in der Beweise für Massenüberwachungsprogramme der NSA und anderer Geheimdienste in Aussicht gestellt werden. Der Absender der E-Mails nennt sich "Citizenfour". Damit beginnt einer der spannendsten Dokumentarfilme der letzten Zeit. Kurze Zeit später sitzt Laura Poitras mit laufender Kamera und zwei Journalisten in Hong Kong im Hotelzimmer des Unbekannten. Noch ahnt niemand, dass hier Geschichte geschrieben wird.

"Citizenfour" ist niemand anderer als Edward Snowden, jener Whistleblower, dessen Enthüllungen die Welt für immer verändern werden. Minute um Minute, Tag um Tag erleben wir hautnah, was sich in diesem Hotelzimmer abspielt. Hier ist nichts geprobt oder nachgestellt – alles ist authentisch: hochbrisantes Filmmaterial, das die Geheimdienste ganz sicher am liebsten hätten verschwinden lassen. Man blickt gebannt auf die Leinwand, als plötzlich der Feueralarm im Hotel ausgelöst wird, leidet mit Snowden, der als Einziger ganz genau zu wissen scheint, was auf ihn zukommt. History in the Making – sehenswert.

Der Berg ruft

Die magischen Landschaften des Engadins dienten heute als Kulisse für ein Drama um eine reife Diva

CLOUDS OF SILS MARIA (1:2.35, DD 5.1 EX)

OT: Clouds Of Sils Maria

Verleih: NFP (Filmwelt)

Land/Jahr: Deutschland, Frankreich, Schweiz 2014

Regie: Olivier Assayas

Darsteller: Juliette Binoche, Kristen Stewart, Chloe Grace Moretz, Lars Eidinger

Kinostart: 18.12.2014

20 Jahre ist es her, dass die gefeierte Bühnen- und Filmschauspielerin Maria Enders in einem Stück die 18jährige Sigrid spielte, die ihre Chefin in den Selbstmord treibt. Jetzt soll Maria wieder im selben Stück spielen. Doch nicht mehr die Rolle der verführerischen Sigrid, sondern die der Chefin. Während

sie sich zusammen mit ihrer Assistentin Valerie in der Abgeschiedenheit der Schweizer Bergwelt auf die Rolle vorbereitet, wird sie unfreiwillig mit ihrer eigenen Vergangenheit konfrontiert... Der wirklich Herausragende in diesem Film ist seine Besetzung. Juliette Binoche als alternde Diva, die mit ihrer eigenen Vergangenheit konfrontiert wird, Kristen Stewart als ihre loyale Assistentin mit übergroßer Brille sowie Chloe Grace Moretz als das skandalumwitterte Starlet – dieses Damen-Trio ist unglaublich gut! Sie verleihen dem Film dadurch Authentizität. Aber auch die Nebenrollen sind bestens besetzt. Ob Lars Eidinger als deutscher Theaterregisseur oder Hanns Zischler als schleimiger Schauspielerkollege – hier stimmt einfach alles. Weniger stimmig hingegen die teils eigenwilligen Szenenübergänge, die etwas zuviel von der Überblendung Gebrauch machen. Irgendwie seltsam anmutend dann die Naturaufnahmen der Bergwelt des Engadin, die allesamt irgendwie unwirklich, fast schon künstlich aussehen.

Dienstag, 21. Oktober 2014

Der selbstgefällige Zyniker

Das heutige Motto lautete einmal mehr "Vorsicht! Filmkunst!" – der Cannes-Gewinner wurde uns kredenzt

WINTERSCHLAF (1:2.35, DD 5.1)

OT: Kis Uykusu

Verleih: Weltkino

Land/Jahr: Türkei, Deutschland, Frankreich 2014

Regie: Nuri Bilge Ceylan

Darsteller: Haluk Bilginer, Melisa Sözen, Demet Akbag

Kinostart: 11.12.2014

Die karge Berglandschaft von Kappadokien. Hier betreibt der ehemalige Schauspieler Aydin ein kleines Hotel sowie mehrere Mietshäuser. Mit ihm zusammen leben seine deutlich jüngere Frau Nihal sowie seine geschiedene Schwester Necla. Die Drecksarbeit lässt Aydin von seinem Hausmeister durchführen, während er sich dem Schreiben einer Kolumne widmet – einer Kolumne, mit der er stets seine Leserschaft zu belehren versucht. Während sich der Winter zuneh-

Wolfram Hannemanns Film-Blog

mend des Landes bemächtigt, kommt es zwischen Aydin und seinem gesamten Umfeld zu immer größeren Spannungen, bei denen Aydin als selbstgefälliger Zyniker demaskiert wird... Das mit der Goldenen Palme in Cannes ausgezeichnete Werk ist im Grunde genommen ein Kammerspiel. Hier geht es weit weniger um Bilder denn um Dialoge. Die sind zwar durchaus interessant, etwa wenn Aydin mit seiner Schwester philosophische Gedanken diskutiert, doch die sich schier endlos hinziehenden Gespräche ermüden auf Dauer, was bei dem 196 Minuten langen Film (es gibt keine Pause) ohnehin schon grundsätzlich der Fall ist. Was es mit dem Titel des Films auf sich hat, erläutert Laut Regisseur Nuri Bilge Ceylan wie folgt. Laut Ceylan befinden sich viele türkische Intellektuelle – besonders ehemalige Schauspieler – in einer Art Winterschlaf: “Denn sie haben ihr ganzes Leben lang in Shakespeare-Stücken gespielt. Sie leben ein sehr intellektuelles Leben in geschlossenen Kreisen zusammen mit anderen Schauspielern. In jedem Land gibt es solche Unterschiede, die Intellektuellen sind immer ein wenig von der Gesellschaft isoliert. Vielleicht kommt dieses Phänomen in der Türkei etwas mehr zum Tragen.”

LoveFood

Hat mir der heutige Film Appetit gemacht? Die Kurzkritik verrät's

DER KOCH (1:2.35, 5.1)

Verleih: Senator

Land/Jahr: Deutschland, Schweiz, Indien 2013

Regie: Ralf Huettner

Darsteller: Hamza Jeetooa, Jessica

Schwarz, Hanspeter Müller-Drossaart

Kinostart: 27.11.2014

Gemeinsam mit seiner ehemaligen Kollegin Andrea verwirklicht der vom Bürgerkrieg in Sri Lanka nach Zürich geflohene tamilische Koch Maravan seine Geschäftsidee: die aphrodisische Küche. Mit seinen Menüs aus der Molekularküche soll wieder Schwung in eingerostete Liebesbeziehungen

gebracht werden. Der Erfolg bleibt nicht aus. Bald schon gehören zahlungskräftige Männer aus Politik und Wirtschaft zur Kundschaft der beiden. Als er eines Tages einen schleimigen Waffenhändler, der Waffen nach Sri Lanka liefert, verköstigen soll, fasst Maravan einen folgenschweren Entschluss... Wenn schon erotisieren des Essen im Mittelpunkt eines Films steht, dann sollte das zumindest ansatzweise auch so fotografiert werden, dass diese Wirkung für den Zuschauer nachvollziehbar wird. Doch genau das passiert in diesem Film nicht. Weder die Zubereitung der Menüs noch der Genuss des Essens werden “erotisch” in Szene gesetzt! Stattdessen darf man in Großaufnahme sehen, wie ein Fisch zerlegt wird – und das nicht nur einmal. Und das ist nicht das Einzige, was bei Ralf Huettners Verfilmung des Romans von Martin Suter schiefgeht. Die Beweggründe des Kochs, den Waffenhändler umzubringen, sind leider nicht gänzlich nachvollziehbar. Auch dass Maravans Großmutter irgendwann sang- und klanglos vom Radar verschwindet, ist etwas merkwürdig. Jedoch passt es zu der holprigen Inszenierung. Richtiges Kino geht anders.

Donnerstag, 23. Oktober 2014

Ein Amerikaner in Paris

Heute stand mal wieder eine Theaterverfilmung auf meinem Filmfahrplan

MY OLD LADY (1:2.35, DD 5.1)

OT: My Old Lady

Verleih: Ascot Elite (Paramount)

Land/Jahr: USA, Frankreich 2014

Regie: Israel Horovitz

Darsteller: Kevin Kline, Maggie Smith, Kristin Scott Thomas

Kinostart: 20.11.2014

Mathias, ein abgebrannter Amerikaner, kommt nach Paris, um das Erbe seines Vaters, eine riesige Wohnung in der Innenstadt, anzutreten. Doch seine Pläne, die Wohnung zu verkaufen, scheitern erst einmal an der Tatsache, dass die Wohnung von der 90jährigen Mathilde sowie deren Tochter Chloe auf Basis einer Immobilienleibrente bewohnt wird! Während Mathias verzweifelt nach einer Lösung sucht, die

Wohnung schnellstmöglich in Geld zu verwandeln, wird er durch die beiden Frauen mit seiner eigenen Vergangenheit konfrontiert und kommt einem Familiengeheimnis auf die Spur... Regisseur Israel Horovitz hat mit **MY OLD LADY** sein eigenes Theaterstück verfilmt. Leider kann diese Dramödie ihre Herkunft nicht komplett kaschieren, da naturgemäß das Hauptaugenmerk hier bei den Dialogen liegt. Vorgelesen werde diese zwar von einem guten Darstellereensemble, doch wirkt der Film insgesamt recht träge. Auf der Bühne funktioniert so etwas bestimmt hervorragend, jedoch stellt man an einen Film ganz andere Ansprüche. Fazit: nur bedingt zu empfehlen.

Freitag, 24. Oktober 2014

Kino in der Wüste

Ein filmisches Essay bildete den Abschluss einer quantitativ recht dünnen Pressewoche

SAHARA SALAAM – DIE ACHSE DES LÄCHELNS (1:1.85, 5.1)

Verleih: Eigenverleih des Regisseurs

Land/Jahr: Deutschland 2013

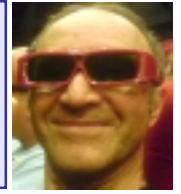

Regie: Wolf Gaudlitz

Kinostart: bereits gestartet

Eine leere Plastikflasche wird vom Wind durch den Wüstensand gerollt, ein leerer Plastikbecher überholt sie. Die Wüste ist riesig, die Einstellung dauert lange. In seinem Dokumentarfilm (oder besser: in seinem filmischen Essay) gibt Regisseur Wolf Gaudlitz dem Zuschauer alle Zeit der Welt, um über diese Szene zu sinnieren, ihre Bedeutung zu ergründen. Alles ist anders in der Sahara, in der Raum und Zeit keine Bedeutung mehr zu haben scheinen. In dieser unwirtlichen Gegend ist Wolf Gaudlitz schon seit über einem Jahrzehnt unterwegs. Anfangs noch einzig als Kinomacher, der den Tuaregs Kino in ihre Dörfer bringt, später als Filmemacher, der uns die Menschen näher bringen möchte, die ihm auf seinen Reisen begegnen. Einen Kommentar aus dem Off gibt es nicht, dafür erklärende Texteinblendungen sowie direkt in die Kamera gesprochene Kommentare des Regisseurs. Leider lässt die Bildqualität des in einem Zeitraum von

Wolfram Hannemanns Film-Blog

über 10 Jahren gesammelten Film-materials sehr zu wünschen übrig, da nicht in HD produziert wurde. - Regisseur Wolf Gaudlitz kam heute eigens für die Pressevorführung aus Sizilien angereist, um sich den Fragen der anwesenden Filmkritiker zu stellen. Und das war auch gut so. Denn erst im Gespräch mit dem Filmemacher wurde die politische Dimension seines Films klar. Zu Recht kam dann natürlich auch gleich die Frage, warum eine solch klare Aussage nicht bereits Bestandteil des Films sei – worauf es zumindest für mich keine wirklich befriedigende Antwort gab. Vielleicht wäre Gaudlitzs Kommentierung des Films und der von ihm erlebten Abenteuer ein wesentlich spannenderer Film geworden als es **SAHARA SALAAM** jetzt ist. Ohne ein Vorwissen an bestimmte Ereignisse in Algier, die schon viele Jahre zurückliegen, fällt es dem Zuschauer sehr schwer, eine Brücke zu Gaudlitzs Anliegen zu schlagen. Vielmehr werden unvorbereitete Zuschauer den Film als ein Essay über die Erlebnisse eines Wanderkinobetreibers in der Sahara sehen, sozusagen als einen Reiseabenteuerfilm.

Dienstag, 28. Oktober 2014

Eine Frau steht ihren Mann

Western sind in der heutigen Film-landschaft äußerst rar geworden. Eines dieser seltenen Exemplare gab es heute in der Pressevorführung zu sehen.

THE HOMESMAN (1:2.35, DD 5.1)

OT: The Homesman

Verleih: Universum Film (24 Bilder)

Land/Jahr: USA 2014

Regie: Tommy Lee Jones

Darsteller: Tommy Lee Jones, Hilary Swank, Grace Gummer, John Lithgow, Meryl Streep

Kinostart: 18.12.2014

Autoritär, direkt und rechthaberisch – so wird sie von den Männern in ihrer Umgebung bezeichnet. Emanzipiert würde man sie heutzutage nennen. Doch Mitte des 19. Jahrhunderts wollten die Männer davon nichts wissen. Dabei möchte die 31jährige Mary Bee Cuddy einfach nur heiraten, damit sie ihre kleine Farm im kargen Nebraska

gemeinschaftlich bewirtschaften kann. Doch anders als die Frauen um sie herum ist Cuddy eine sehr starke Persönlichkeit, die sich auch nicht scheut, sich ganz allein hinter den Pflug zu stellen und in mühseliger Arbeit den Acker zu bestellen. Cuddy ist ihrer Zeit einfach viel zu weit voraus. Da wundert es auch nicht, dass es ausgerechnet sie ist, die drei vom Westen in den Wahnsinn getriebene Frauen zurück in den Osten zur Zivilisation transportieren soll. Durch Zufall kann sie dem alten Rauhebein Briggs das Leben retten. Im Gegenzug verspricht der, sie auf der strapaziösen Reise zu begleiten. Gemeinsam trotzen die beiden allen Gefahren... Bereits zu Beginn des Films verrät Marco Beltramis Filmmusik, dass der glorifizierte Westen für viele nicht das ist was er hätte sein können: die Melodie klingt wehmütig, weit entfernt, als wolle sie an längst vergangene Zeiten erinnern. Tommy Lee Jones' zweite Regiearbeit widmet sich einem Thema, das so noch nicht gezeigt wurde. Denn für viele Frauen wurde das gelobte Land zum Alptraum. Das abgeschiedene Leben und das kompromisslose Land trieben sie in den Wahnsinn. So ist Jones' Film auch kein Western im üblichen Sinne. Er selbst mag eigentlich gar nicht von einem Western sprechen. Es ist ein Melodrama, angesiedelt im Wilden Westen, in dem es um den Zusammenhalt der Menschen geht. Cuddy und Briggs, zwei grundverschiedene Menschen, werden durch ihre Reise zusammengeschweißt – ob sie es haben wollen oder auch nicht. Gespielt werden die beiden von einer grandiosen Hilary Swank und einem noch grandioseren Tommy Lee Jones. Er ist vielleicht sogar etwas überzeichnet, trägt Züge einer Karikatur, aber man mag ihn eigentlich von der ersten Sekunde an. Swank als Frau die Anpacken kann, trotzdem aber auch eine verletzte Seite offenbart, ist das perfekte Pendant zu Jones. Neben den beiden Protagonisten glänzen auch die Nebendarsteller, z.B. Grace Gummer, Sonja Richter und Miranda Otto als das äußerst fragile Transportgut – drei Frauen mit leeren Gesichtern, vom Westen gezeichnet. Der dritte Protagonist im Spiel ist Kameramann Rodrigo Prieto,

der wundervolle CinemaScope-Bilder zaubert – Bilder, die oft nur vom Horizont begrenzt werden. Optimal darauf abgestimmt Beltramis Filmmusik – gefühlvoll und wehmütig. Tommy Lee Jones (der auch am Drehbuch mitarbeitete) inszenierte mit sicherer Hand einen Film, der sich durch seine epische Ruhe ganz bewusst zeitgenössischen Sehgewohnheiten entzieht und den Zuschauer damit voll in seinen Bann schlägt.

Mittwoch, 29. Oktober 2014

Das Erbe, das man nicht ausschlagen kann

Zur Wochenmitte stand eine vergnügliche Dokumentation auf dem Programm

TITOS BRILLE (1:1.85, 5.1)

Verleih: X Verleih (Warner)

Land/Jahr: Deutschland 2014

Regie: Regina Schilling

Darsteller: Adriana Altaras

Kinostart: 11.12.2014

Dass Dokumentarfilme nicht unbedingt vollkommen trocken und ohne jeglichen Witz ablaufen müssen, beweist Regina Schilling mit **TITOS BRILLE**. In Szene gesetzt hat sie ihre Doku nach einem Bestsellerbuch von Adriana Altaras. Die 1960 im ehemaligen Jugoslawien geborene Schauspielerin, glücklich verheiratet in Berlin und Mutter zweier Söhne, wird die Geister ihrer jüdischen Eltern einfach nicht los. Ihr Erbe besteht aus unzähligen Fotografien und Super 8 Filmen, die ihre inzwischen verstorbenen Eltern im Laufe der vielen Jahre gemacht haben. So macht sich Adriana jetzt mit viel jüdischem Witz und deutscher Gründlichkeit in ihrem Mercedes auf eine Reise in die Vergangenheit. Ihr Weg führt sie von Berlin nach Gießen, von dort schließlich nach Slowenien, Italien, Kroatien. In Split, auf Vis, in Zagreb und auf Rab besucht sie Weggefährten ihrer Eltern, die einst eifrige Partisanen unter General Tito waren. Entstanden ist dabei ein höchst vergnügliches, aber ebenso bewegendes Porträt einer Familie, die zwar den Holocaust überlebt hat, aber dennoch aus ihrem Land fliehen musste. Ein Porträt, an dessen Ende die Erkenntnis steht, dass man weder Herkunft noch Vergangenheit ausblenden

Wolfram Hannemanns Film-Blog

kann. Sie sind ein Erbe, das man nicht ausschlagen kann.

Donnerstag, 30. Oktober 2014

Was die Seele wiegt und was Menschen im Keller verstecken

Zwei schwerwiegende Fragen, denen die heutigen Filme auf den Grund gingen

1001 GRAMM (1:2.35, DD 5.1)

OT: 1001 Gram

Verleih: Pandora

Land/Jahr: Norwegen, Frankreich, Deutschland 2014

Regie: Bent Hamer

Darsteller: Ane Dahl Torp, Laurent Stocker, Stein Winge

Kinostart: 18.12.2014

Wie ihr alter Vater arbeitet auch Marie als Wissenschaftlerin im norwegischen Eichamt. Als ihr Vater stirbt und sie sich auch noch mit der Trennung von ihrem Lebensgefährten herumschlagen muss, fast sie den Entschluss, in die Fußstapfen ihres alten Herrn zu treten und das letzte noch verbliebene physikalische Referenzmaß, das Kilo, zu einer Konferenz nach Paris zu bringen, um es dort neu kalibrieren zu lassen. Eine Reise, die ihr Leben nachhaltig verändern wird... Alleine schon Christin Rosenlunds CinemaScope-Bilder lohnen den Besuch dieses Films. Da werden beispielsweise Ortschaften zu geometrischen Figuren, wenn man sie von oben betrachtet. Oder wird ein Haus zu einem Ort der Einsamkeit, wenn man es ins richtige Licht rückt. Rosenlunds Bilder sprechen eine klare Sprache. Und da Bent Hamer den Film inszeniert hat, fehlen natürlich auch skurrile Elemente nicht. Da tragen beispielsweise die Wissenschaftler aus aller Herren Länder ihre in Metallbehälter verstaute Eich-Kilos wie Urnen durch die Gegend, in der anderen Hand einen blauen Regenschirm haltend. Was wiegt ein Menschenleben, was die Seele? Hamer erzählt in seinem Film davon, wie Marie ihr Leben ins Gleichgewicht bringt – das einer nüchternen Wissenschaftlerin und das einer warmherzigen, verletzlichen Frau. Von seiner Stimmung her jedenfalls würde der Film ein wunderbares Double Fea-

ture mit **MR. MAY UND DAS FLÜSTERN DER EWIGKEIT** zusammen ergeben.

IM KELLER (1:1.85, DD 5.1)

Verleih: Neue Visionen

Land/Jahr: Österreich 2014

Regie: Ulrich Seidl

Kinostart: 04.12.2014

Was genau tun Sie eigentlich, wenn Sie in den Keller gehen? Der Österreicher Ulrich Seidl wollte das ganz genau wissen. In seinem Film präsentiert er einige ungewöhnliche Exemplare der Spezies Mensch, die in ihren jeweiligen Kellern ihren wahren Leidenschaften fröhnen: Schießen, Trinken, Pythons hüten, Sex haben. Grenzen gibt es hier nicht. Und auch nicht in Seidls Film. In seinem Dokumentarfilm kommt das Hinabsteigen in den Keller einem Abstieg in die dunkle Seite der Seele der Menschen gleich. Zumindest in den überwiegenden Fällen, die er kommentarlos zeigt. Ob das auf Sado-Maso-Dienstleistungen spezialisierte Pärchen, der Nazi-Fan oder die Ehefrau, die ihre Mann als Sklaven hält – sie alle präsentieren sich derart offenherzig vor Seidls Kamera, dass einem bei soviel Exhibitionismus fast schon angst und bang wird. Speziell die Praktiken, die die Eheleute vorführen, sind für den Betrachter alles andere als angenehm (vom gepeinigten Ehemann ganz zu schweigen) und könnten durchaus zu einer Freigabe nicht unter 18 Jahren führen. Zwischen seinen Protagonisten zeigt Seidl immer wieder in Form von Stilleben weitere Personen, die ihrem Hobby im Keller fröhnen (den Einfall mit den regungslos vor laufender Kamera posierenden Menschen hat sich Seidl offensichtlich aus **BARAKA** geborgt). Bleibt die spannende Frage, wie der Regisseur an seine "Kellerbewohner" gekommen ist und wie es ihm gelang, sie davon zu überzeugen, sich für sein Projekt zu outhen.

HAPPY NEW YEAR (1:2.35, 5.1)

OT: Happy New Year

Verleih: Rapid Eye Movies

Land/Jahr: Indien 2014

Regie: Farah Khan

Darsteller: Shah Rukh Khan, Deepika

Padukone, Abhishek Bachchan
Kinostart: 30.10.2014

Um eine alte Rechnung zu begleichen, beschließen vier Freunde, einen fieses Millionär um ein paar kostbare Diamanten zu erleichtern. Um jedoch überhaupt in die Nähe des Tresors zu kommen, müssen die Kumpels einen Tanzwettbewerb gewinnen. Da keiner von ihnen tanzen kann, holen sie sich professionelle Hilfe... Mit **HAPPY NEW YEAR** inszenierte die mit **OM SHANTI OM** als Regisseurin berühmt gewordene Farah Khan ganz typisches Blockbuster Bollywood-Kino. Exotische Locations, grelle Farben, viel nackte Haut, faltenretuschierte Hochglanzkörper und eine hanebüchene Story, die sämtliche Genres abdecken muss – das sind die Zutaten, die darauf abzielen, einen Überflieger aus dem Film zu machen. Doch das Konzept wirkt inzwischen recht abgedroschen und so hält sich die Begeisterung in Grenzen. Der in zwei Teile gegliederte Film nimmt im zweiten Teil deutlich an Fahrt auf und präsentiert dann sogar einige überraschende Plot-Twists. Song & Dance Nummern gibt es freilich auch, doch sind die meist relativ einfallslos inszeniert. Echte Bollywood-Fans dürfte Farah Khans Film ziemlich enttäuschen.

Freitag, 31. Oktober 2014

Reise ins Weltall und in die irische Natur

Zum Abschluss der Pressewoche ging es ins Weltall und durch irisches Moos

INTERSTELLAR (1:2.35, DD 5.1)

OT: Interstellar

Verleih: Warner

Land/Jahr: USA 2014

Regie: Christopher Nolan

Darsteller: Matthew McConaughey, Anne Hathaway, Jessica Chastain

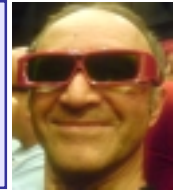

Kinostart: 06.11.2014

Es herrscht eine apokalyptische Stimmung auf der Erde. Die Lebensmittelvorräte werden aufgrund zunehmend schlechter Ernten knapp. Es ist nur noch eine Frage der Zeit, bis die Menschheit ausstirbt. Ihre einzige Chance: das Erschließen anderer Plane-

Wolfram Hannemanns

Film-Blog

ten, die ein Weiterleben der Menschen ermöglichen. Die NASA schickt ein Forscherteam ins Weltall, um ein sogenanntes Wurmloch zu erforschen, mit Hilfe dessen ein Sprung in andere Galaxien möglich sein soll. Zum Team gehört Cooper, ein Vater und Ex-Pilot, der inzwischen als Farmer lebt. Für ihn gilt es, die Zukunft seiner Kinder zu retten... Geht man mit sehr hohen Erwartungen in einen Film, begibt man sich in Gefahr. Gefahr deshalb, weil die zu hohen Erwartungen zu großer Enttäuschung führen können. Leider ist man selbst als Filmkritiker vor solch gefährlichen Situationen nicht gewappnet. Als begeisterter Fan breitformatiger Filme war Christopher Nolans **INTERSTELLAR** von Anfang an ein hoch interessantes Projekt. Denn der Perfektionist drehte seinen neuen Film nicht etwa digital, wie das fast alle Filmemacher inzwischen tun, sondern er ließ ihn auf Negativfilm drehen. Und zwar sowohl in 35mm als auch im hochauflösenden IMAX 65mm Format. Die Vorfreude stieg ins Unermessliche, als bekannt wurde, dass **INTERSTELLAR** nicht nur als 4K DCP in die Kinos kommen würde, sondern auch mit 35mm-, 70mm- und IMAX 70mm-Kopien! Für Nolan selbst war die Auswertung speziell in IMAX 70mm enorm wichtig, da genau diese Fassung seinen künstlerischen Ambitionen am nächsten kommt. Da die Pressevorführung "nur" als 4K DCP (also digital) präsentiert wurde, muss ich meine Rezension als vorläufig betrachten. Ein finales Urteil wird es also erst geben, wenn ich mir die analoge IMAX-Fassung angesehen habe, was in Kürze passieren wird. Bis dorthin gilt mein vorläufiges Urteil. Will man **INTERSTELLAR** mit anderen Filmen vergleichen, so würde ich sagen, dass es sich um eine Mischung aus **2001 – ODYSSEE IM WELTRAUM** und **CONTACT** handelt. An beide Filme gibt es in Nolans Werk unglaublich viele Reminiszenzen. Visuell ist der Film sehr beeindruckend, obgleich sich der richtige "Wow!"-Effekt nie einstellen mag. Dass der Film zu großen Teilen in hochauflösendem IMAX aufgenommen wurde, sieht man dem DCP nicht an. Leider. Was den Inhalt angeht, so bietet Nolan zweifelsohne intelligentes

Sci-Fi-Kino, was allerdings etliche Zuschauer überfordern könnte. Überfordern deshalb, weil Nolan wissenschaftliche Erklärungen zu Schwarzen Löchern und Wurmlöchern auf ein Minimum reduziert. Immerhin gelingt es ihm, nachvollziehbare Charaktere in seinem Film zu präsentieren. Seine Vater-Tochter-Geschichte funktioniert perfekt. Warum Nolan allerdings fast drei Stunden (ohne Pause) benötigt, um seine Geschichte zu erzählen, bleibt etwas rätselhaft. Zwei Stunden hätten dafür ausgereicht. Als Komponist wird wie bei Nolan üblich Hans Zimmer genannt. Ob die Musik tatsächlich von ihm stammt oder nicht, sei einmal dahingestellt. Zumindest in Teilen unterstützt sie den Film hervorragend. Insbesondere der Einsatz einer Kirchenorgel gibt dem Film eine zusätzliche Dimension. Dass die Inspiration hierfür nichts anderes als das bei Kubrick verwendete "Also sprach Zarathustra"-Motiv von Richard Strauss war, lässt sich nicht leugnen. Achten Sie mal darauf, wenn Sie den Film sehen. Fazit: Christopher Nolans Film war für mich zwar keine Liebe auf den ersten Blick, aber eine Liebe, die sich durchaus noch entwickeln kann. Stay tuned!

Nachtrag 10.11.2014: Ich habe mir den Film nun ein zweites Mal angeschaut – im IMAX-Kino des National Media Museums in Bradford, wo er als IMAX 15/70 (also 70mm-Film, der horizontal durch den Projektor läuft) zu sehen ist. Was für ein grandioses Erlebnis! Der Wechsel zwischen Letterbox-Sequenzen und echten, leinwandfüllenden IMAX-Sequenzen erscheint zwar manchmal ziemlich willkürlich, doch wann immer sich das Bild über die gesamte Leinwand ausbreitet, zieht es den Betrachter förmlich in den Film hinein. Insbesondere der Flug durch Wurmloch und Schwarzes Loch verführt zum Atemanhalten! Der Werbeslogan von IMAX bewahrheitet sich hier: man sieht nicht nur einen Film, sondern man wird selber zum Teil des Films! Auch die extrem dynamische Tonspur überzeugte im Bradforder IMAX-Saal – definitiv besser als in anderen Kinos. In "normalen" Kinos (und hier ziehe ich explizit die 35mm- und 70mm-Prä-

sentationen mit ein!) reduziert sich Nolans Film auf seine Story. In echtem IMAX passiert das nicht. Hier kann sich der Film vollständig entfalten und wird vollkommen anders wahrgenommen. Erst hier wird Nolans künstlerisches Konzept sichtbar. Fazit: wer den Film nicht in echtem IMAX 15/70 gesehen hat, der hat ihn nicht gesehen. Trust me!

THE BACHELOR WEEKEND (1:1.85, 5.1)

OT: The Stag

Verleih: Drei-Freunde

Land/Jahr: Irland 2013

Regie: John Butler

Darsteller: Andrew Scott, Hugh

O'Connor, Amy Huberman

Kinostart: 06.11.2014

Wider seinen Willen wird der kurz vor der Hochzeit mit Ruth stehende Fionnan von seinen Kumpels auf eine Junggesellenabschiedstour mitgenommen. Gemeinsam wollen die Freunde mit ihrem Trip in freier Natur noch einmal so richtig abfeiern. Dumm nur, dass sich Ruths Bruder, von allen nur "The Machine" genannt, der Gruppe anschließt. Denn ab jetzt ist Schluss mit lustig... Glaubt man der Marketing-Kampagne für diesen Film, so stellt sich schnell der Eindruck ein, es könnte ein unterhalb der Gürtellinie orientierter Film im Stile von **AMERICAN PIE** sein. In Wirklichkeit jedoch entpuppt sich John Butlers Komödie als eine durchaus liebenswerte Geschichte über das Finden zu sich selbst. Fast jeder in der auf Abenteuertrip gehenden Männergruppe schlägt sich mit unbewältigten Problemen herum, die sich aus der Distanz wesentlich besser erkennen lassen und auch zu Lösungen führt. Allerdings leidet der Film hin und wieder an Längen, beispielsweise wenn der Trauzeuge abends am Lagerfeuer einen Song zum Besten gibt – mit gefühlten 300 Strophen! Natürlich gibt es auch ein paar Griffe unter die Gürtellinie ("The Machine" hat eine unappetitliche Masturbationsszene), doch halten die sich in Grenzen. **THE BACHELOR WEEKEND** ist ein kleiner Film für Zwischendurch, den man nach dem Kino-besuch vermutlich gleich wieder ver-

Wolfram Hannemanns Film-Blog

gessen hat.

Die Magie des Kinos

Im ersten Film entdeckt die Heldin einen magischen Ort, im zweiten Film macht ein Magier eine Entdeckung.

CAFE OLYMPIQUE – EIN GEBURTSTAG IN MARSEILLE (1:1.85, 5.1)

OT: Au Fil D'Ariane

Verleih: Schwarz-Weiss (Filmagentinnen)

Land/Jahr: Frankreich 2014

Regie: Robert Guédiguian

Darsteller: Ariane Ascaride, Gérard Meylan, Jean-Pierre Darroussin

Kinostart: 25.12.2014

Alle ihre Geburtstagsvorbereitungen werden jäh zunichte gemacht, als Ariane von allen Eingeladenen nur Absagen erhält. Kurz entschlossen verlässt sie ihre Wohnung und macht sich auf den Weg nach Marseille, wo sie einen Mopedfahrer trifft, der sie zum Cafe Olympique mitnimmt – ein Mikrokosmos skurriler Menschen, derer sie sich annimmt... Im Titelvorspann ist nicht etwa zu lesen "Ein Film von Robert Guédiguian", sondern ganz bewusst "Eine Phantasie von Robert Guédiguian". Der Regisseur nimmt seine Zuschauer mit auf eine ebenso phantastische wie skurrile Reise, in der es schon mal passieren kann, dass sich eine Szene plötzlich in eine nette Musiknummer verwandelt oder Schildkröten zu sprechen beginnen. Sein Film erinnert ab und zu an die Werke eines Jacques Tati, ohne jedoch je dessen Qualitäten zu erreichen. Warum auch – es ist ein ganz anderer Film. Einer, den man ein bisschen mögen wird, wenn man bereit ist, sich darauf einzulassen.

MAGIC IN THE MOONLIGHT (1:2.35, DD 5.1)

OT: Magic In The Moonlight

Verleih: Warner

Land/Jahr: USA 2014

Regie: Woody Allen

Darsteller: Dame Eileen Atkins, Colin Firth, Marcia Gay Harden, Emma Stone

Kinostart: 04.12.2014

Anfang des 20. Jahrhunderts soll ein

weltbekannter Illusionist auf Wunsch eines Freundes ein vermeintliches Medium als Betrügerin entlarven. Unversehens gerät er nicht nur in den Bann der Schönen, sondern muss auch noch feststellen, dass sie offenbar tatsächlich hellseherische Fähigkeiten besitzt... Es ist erst Woody Allens vierter Film im CinemaScope-Format, dafür aber wohl der erste mit CGI-Effekten. Und der Ton darf dieses Mal sogar ein bisschen stereophoner sein als bisher. Das alles freilich kann nicht über die Tatsache hinwegtäuschen, dass **MAGIC IN THE MOONLIGHT** ein ziemlich geschwätziger Film ist. Der Cast ist wie immer bei Woody vom Feinsten, insbesondere Colin Firth läuft als zynischer Magier zur Hochform auf. Doch letztendlich ist es ein recht banales Stück Kino, das uns Woody hier mit brillanter Optik und erlesener Ausstattung präsentiert. Es ist fast so als wäre der ganze Schwung aus dem Film verschwunden. Es ist kein schlechter Film, aber von Woody Allen hätte man einfach mehr erwartet.

Weggehen um anzukommen

Oder: anderswo ist es auch nicht besser

ANDERSWO (1:1.85, 5.1)

Verleih: Film Kino Text

Land/Jahr: Deutschland 2014

Regie: Ester Amrami

Darsteller: Neta Riskin, Golo Euler, Hana Laszlo

Kinostart: 29.01.2015

Die Israelin Noa studiert schon seit acht Jahren in Berlin. Gerade ist sie mit ihrem deutschen Freund zusammengezogen. Doch nach wie vor fühlt sie sich fremd in der großen Stadt. Als jetzt auch noch ihre Abschlussarbeit – ein Lexikon nicht übersetzbarer Worte – abgelehnt wird, flieht sie in ihre Heimat zurück. Dort aber fällt sie gleich wieder in die Rolle der aufmüpfigen Tochter zurück... Tragikomisch gibt sich Ester Amramis Debütfilm über eine junge Frau auf der Suche nach sich selbst. Heimatlosigkeit ist das Thema ihres Films. Ein Thema, das sie immer wieder anhand von kurzen Interview-Segmen-

ten "globalisiert", in denen es um Worte geht, die man nicht ins Deutsche übersetzen kann. Amramis Film ist kurzweilig und mit der Israelin Neta Riskin nicht nur attraktiv, sondern auch stimmig besetzt.

Freitag, 07. November 2014

Ziemlich beste Freunde

Zum Abschluss der Pressewoche gab es eine zarte Liebesgeschichte aus Frankreich

HEUTE BIN ICH SAMBA (1:1.85, DD 5.1)

OT: Samba

Verleih: Senator

Land/Jahr: Frankreich 2014

Regie: Olivier Nakache, Eric Toledano

Darsteller: Omar Sy, Charlotte

Gainsbourg, Tahar Rahim

Kinostart: 26.02.2015

Schon seit 10 Jahren jobbt Samba als Hilfskraft in der Pariser Gastronomieszene. Eines Tages aber wird der aus dem Senegal stammende Samba von den Behörden aufgrund der nicht vorhandenen Aufenthaltsgenehmigung dingfest gemacht und es droht die Abschiebung. Ausgerechnet der nach einem Burn-Out im Sozialdienst ehrenamtlich arbeitende Karrierefrau Alice wird sein Fall anvertraut. Je näher die beiden sich kennenlernen, desto stärker wird ihre gegenseitige Anziehungskraft. Eine zarte Liebesgeschichte, die es so eigentlich nicht geben darf, nimmt ihren Lauf... Mit **ZIEMLICH BESTE FREUNDE** haben Olivier Nakache und Eric Toledano einen Überraschungshit gelandet. Die Erwartungen an den neuen Film der beiden Franzosen sind daher naturgemäß sehr hoch. Da wundert es nicht, dass sich die Regisseure wieder jenen Darsteller in ihre Besetzung holen, der ihren Erstlingsfilm zum Erfolg werden ließ: Omar Sy. Auch in **HEUTE BIN ICH SAMBA** dominiert er mit seinem unwiderstehlichen Charme die Bildfläche und ergibt damit das passende Gegenstück zu Charlotte Gainsbourg als extrem unsichere, oft hilflose Ex-Karrierefrau. Die Chemie zwischen den beiden passt. Als Dritter im Bunde liefert auch Tahar

Wolfram Hannemanns Film-Blog

Rahim als Sambas Kumpel Wilson eine überzeugende Performance. Den mit seinen fast 120 Minuten etwas zu lang geratenen Film könnte man am ehesten noch als eine Tragikomödie bezeichnen, deren Protagonisten versuchen, das Beste aus ihren komplizierten Lebensumständen zu machen. Ein bisschen Gefühl gibt es dabei dann auch, jedoch in schwächerer Dosierung als bei **ZIEMLICH BESTE FREUNDE**.

Kritisch anzumerken wäre, dass es nicht so recht nachvollziehbar ist, dass man ausgerechnet eine psychisch labile Person als Betreuerin für Abschiebekandidaten einstellt – auch wenn es nur ehrenamtlich ist. Aber die Filmwelt tickt nun einmal anders als das wahre Leben – auch wenn das so Mancher nicht wahrhaben will. Als winzig kleine Randbemerkung sei noch erwähnt, dass mich das von Ludovico Einaudi komponierte Liebesthema (gespielt auf einer Gitarre) sehr stark an den Anfang von Alex Norths Liebesthema aus **SPARTACUS** erinnert hat.

Dienstag, 11. November 2014

Von Geldgier und Feuergras

Das einzige Double Feature in dieser Woche – bestritten von Italien und Deutschland

DIE SÜSSE GIER (1:2.35, DD 5.1)

OT: Il Capitale Umano

Verleih: Movienet (24 Bilder)

Land/Jahr: Italien, Frankreich 2013

Regie: Paolo Virzì

Darsteller: Valeria Bruni-Tedeschi, Valeria Golino, Fabrizio Bentivoglio

Kinostart: 08.01.2015

Weil seine Tochter mit dem Sohn einer der reichsten Familien des Landes liiert ist, sieht sich ein kleiner Immobilienmakler auf der Gewinnerseite. Er bietet sich dem Hausherrn förmlich in der Absicht an, an dessen gewinnträchtigem Fond beteiligt zu werden. Sein Plan geht auf. Doch dann überstürzen sich die Ereignisse: der Fond sackt ab und das Geld scheint verloren. Ausgerechnet in dieser schwierigen Lage wird dann auch noch die Tochter in einen Unfall mit Fahrerflucht verwickelt... Paolo Virzis Thriller-Drama ist in

vier Kapitel unterteilt. In den ersten drei Kapiteln schildert er einen bestimmten Zeitraum aus der Sicht der drei Protagonisten, wobei es hier immer wieder zu Überkreuzungen kommt. Das letzte Kapitel schließlich ist dem "menschlichen Kapital" gewidmet, das in die Waagschale geworfen wird und die Geschichte zu einem Abschluss bringt. Durch diese Strukturierung gelingt es dem Regisseur, seinen Film interessant zu gestalten. Langeweile kommt nicht auf. Zudem sind die Hauptrollen gut besetzt. **DIE SÜSSE GIER** basiert auf dem Roman "Human Capital" von Stephen Amidon, der in Deutschland unter dem Titel "Der Sündenfall" erschienen ist und dessen Handlung für den Film von den USA nach Italien verlegt wurde.

DER KLEINE DRACHE KOKOSNUSS – FEUERFESTE FREUNDE (1:1.85, 3D, 5.1)

Verleih: Universum Film (Walt Disney)

Land/Jahr: Deutschland 2014

Regie: Nina Weis, Hubert Weiland

Kinostart: 18.12.2014

Gemeinsam mit seinen beiden Freunden, dem vegetarischen Fressdrachen Oskar und dem Stachelschwein Matilda, macht sich der kleine Feuerdrache Kokosnuss auf den Weg, das gestohlene Feuergras wieder zu finden. Erstmals von zu Hause weg und ganz auf sich gestellt, beginnt für die Freunde ein großes, gefährliches Abenteuer... Ein Animationsfilm für die ganz kleinen Zuschauer, frei nach den Kinderbüchern von Ingo Siegner. Die unspannende Geschichte und die fehlende Detailtiefe in der visuellen Umsetzung dürften nur Zuschauer bis maximal sechs Jahre ansprechen. Auch ist der Unterschied zwischen der 2D- und 3D-Fassung recht unerheblich, wodurch die Frage "Warum denn dann überhaupt 3D?" durchaus berechtigt ist.

Mittwoch, 12. November 2014

Eine Herzenssache

Einen Schmachtfetzen zur Wochenmitte, bitte. Danke!

THE BEST OF ME – MEIN WEG ZU DIR (1:2.35, DD 5.1)

OT: The Best Of Me

Verleih: Senator

Land/Jahr: USA 2014

Regie: Michael Hoffman

Darsteller: Michelle Monaghan, James Marsden, Luke Bracey

Kinostart: 08.01.2015

Aufgrund einer Sperrfristvereinbarung gibt es die Kurzkritik zu diesem Film erst ab 10.12.2014 auf www.wolframhannemann.de

Donnerstag, 13. November 2014

WILD TALES - JEDER DREHT MAL DURCH! (1:2.35, DD 5.1 + 7.1)

OT: Relatos Salvajes

Verleih: Prokino (Fox)

Land/Jahr: Argentinien, Spanien 2014

Regie: Damian Szifron

Darsteller: Ricardo Darín, Leonardo Sbaraglia, Dario Grandinetti

Kinostart: 08.01.2015

Jeder Mensch hat sie: die Schwelle, bis zu der man noch Mensch bleibt. Doch wehe sie wird überschritten – dann Gnade Gott! In seinem Episodenfilm führt Regisseur Damian Szifron insgesamt sechs solcher Fälle vor, bei denen es zur Explosion kommt – auf unterschiedlichste Weise. Szifron hat mit seinem Thriller-Drama voll schwarzen Humors gleichzeitig Argentinien erfolgreichsten Film überhaupt geschaffen. Einen Film, der von seinem Land jetzt offiziell ins Rennen um den Auslands-Oscar geschickt wurde. Die sechs voneinander vollkommen unabhängigen Geschichten erzählt er dabei vollkommen nüchtern, ohne viel Pathos und ohne aufbrausende Filmmusik. Leider kann man nicht alle der Episoden als gelungen bezeichnen. Wesentlich zu lang fühlt sich die letzte Episode an, in der ein Paar die eigene Hochzeit ins Chaos stürzt. Weit überzeugender und vollkommen unvorhersehbar ist ihm der Einstieg in seinen Film gelungen: da entpuppen sich alle Passa-

Wolfram Hannemanns Film-Blog

giere an Bord eines Flugzeugs als alte Weggefährten desselben Losers, einem Typ namens Pasternak. Und keiner von ihnen hat dabei eine besonders gute Meinung von dem Kerl. Zu spät erst merken die Passagiere, dass kein Geringerer als Pasternak selbst im verschlossenen Cockpit sitzt und zum Harakiri-Flug ansetzt. Andere Geschichten umfassen einen nächtlichen Gast in einem Restaurant, den die Bedienung als jenen Mann wiedererkennt, der ihre Familie in ihr Unglück stürzte. Soll sie ihm Rattengift in die Eier mit Pommes mischen? Dann haben wir da jenen Sprengmeister, der sich vom argentinischen Abschleppdienst ungerecht behandelt sieht und schließlich eine bombige Idee hat – im wahrsten Sinne des Wortes. Oder die beiden Autofahrer, die sich auf einsamer Landstraße ein regelrechtes Duell bis zum bitteren Ende liefern. Ganz zu schweigen von dem Millionär, der seinen Sohn schützen will, indem er ihn von einem Verbrechen freikaufen möchte und sich dadurch jedoch plötzlich der unersättlichen Gier anderer Menschen ausgesetzt sieht. Jede der sechs Geschichten liefert Identifikationspotenzial, da man in genau so einer oder einer ähnlichen Situation selbst schon einmal war. Und es macht Spaß zuzuschauen, wenn sich Andere fallen lassen und sich ganz ihrer ohnmächtigen Wut hingeben. Ein Gefühl, das man in unserer Zivilisation stets unterdrücken muss.

Montag, 17. November 2014

Die Tribute des Kommerz

Die Pressewoche wurde heute von einem Blockbuster eingeläutet, auf den wir alle schon lange gewartet haben

DIE TRIBUTE VON PANEM:

MOCKINGJAY TEIL 1 (1:2.35, DD 5.1 + Atmos)

OT: The Hunger Games: Mockingjay Part 1

Verleih: Studiocanal

Land/Jahr: USA 2014

Regie: Francis Lawrence

Darsteller: Jennifer Lawrence, Josh Hutcherson, Liam Hemsworth, Woody Harrelson, Elizabeth Banks, Julianne Moore, Donald Sutherland, Philip Seymour Hoffman, Jeffrey Wright,

Stanley Tucci

Kinostart: 20.11.2014

Katniss ist im Untergrund angekommen: im verloren geglaubten 13. Distrikt verschanzt sie sich mit Hunderten anderer Rebellen tief unter der Erde. Der Gedanke, dass sich Peeta in den Händen von Präsident Snow befindet, quält sie Tag und Nacht. Unter Leitung von Rebellen-Präsidentin Coin soll Katniss zur Ikone des Widerstands aufgebaut werden. Zunächst noch zögernd, lässt sich Katniss schließlich darauf ein und nimmt ein kleines Filmteam mit an den Kriegsschauplatz. Ein gefährliches Unterfangen... Der kommerzielle Gedanke (oder soll man besser sagen: der Profitgier) ist Schuld daran, dass der dritte und letzte Teil der **PANEM**-Saga in zwei Teilen ins Kino geliefert wird: Teil 3.1 jetzt, Teil 3.2 erst in einem Jahr! Genau diese willkürliche Zerstückelung aber führt dazu, dass Fans der ersten beiden Teile aus **MOCKINGJAY TEIL 1** vermutlich enttäuscht aus dem Kino kommen werden, ist dieser Teil doch weder Fisch noch Fleisch. Der Film fühlt sich zurecht so an, als ob man ihn um seinen Höhepunkt betrogen hätte. Hier gibt es weit weniger Action als in den beiden ersten Filmen, in denen es ein ausgewogenes Verhältnis zwischen dem Weiterspinnen der Geschichte und spektakulären Sequenzen gibt. Spektakuläres gibt es hier nicht viel zu sehen. Stattdessen wird Kriegspropaganda recht eindringlich demonstriert. Alles endet natürlich – wie könnte es auch anders sein – mit einem "Cliffhanger". Mein Tipp: bitte nicht mit zu hohen Erwartungen in **MOCKINGJAY TEIL 1** gehen, sondern gleich die Hoffnung auf Teil 2 lenken.

Dienstag, 18. November 2014

Das Leben ist kein Scherzartikel

Heute gab es Bilder wie Gemälde und eine Geschichte zum Davonlaufen

EINE TAUBE SITZT AUF EINEM ZWEIG UND DENKT ÜBER DAS LEBEN NACH (1:1.85, 5.1)

OT: En Duva Satt På En Gren Och

Funderade På Tillvaron

Verleih: Neue Visionen

Land/Jahr: Schweden, Frankreich, Nor-

wegen, Deutschland 2014

Regie: Roy Andersson

Darsteller: Holger Andersson, Nils

Westblom, Charlotta Larsson

Kinostart: 01.01.2015

Sam und Jonathan versuchen sich mehr schlecht als recht mit dem Verkauf von Scherzartikeln über Wasser zu halten. Doch die extra langen Vampirzähne, der Lachsack sowie eine Horrormaske Marke "Gevatter Einzahn" will niemand haben und so verschulden sich die beiden bis über beide Ohren. So nehmen uns die beiden tragischen Gestalten mit auf eine märchenhafte Reise durch Menschliches und allzu Menschliches... Der Schwede Roy Andersson inszenierte seinen Film konsequent in statischen Einstellungen. Der Einsatz der digitalen Kameras machte es möglich, dass diese statischen Bilder, die im Grunde genommen Gemälde sein könnten, über detaillierte Tiefe verfügen. Hier zählt also nicht nur der Vordergrund, der Hintergrund ist genauso wichtig. Dass vereinzelt Szenen offenbar in keinem Zusammenhang mit dem Rest des Films stehen, gehört dabei auch zu Anderssons Konzept. Alles ist in Sepiatöne getaucht und von beeindruckender Skurrilität, was den Film zweifelsfrei zu einem der ungewöhnlichsten Filme des Jahres macht.

Andersson versteht seinen Film als den dritten Teil einer Trilogie über das Menschsein, an dessen Anfang er drei besonders skurrile Begegnungen mit dem Tod stellt. Bei aller Absurdität in seinen Geschichten und Bildern steckt allerdings auch ein gehöriges Stück an Kritik. Kritik an der Menschheit, die schon längst nicht mehr weiß, wohin sie sich entwickeln soll. Und so bleibt einem bei dem ein oder anderen Tableau das Lachen im Halse stecken. Fazit: kein Film für die Massen, aber einer für Gourmets.

KILL THE BOSS 2 (1:2.35, DD 5.1)

OT: Horrible Bosses 2

Verleih: Warner

Land/Jahr: USA 2014

Regie: Sean Anders

Darsteller: Jason Bateman, Charlie Day, Jason Sudeikis, Jennifer Aniston, Jamie Foxx, Chris Pine, Christoph Waltz,

Wolfram Hannemanns Film-Blog

Kevin Spacey
Kinostart: 27.11.2014

Nick, Dale und Kurt glauben sich am Ende ihrer Träume, als der Boss eines großen Sanitärausstatters den von ihnen entwickelten Duschkopf in großer Stückzahl ordert. Die drei etablieren eine eigene Fabrik und produzieren was das Zeug hält. Doch dann wird der Auftrag storniert und die drei Jungunternehmer stehen vor der Pleite. Doch ungestraft soll der Boss nicht davonkommen: sie wollen seinen Sohn kidnappen und ein hohes Lösegeld erpressen. Leider sind die drei Jungs aber alles andere als clever... Als ob man es nicht schon geahnt hätte: wieder soll ein langweiliges Drehbuch durch ein Bombardement an Anzüglichkeiten und "Unter-die-Gürtellinie"-Schlägen kaschiert werden. Dass so etwas nicht gelingen kann, haben viele Filme schon demonstriert. **KILL THE BOSS 2** will also jetzt das Rad neu erfinden und erleidet natürlich Schiffbruch. Einzig die männlichen Fans von Jennifer Aniston werden auf ihre Kosten kommen, wenn sie als Nymphomane das gesamte Repertoire an sexuellen Ausschweifungen durchexerziert – allerdings nur verbal. **KILL THE BOSS 2** kommt auf meine Liste der Filme, ohne die es sich wesentlich besser leben lässt.

Donnerstag, 20. November 2014
Von Moneydrops, Hells Angels und Pinguinen

Das heutige Presse-Triple hatte alles im Korb: Krimi, Doku und Kinderfilm

THE DROP – BARGELD (1:2.35, DD 5.1)

OT: The Drop
Verleih: Fox

Land/Jahr: USA 2014

Regie: Michaël R. Roskam

Darsteller: Tom Hardy, Noomi Rapace, James Gandolfini

Kinostart: 04.12.2014

Der sensible Bob arbeitet als Barkeeper in der Kneipe seines Cousins Marv. Der wiederum arbeitet für tschetschenische Unterweltler. Als die Marvs Kneipe zur sogenannten

"Moneydrop", also einer Art Gelddepot deklarieren, sieht Marv seine große Chance: er will einen großen Coup landen – in der eigenen Kneipe und ohne das Wissen von Bob... Regisseur Michaël R. Roskam lässt sich in seinem nach einer Kurzgeschichte von Dennis Lehane entstandenen Krimi sehr viel Zeit. So entwickelt sich die Story ohne harte, schnelle Schnitte und auch ohne lautstarke Wortduelle erst ganz allmählich, bis Roskam dann schließlich die Spannungsschraube ziemlich kräftig anzieht und seine Zuschauer damit für ihre Geduld bestens belohnt. Aufgrund der Bierruhe seines Films können sich auch die Figuren entwickeln und wirken dadurch weit realistischer als in konventionellen Thrillern. **THE DROP – BARGELD** empfiehlt sich für Krimifreunde, die das Besondere lieben.

EIN HELLS ANGEL UNTER BRÜDERN
(1:1.85, 5.1)

Verleih: farbfilm

Land/Jahr: Deutschland 2013

Regie: Marcel Wehn

Kinostart: 15.01.2015

In seinem Dokumentarfilm geht Regisseur Marcel Wehn der Frage nach, ob die Hells Angels tatsächlich so sind wie der Ruf, der ihnen vorausseilt. Frage und Antwort dabei steht ihm insbesondere der Vorsitzende des Stuttgarter Hells Angels Clubs, Lutz Schelhorn. Der Fotograf erweist sich als sehr charismatische, selbstbewusste Persönlichkeit, die versucht, das Image des Clubs aufzupolieren. Kriminelle gibt es hier keine. So die Quintessenz des Lutz Schelhorn. Man achte auf innere Werte bei den Mitgliedern. Doch Wehn zeigt auch die andere Seite, zu der er unter anderem einen Stuttgarter Kriminalbeamten zu Wort kommen lässt. Doch erliegt Wehn in seinem Film irgendwann offenbar dem Charisma seines Protagonisten und wahrt nicht mehr die notwendige Distanz. So bleibt es am Ende jedem Zuschauer selbst überlassen, das zu glauben, was Schelhorn erzählt oder auch nicht. Insgesamt ein recht amüsanter Dokumentarfilm.

DIE PINGUINE AUS MADAGASCAR

(1:1.85, 3D, DD 5.1 + 7.1 + Atmos, Auro 11.1)

OT: The Penguins Of Madagascar
Verleih: Fox

Land/Jahr: USA 2014

Regie: Eric Darnell, Simon J. Smith

Kinostart: 27.11.2014

Skipper, Kowalski und Rico haben genug von Mutter Natur. Die drei Pinguine wollen richtige Abenteuer erleben. Die Chance dazu bekommen sie, als sie einem Pinguinei hinterherjagen, das einen Abhang hinunterrollt. In letzter Sekunde können sie es retten, befinden sich dadurch aber auf einer im Meer treibenden Eisscholle. Als das Ei berstet, wird aus dem Trio ein Quartett: Private ist der Neue, der sich erst einmal bewähren muss. Und genau dazu gibt es im vor ihnen liegenden Abenteuer, bei dem die Pinguine gegen eine fiese Krake kämpfen müssen, mehr als genug Möglichkeiten... Jetzt also bekommen die heimlichen Stars aus **MADAGASCAR** ihren eigenen richtigen Kinofilm. Skipper, Kowalski, Rico und Private sind die schnuckeligsten Pinguine der Animationsfilmgeschichte. Sie selbst verstehen sich als Elite-Trupp, können aber ihren Fun-Trieb nie unterdrücken – zum Glück! Eric Darnell und Simon J. Smith geben den Quartett im vorliegenden Film immer wieder Gelegenheit, ihre kindlichen Triebe auszuleben. Da gerät beispielsweise die in letzter Minute geglückte Rettung beim Sturz aus einem Flugzeug mittels einer in Sekundenschnelle aufgeblasenen Hüpfburg nach erfolgreicher Landung zu einem stundenlangen Hüpfvergnügen der vier kleinen Pinguine. Neben Anspielungen auf viele andere Kinofilme gibt es dann auch ab und zu gelungene "Inside Jokes" wie jener, in der die Kamera plötzlich eine andere Perspektive einnimmt und man ein menschliches Filmteam sieht, das Pinguine am Nordpol aufnimmt. Im Original wird der Regisseur übrigens von keinem Geringeren als Werner Herzog gesprochen. **DIE PINGUINE AUS MADAGASCAR** ist rasantes und höchst humorvolles Kino für die ganze Familie

Archer: The Complete Season Five

Amber Nash, H. Jon Benjamin, Aisha Tyler, Chris Parnell, Jessica Walter, Judy Greer
Join suave super-spy Sterling Archer and his fellow covert government operatives for more irreverent adventures across the globe. With an overabundance of cocaine at their disposal, the team forms a cartel and sets out to sell the drug. As this dubious new venture speeds into hilarious motion, the team deals with addiction, Cheryl's turn as a country singer, an FBI bust, an open marriage, Kenny Loggins, a South American dictator, and an announcement Archer couldn't have imagined in his murkiest, tequila-influenced haze. Loaded with sexy, animated fun and all 13 outrageous episodes, the 5th action-packed season of Archer comes with a cool stash of classified extras.

Action, Animation, Comedy, FX, Parody, Spies & Secret Agents, Television min.

Cartoon Network: Steven Universe - Gem Glow Volume One

Believe in Steven! Steven Universe is a half-human, half-Gem hero who's learning to save the world with the magical powers that come from his bellybutton. Steven may not be as powerful as the Crystal Gems. Or as smart. But that doesn't stop him from joining Garnet, Amethyst and Pearl on their magical adventures - where Steven always finds a surprising way to save the day.

Action, Adventure, Animation, Cartoon Network, Children's, Comedy, Fantasy, Magic, Space, Television 132min.

Coppelion: The Complete Series (Blu-ray + DVD Combo) (Blu-ray)

In the not-so-distant future, a catastrophic event has turned the old capital of Japan into a wasteland, forever changing the lives of its people. Decades later, three schoolgirls set foot into the now forsaken city. They are the Coppelion, genetically engineered humans created by the Japan Ground Self-Defense Force to operate under the lethal conditions of the contaminated city. Trained since birth, the girls must use all of their skills and resources to carry out their one and only mission: to rescue those left behind.

Looney Tunes: Reality Check (Repackage)

Hold on tight! Because all your favorite Looney Tunes characters are zooming into a head-on collision with the world's most popular reality TV shows! Th-th-th-that's right, folks! It's time for a Reality Check! Overflowing with outrageous Warner-style comic mayhem, these all-new Toons spoof TV like it's never been spoofed before! Plus, you'll get a load of exclusive added gotta-have-'em DVD bonus features that are positively Looney! In this hilarity-jam-packed volume: Porky and Tweety give you the score and more in Sports Blab. Granny makes Sylvester, Daffy and Yosemite Sam cry uncle in Tear Factor. Then, Bugs, Porky, Daffy, Taz and the rest of the gang are outcast, outclassed and out-to-lunch in a kooky quest to become the lone survivor (get it?) in the spectacularly zany Toon Marooned! And there's more wackiness on the schedule with reality show send-ups from Aluminum Chef to Judge Granny!

Ranma 1/2: Set 4 Limited Edition (Blu-ray)

From the legendary mind of master creator Rumiko Takahashi, the mixed-up, madcap, martial arts romantic comedy Ranma 1/2 returns! After taking a surprise dip in a cursed spring while on a training journey in China, martial artist Ranma Saotome and his father, Genma, aren't quite themselves anymore. Now Ranma turns into a girl whenever he's splashed with cold water, and Genma turns into a panda! Their new forms cause nothing but confusion at the Tendo dojo, where Soun Tendo is waiting to introduce one of his three daughters to Ranma - as his fiancée! Turns out Genma and Soun arranged the match long ago, but the girl, Akane, and the boy, Ranma, aren't exactly crazy about the idea, or each other! Or are they? Watch the gender switching, jealous rages, and martial arts battles unfold all over again!

186 Dollars To Freedom

John Robertsons, Alex Meraz, Johnny Lewis, Deborah Kara Unger, Grant Bowler, Michael DeLorenzo - Dir. Comilo Villa
Wayne Montgomery is a surfer living in Lima Peru in 1980. He gets framed on phony drug charges and thrown into Lima's infamous El Sexto prison along with communist dissidents. The American consul won't believe him and along with corrupt cop, Lt. Gutierrez, expect him to call his wealthy parents in California to pay for his release. Wayne refuses. In prison, Wayne befriends Jorge, a pacifistic Hare Krishna, and teaches him to wrestle to defend himself from „Nicaragua“, a sadistic bully. Gutierrez takes Wayne to the beach and tortures him until he takes him to his hidden money, 186 dollars. When Jorge defeats „Nicaragua“ in wrestling, the bully exacts the ultimate revenge. Wayne pummels „Nicaragua“, gets beaten and dragged by guards to the prison basement while the communists start a riot. In a cell with a delusional prisoner who thinks he is Jesus Christ, Wayne meets Gutierrez for the final confrontation to determine if he will live or die.

The Band Wagon (Blu-ray)

Jack Buchanan, Nanette Fabray, James Mitchell, Robert Gist, Oscar Levant, Fred Astaire, Cyd Charisse - Dir. Vincente Minnelli

In this Vincente Minnelli-directed backstage, Fred Astaire dazzles in numbers set in a train station (By Myself), a penny arcade (A Shine on Your Shoes), a backstage Central Park (Dancing in the Dark) and a smoky cafe (Girl Hunt), the latter two with the incomparable Cyd Charisse. And when he, Nanette Fabray and Jack Buchanan play infants who „hate each other very much!“ in the merry Triplets, it's more reason to love this movie very, very much. As the hallmark song which originated here goes, That's Entertainment!

Banshee: The Complete Second Season

Hoon Lee, Matt Servitto, Demetrius Grosse, Rus Blackwell, Ulrich Thomsen, Frankie Faison, Ivana Milicevic, Ben Cross

From executive producer Alan Ball, creator of True Blood, this Cinemax action drama charts the continuing twists and turns that follow Lucas Hood (Antony Starr), an ex-convict who improbably assumes the identity of sheriff of the rural, Amish-area town of Banshee, where his former lover and partner-in-crime (Ivana Milicevic) lives under the alias Carrie Hopewell. Season 2 takes up immediately after the events of the Season 1 finale, when Carrie's father, gang kingpin Rabbit (Ben Cross) was left for dead after a climactic warehouse shootout. Carrie, now exposed and estranged from her husband and kids, is torn between her devotion to her family and her connection to Lucas, who had given himself up in order to save her years earlier. The new season finds Lucas, having escaped detection after being interrogated by FBI agent Jim Racine (guest star Zeljko Ivanek), with his hands fuller than ever as sheriff, dealing with (among other things) the murder of a Kinaho tribe girl, the continuing escalation of tensions between Amish overlord Kai Proctor (Ulrich Thomsen) and Kinaho tribe leader Alex Longshadow (Antho

Regina Hall, Terrence Howard, John Michael Higgins, Melissa De Sousa, Eddie Cibrian, Sanaa Lathan, Monica Calhoun, Harold Perrineau Jr., Nia Long, Taye Diggs, Morris Chestnut - Dir. Malcolm D. Lee

Share the laughter, love and surprises with a beloved group of college friends who reunite for the first time in years. It all begins in The Best Man as Harper (Taye Diggs), Lance (Morris Chestnut), Mia (Monica Calhoun), Quentin (Terrence Howard), Murch (Harold Perrineau) and Jordan (Nia Long) reunite before a very special wedding. When Harper's book detailing their school exploits reveals scandalous secrets between the buddies, big revelations test their bonds...for better or for worse. The good times continue years later in The Best Man Holiday as long-forgotten rivalries and romances are passionately reignited. From writer/director/producer Malcolm D. Lee comes two sexy, heart-warming comedies about living, loving and laughing with the people who know you best.

The Brady Bunch: The Complete Final Season (Repackage)

Ann Davis, Eve Plumb, Christopher Knight, Susan Olsen, Mike Lookinland, Barry Williams, Florence Henderson, Robert Reed, Maureen McCormick

Here's the story... and the final chapter of America's grooviest TV family, The Brady Bunch. And what a finale it is! Complete with Greg's musical stylings as rock star „Johnny Bravo“, a family jaunt to the King's Island theme park, a goat hidden in the attic, a better Driver's Test battle, Bobby the budding pool hustler, Cindy the shameless diary snooper, and Peter in an amazing look-alike case that causes double the trouble. But that's not all! Who can forget the debut of lovable Cousin Oliver (Robbie Rist), the newest member in the Brady fold? Here are the final 22 episodes - Season Five - in the story of Mike, Carol and their bunch they call Brady!

ABC, Classics, Comedy, Drama, Family, Television 553min.

The Brady Bunch: The Complete First Season (Repackage)

Ann Davis, Eve Plumb, Christopher Knight, Susan Olsen, Mike Lookinland, Barry Williams, Florence Henderson, Robert Reed, Maureen McCormick

Here's the story... of America's grooviest TV sitcom family! In this premiere season of one of America's best-loved comedy series, architect Mike Brady (Robert Reed) is a widower with three sons - Greg (Barry Williams), Peter (Christopher Knight) and Bobby (Mike Lookinland). He meets a similarly single parent, Carol Ann Tyler Martin (Florence Henderson), who has three daughters of her own: Marcia (Maureen McCormick), Jan (Eve Plumb) and Cindy (Susan Olsen). When Mike and Carol decide to marry, the combination of two parents, six kids, one dog (Tiger), and a feisty housekeeper (Ann B. Davis) leads to love, laughter - and a whole lot of chaos. It's the way they all became The Brady Bunch!

ABC, Classics, Comedy, Drama, Family, Television 652min.

The Brady Bunch: The Complete Fourth Season (Repackage)

Ann Davis, Eve Plumb, Christopher Knight, Susan Olsen, Mike Lookinland, Barry Williams, Florence Henderson, Robert Reed, Maureen McCormick

Here's the story... of America's grooviest TV sitcom family! It's the story of The Brady Bunch, and Season Four sets sail with a three-part Hawaiian adventure! Aloha... oh! The Bradys fall under the curse of an ancient Tiki idol during their tropical trip, with Don Ho and Vincent Price making guest appearances. Once safely back in suburbia, the Bradys find even more family escapades awaiting them, from the traumas of school crushes (and errant footballs) to revoked driving privileges and sibling rivalries. Join Carol and Mike Brady and their brood - Greg, Marcia, Peter, Jan, Bobby and Cindy (plus Alice too!) - for a „Sunshine Day“, every day, with all 23 episodes in Season Four of this rollicking, best-loved TV series. It's the story... of a bunch named Brady!

ABC, Classics, Comedy, Drama, Family, Television 581min.

The Brady Bunch: The Complete Second Season (Repackage)

Ann Davis, Eve Plumb, Christopher Knight, Susan Olsen, Mike Lookinland, Barry Williams, Florence Henderson, Robert Reed, Maureen McCormick

Here's the story... of America's grooviest TV sitcom family! It's the story of The Brady Bunch and in Season Two of this best-loved comedy series there are plenty of high hinks underfoot in split-level suburbia. Greg? He's got a far-out bachelor pad to impress all the chicks. Marcia? She's embracing Women's Lib. Peter? He's headed for the doghouse after breaking Carol's favorite vase. Jan? She's gone from „hair of gold“ to hair of black - via a brand-new wig. Bobby's pet parakeet may help him overcome his fear of heights, and Cindy's plagued by a schoolyard bully who's been making fun of her lisp. On the adult front, Mike's architectural firm plans to build right on top of a beloved neighborhood park; Carol tries her creative hand at writing for a women's magazine...and Alice the housekeeper has called the exterminator on „Myron“ - Greg's science project! There are 24 episodes in The Brady Bunch: The Complete Second Season... all featuring laughter, tears and Day-Glo colors. It's the way they all became The Brady Bunch!

ABC, Classics, Comedy, Drama, Family, Television 600min.

The Brady Bunch: The Complete Third Season (Repackage)

Ann Davis, Eve Plumb, Christopher Knight,

Neuankündigungen DVD & Blu-ray Disc USA

Susan Olsen, Mike Lookinland, Barry Williams, Florence Henderson, Robert Reed, Maureen McCormick

Here's the story... of America's grooviest TV sitcom family! It's Season Three of the wildly popular comedy series, which means there's a whole new season of hilarious adventures upstairs and down in the Brady home. Marcia's on the trail of Davy Jones of The Monkees; Jan is weary of the constant comparisons to her older sibling („Marcia, Marcia, Marcia!"); and Cindy just wants a boy to call her own. Across the hallway, Greg's new car is less than cool; Peter channels Humphrey Bogart (among others) while undergoing an image makeover; and little Bobby hates being just that - „little" - until he saves the day! From Mike and Carol's journey with the kids to the Grand Canyon to Alice's look-alike cousin who brusquely takes „command" of the Brady household, here are all 23 episodes of The Third Season of The Brady Bunch. It's enough to make you break out in song... that is, unless your voice is cracking!

ABC, Classics, Comedy, Drama, Family, Television 594min.

The Brittany Murphy Story (DVD + UltraViolet)

Amanda Fuller, Sherilyn Fenn - Dir. Joe Menendez

The Brittany Murphy Story tells the story of the talented young actress who became a breakout star with the support and determination of her mother, Sharon, in the 1980s and '90s. With high-profile roles in Clueless, 8 Mile, and Girl, Interrupted, Brittany achieved her Hollywood dream, but her desperation for approval and insecurity about her looks made her personal life a disaster. Though the men in Brittany's life would come and go, her mother remained the grounding force in her life. But that enduring maternal love wasn't enough to save Brittany from the dangers of Hollywood life. Four years later, as news reports swirl around the mystery of Brittany's untimely death amid her father's claims that she was poisoned, Sharon and Brittany are thrust into the limelight once more.

Calamity Jane (Blu-ray)

Allyn McLerie, Doris Day, Philip Carey, Howard Keel - Dir. David Butler

Doris Day and Howard Keel fuss, feud and fall in love as Calamity Jane and Wild Bill Hickok in this entertainment mother lode. At first curvaceous Calamity is too busy fighting Indians and cracking a bullwhip to pay mind to such girly what-alls as dresses and perfume. And Wild Bill is too busy wooing a dainty chanteuse (Allyn McLerie) to give a hoot about a hot-headed tomboy. But things change in a routin', tootin', big way when each becomes love's target. There are wide-open Technicolor Western spaces, lots of high-stepping dances and a hummable humdinger of a score by Academy Award-winning songwriters Sammy Fain and Paul Francis Webster, who took their first Oscar for the classic ballad (and '50s megahit) Secret Love.

Metastasio

A masked killer is wreaking havoc in a small village of the south of Italy. The police is clueless while the bloody track record of the heinous murderer gets scarier day by day. A blogger tries to understand what's really going on and starts to dig deep into the victims' lives. And while he's trying to solve the mystery of a slayer who kills following a pattern shaped on the sensuous notes of tango, some of the people close to him begin to die.

Foreign, Horror, International, Italian, Movies, Murder Mysteries, Mystery, Slasher, Thrillers 2010 100min.

Dallas: The Complete Third And Final Season

Julie Gonzalo, Jesse Metcalfe, Josh Henderson, Jordana Brewster, Linda Gray, Kuno Becker, Judith Light, Patrick Duffy, Marlene Forte, Brenda Strong, Larry Hagman, Emma Bell

Dallas: The Complete Third Season packs even more dramatic and emotional wallop than its predecessors when turmoil strikes Southfork. From every direction, scandal and treachery mean greater family divisions, along with tenuous alliances and diabolical double-crosses. John Ross (Josh Henderson) continues to prove he's J.R.'s son, becoming more cunning than his daddy ever was. He's determined to seize control of the Ewing empire, setting his sites on global energy domination - and he's not about to cut Christopher (Jesse Metcalfe) and Bobby (Patrick Duffy) in for their share. Meanwhile, as if Elena (Jordana Brewster) hasn't done enough damage to her relationship with Christopher, she returns to Southfork with her own devious agenda. Sue Ellen (Linda Gray) conspires to put the wedding plans for John Ross and Pamela (Julie Gonzalo) on ice when she uncovers the groom's affair with Emma (Emma Bell). It looks like the Ewing clan couldn't possibly survive any more malefactions or stunning surprises... But that doesn't mean there aren't more coming!

A Day Late And A Dollar Short / What Color Is Love?

Jennifer Finnigan, Anika Noni Rose, Roger Cross, Kimberly Elise, Mekhi Phifer, Ving Rhames, Whoopi Goldberg - Dir. Stephen Tolkin, Gary Harvey

*This double feature contains two star filled films. Based on Terry McMillan's best-selling novel. A Day Late And A Dollar Short Stars Academy Award, Golden Globe, Daytime Emmy, Grammy, and Tony Award winner Whoopi Goldberg as irascible matriarch Viola Price. When Viola learns that her next asthma attack is likely to kill her, she sets out to fix her fractured family before she sets foot anywhere near the grave. Proudly choosing to keep her health issues a secret, she contends with sibling rivalry, teen pregnancy, and prescription drug addiction - and that's just one of her four kids. There's also a jailbird son to teach how to be a better father, a granddaughter in big trouble, and an estranged husband to rescue from his scheming young girlfriend. What Color Is Love? Tells the story of Nicole, a beautiful young Caucasian woman and a sports groupie, who falls for Ty, a married African-American pro basketball star. The fantasy soon ends when her affair with the athlete results in an extraordinary court battle for custody of their mixed-race son. Inspired by a true story. Day Of The Mummy

Welcome to Egypt, land of the Pharaohs. A place steeped in history and legend: Gods and spiritual guides; untold wealth - and the bone-cracking, blood-spilling guardians of its riches. Jack Wells has arrived in Egypt in search of the famous diamond known as The Codex Stone. His journey leads him to the tomb of the cursed King Neferu, cursed not by name but by nature. With his centuries-old slumber disturbed by timeless human greed, the King rises from the dead with a blood-lust that cannot be quenched and a raging fury that will shred flesh from bone, bringing terrible and tormented death to all who dare witness the Day of the Mummy.

Dead Snow 2 Red Vs Dead

Orjan Gamst, Tommy Wirkola, Derek Mears, Kristoffer Joner, Martin Starr, Hallvard Holmen - Dir. Tommy Wirkola

Martin (Vegar Hoel) hasn't had the best vacation. He accidentally killed his girlfriend with an axe. He cut his own arm off with a chainsaw. And his friends STILL got devoured by a battalion of Nazi Zombies. This morning, he woke up in a hospital bed with a new arm - but it's a super-powered Zombie arm that wants to kill him, and anyone else it can reach. Martin's PISSED. And with the help of his new Zombie Squad pals (Martin Starr, Jocelyn DeBoer, Ingrid Haas), he's gonna deliver some payback to Colonel Herzog and his precious Nazi gold - by raising an undead army of his own.

The Definitive Document Of The Dead (Blu-ray + DVD Combo) (Blu-ray)

Richard Rubinstein, Roy Frumkes, Tom Savini, George A. Romero - Dir. Roy Frumkes

Roy Frumkes' celebration of horror director George A. Romero gets re-edited, updated and re-mastered! The Definitive Document Of The Dead is an all-new version of the classic „making of“ project based on 1978's Dawn Of The Dead! George A. Romero, director of the original Night Of The Living Dead, is one of the horror genre's most celebrated filmmakers. Roy Frumkes' amazing 1978 documentary Document Of The Dead was an intimate look at Romero's creative process, with an outstanding collection of interviews, effects demonstrations (courtesy of make-up artist, Tom Savini) and behind-the-scenes footage from the classic horror film, Dawn Of The Dead. This newly re-edited and re-mastered 2012 version of the award-winning documentary contains all-new exclusive material including additional interviews with Romero's family and friends, candid on-set footage from Two Evil Eyes, Land Of The Dead, Diary Of The Dead, Survival Of The Dead and many more surprises! The Definitive Document Of The Dead is a loving portrait of a horror legend, and a must-see for any hardcore horror fan! The release contains a DVD of the ne

The Devil's Hand (DVD + UltraViolet)

Jennifer Carpenter, Colm Meaney, Rufus Sewell - Dir. Christian E. Christiansen

Oscar-nominated director Christian E. Christiansen brings a spine-tingling story of satanic terror. In the small village of New Bethlehem, 6 girls are born on the 6th day of the 6th month, setting in motion an ancient prophecy - on their 18th birthday, one of the girls will become the devil's hand. As the day nears, the young women begin to disappear. Threatened by the town's religious leader (Colm Meaney), the remaining girl's father (Rufus Sewell) races to uncover the chilling truth.

Diner (Blu-ray)

Tim Daly, Paul Reiser, Michael Tucker, Ellen Barkin, Daniel Stern, Mickey Rourke, Kevin Bacon, Steve Guttenberg - Dir. Barry Levinson

Fries with gravy, a cherry cola. Friendship, bragging rights...and does Sinatra or Mathis croon the best makeout music? Before there was the counterculture of the '60s, there was the counter culture. From his Oscar-nominated script, Barry Levinson makes his directing debut with this endearing study of pals in transition. Film-debuting Ellen Barkin plays a neglected wife. Steve Guttenberg, Daniel Stern, Mickey Rourke, Kevin Bacon, Timothy Daly and Paul Reiser - chosen from over 600 hopefuls - play the up-all-night buddies who work out the remnants of adolescence during ritual grazings at a busy steel-and-vinyl hangout in 1959 Baltimore. Stars, laughs, interlocking stories: entertainment is the daily special in Diner.

Dolphin Tale 2 (DVD + UltraViolet)

Juliana Harkavy, Austin Stowell, Cozi Zuehlisdorff, Nathan Gamble, Tom Nowicki, Kris Kristofferson, Harry Connick Jr., Ashley Judd, Carlos Gomez, Morgan Freeman - Dir. Charles Martin Smith

It has been several years since young Sawyer Nelson and the dedicated team at the Clearwater Marine Hospital, headed by Dr. Clay Haskett, rescued Winter. With the help of Dr. Cameron McCarthy, who developed a unique prosthetic tail for the injured dolphin, they were able to save her life. Yet their fight is not over. Winter's surrogate mother, the very elderly dolphin Panama, has passed away, leaving Winter without the only poolmate she has ever known. However, the loss of Panama may have even greater repercussions for Winter, who, according to USDA regulations, cannot be housed alone, as dolphins' social behavior requires them to be paired with other dolphins. Time is running out to find a companion for her before the team at Clearwater loses their beloved Winter to another aquarium.

Girls: The Complete First Season (Repackage) (Blu-ray)

Jemma Kirke, Allison Williams, Adam Driver, Lena Dunham, Zosia Mamet

From writer/director/actor Lena Dunham and comedy veterans Judd Apatow and Jenni Konner, this scripted half-hour series focuses on a group of women in their early twenties in New York and their adventures in post-collegiate floundering. Two years out of liberal arts school, Hannah (Dunham) believes she has the talent to be a successful writer, though she has yet to complete her memoir - she has to live it first. But when her parents cut her off financially without warning, her New

York life becomes a series of humiliating challenges. Further complicating things for Hannah is her unrequited passion for eccentric actor/woodworker Adam, with whom she occasionally has sex, at least when he can be bothered to respond to her text messages. As the harsh reality of rent and bills looms, Hannah leans on her very put-together best friend and roommate Marrie, who has a real job at an art gallery and an even realer boyfriend, neither of which she can admit she might not love. Meanwhile, their gorgeous British friend Jessa, who has travelled to as many different countries as she's had „lovers,“ appears in the city a

The Good Lie (Blu-ray + DVD + Digital HD+ UltraViolet) (Blu-ray)

Reese Witherspoon, Sarah Baker - Dir. Philippe Falardeau

They were known simply as „The Lost Boys.“ Orphaned by the brutal Civil war in Sudan that began in 1983, these young victims traveled as many as a thousand miles on foot in search of safety. Fifteen years later, a humanitarian effort would bring 3600 lost boys and girls to America. In The Good Lie, Philippe Falardeau, (writer and director of the Oscar-nominated Foreign Language film „Monsieur Lazhar“) brings the story of their survival and triumph to life. Academy Award winner Reese Witherspoon (Walk the Line) stars alongside Sudanese actors Arnold Oceng, Ger Duany, Emmanuel Jal, and newcomer Nyakutho Weil, many of whom were also children of war. Mamere and Theo are sons of the Chief in their village in Southern Sudan. When an attack by the Northern militia destroys their home and kills their parents, eldest son Theo is forced to assume the role of Chief and lead a group of young survivors, including his sister Abital, away from harm. But the hostile, treacherous terrain has other dangers in store for them. As the tattered group makes the difficult trek to Kakuma refugee camp in Kenya, they meet other

Gabriel Macht, Michael Gambon, Billy Crudup, Matt Damon, Keir Dullea, Angelina Jolie, Timothy Hutton, William Hurt, John Turturro, Alec Baldwin, Joe Pesci, Martina Gedeck, Tammy Blanchard, Robert De Niro, Lee Pace, Mark Ivanir, John Sessions, Eddie Redmayne, Oleg Stefan - Dir. Robert De Niro

Matt Damon, Angelina Jolie and Robert De Niro star in The Good Shepherd, a powerful thriller about the birth of the CIA. Edward Wilson (Damon) believes in America, and will sacrifice everything he loves to protect it. As one of the covert founders of the CIA, Edward's youthful idealism is slowly eroded by his growing suspicion of the people around him. Everybody has secrets... but will Edward's destroy him? With an all-star cast including Alec Baldwin, Billy Crudup, William Hurt, Timothy Hutton and John Turturro, it is the gripping story Newsweek hails as „spellbinding.“

Gravity: Diamond Luxe Edition (Blu-ray)

George Clooney, Ed Harris - Dir. Alfonso Cuaron

Gravity, directed by Oscar nominee Alfonso Cuaron, stars Oscar winners Sandra Bullock and George Clooney in a heart-pounding thriller that pulls you into the infinite and unforgiving realm of deep space. Bullock plays Dr. Ryan Stone, a brilliant medical engineer on her first shuttle mission, with veteran astronaut Matt Kowalsky (Clooney). But on a seemingly routine spacewalk, disaster strikes. The shuttle is destroyed, leaving Stone and Kowalsky completely alone.

The Grey (Blu-ray + UltraViolet) (Blu-ray)

James Badge Dale, Nonso Anozie, Frank Grillo, Dallas Roberts, Dermot Mulroney, Joe Anderson, Liam Neeson - Dir. Joe Carnahan

Liam Neeson (Schindler's List, Taken) stars as the unlikely hero Ottway in this undeniably suspenseful and powerful survival adventure. After their plane crashes into the remote Alaskan wilderness, a roughneck group of oil drillers is forced to find a way back to civilization. As Ottway leads the injured survivors through the brutal snow and ice, they are relentlessly tracked by a vicious pack of rogue wolves that will do anything to defend their territory. Adrenaline-fueled, action-packed and loaded with some of the most intense and brutally realistic attack scenes ever filmed, The Grey is being hailed as „a thriller you can sink your teeth into!“ (The Washington Post)

Grumpy Cat's Worst Christmas Ever

Megan Charpentier, Aubrey Plaza, Russell Peters, Daniel Roebuck

In this feline sensation's first movie, Grumpy Cat's Worst Christmas Ever, lonely Grumpy Cat (voiced by Aubrey Plaza) lives in a mall pet shop where she never gets chosen by customers. Because she always gets passed over, this kitty develops a very sour outlook on life until...one day during the holidays, a very special 12-year-old girl named Chyrstal enters the pet store and falls in love with Grumpy. The two form a special friendship when Chyrstal discovers she is the only person who can hear this feline talk. Will Grumpy Cat finally learn the true meaning of Christmas, or will it be, in Grumpy's words, the „Worst. Christmas. Ever.“?

House Of Versace / Amanda

Knox: Murder On Trial In Italy

Hayden Panettiere, Marcia Gay Harden,
Raquel Welch, Gina Gershon

This double feature includes two films based on two real stories that made international headlines. House Of Versace This the story of fashion icon Donatella Versace and her triumph over tragedy following the death of her brother, Gianni Versace (Enrico Colantoni). Based on Wall Street Journal reporter Deborah Ball's widely read book House Of Versace: The Untold Story Of Genius, Murder, And Survival, the movie follows Donatella (Gina Gershon) as she is suddenly thrust into the spotlight as head designer of her brother's fashion empire. Amanda Knox: Murder On Trial In Italy Starring Hayden Panettiere (Heroes) and Marcia Gay Harden (Academy Award winner for Pollock) based on the international headline-grabbing story of the now infamous American exchange student accused by Italian authorities of brutally killing her roommate. Amanda Knox: Murder On Trial In Italy poses the question of whether Knox (Panettiere), the Seattle honors student accused of murdering her college roommate Meredith Kercher (Amanda Fernando Stevens) in 2007 with her boyfriend Raffaele Sollecito (Paolo Romio) and acquaintance Rudy Gu

Lola's Love Shack

It looks like a long, hot summer for high-schoolers Beetle, Joker and Sharky as the three friends embark on a quest to become men. After blowing it with local hottie Felicia, the three search for the mythical underground brothel shrouded in myth and secrecy, Lola's Love Shack. Follow these three through a series of madcap adventures on the streets of their barrio, but it's going to take a lot of guts, money and some fake ID's because Lola's Love Shack is their last stop for losing it.

Looking: The Complete First Season

Frankie J. Alvarez, Murray Bartlett, Jonathan Groff
This new HBO comedy series revolves around three thirty-something friends living in San Francisco, who explore the exciting, sometimes overwhelming, options available to a new generation of gay men. Friendship may bind them, but each is at a markedly different point in his journey: Patrick (Jonathan Groff - Spring Awakening) is a 29-year-old video game designer returning to the dating world in the wake of his ex's engagement; aspiring artist Agustín (Frankie J. Alvarez - Smash), 31, questions the idea of monogamy amid a move to domesticate with his boyfriend; and the group's oldest member, longtime waiter Dom (Murray Bartlett), 39, is facing middle age with dreams still unfulfilled. The trio's stories intertwine dramatically as they search for happiness and intimacy in an unparalleled era for gay men. A key aspect of the Looking mix is the progressive, unpredictable, sexually open culture of the Bay Area, with San Francisco serving as a back drop for the group's lives.

Love & Basketball (Blu-ray)

Regina Hall, Alfre Woodard, Dennis Haysbert, Chris Warren Jr., Debbi Morgan, Kyla Pratt, Harry Lennix, Sanaa Lathan, Omar Epps
In 1981 in L.A., Monica moves in next door to Quincy. They're 11, and both want to play in the NBA, just like Quincy's dad. Their love-hate relationship lasts into high school, with Monica's edge and Quincy's top-dog attitude separating them, except when Quincy's parents argue and he climbs through Monica's window to sleep on the floor. As high school ends, they come together as a couple, but within a year, with both of them playing ball at USC, Quincy's relationship with his father takes an ugly turn, and it leads to a break up with Monica. Some years later, their pro careers at a crossroads, they meet again. It's time for a final game of one-on-one with high stakes.

Love Is Strange

Cheyenne Jackson, Charlie Tahan, Christina Kirk, Harriet Harris, Darren Burrows, Manny Perez, John Cullum, Marisa Tomei, John Lithgow, Alfred Molina - Dir. Ira Sachs
After nearly four decades together, Ben (John Lithgow) and George (Alfred Molina) finally tie the knot. But when George loses his job, the couple must sell their apartment and temporarily live apart until they can find an affordable new home. George moves in with two friends (Cheyenne Jackson and Manny Perez) while Ben ends up across town with his nephew (Darren Burrows), his wife (Marisa Tomei) and their teenage son with whom Ben shares a bunk bed. While struggling with the pain of separation, Ben and George are further challenged by the intergenerational tensions and capricious family dynamics of their new living arrangements. Love Is Strange depicts the delicate nature of two people building a long life together and their love growing deeper and richer with time.

Lust For Life (Blu-ray)

Madge Kennedy, Jill Bennett, Pamela Brown, Everett Sloane, Henry Daniell, Niall MacGinnis, Lionel Jeffries, James Donald, Laurence Naismith, Kirk Douglas, Anthony Quinn, Noel Purcell, Eric Pohlmann - Dir. George Cukor, Vincente Minnelli

Vibrant orange sunflowers. Rippling yellow grain. Trees bursting with white bloom. „The pictures come to me as in a

dream.“ Vincent Van Gogh said. A dream that too often turned to life-shattering nightmare. Winner of Golden Globe and New York Film Critics Best Actor Awards, Kirk Douglas gives a fierce portrayal as the artist torn between the joyous inspiration of his genius and the dark desperation of his tormented mind. The obsessed Van Gogh painted the way other men breathe, driving away family and friends, including artist Paul Gauguin (1956 Best Supporting Actor Academy Award winner Anthony Quinn). Directed by Vincente Minnelli and saturated with the hues of Van Gogh's sea, field and sky, Lust for Life captures the ecstasy of art. And the agony of one man's life.

Mork & Mindy: The Complete Series

Robin Williams, Pam Dawber, Conrad Janis
Get ready to laugh with Mork & Mindy, the insanely popular Happy Days spin-off that crash-landed onto television in 1978. Fans went wild for this wacky, off-the-wall sitcom featuring a misfit alien who departs from the faraway planet of Ork to come study „crazy“ earthling customs. After touching down near Boulder, Colorado, Mork encounters the beautiful college student Mindy (Pam Dawber). The two strike up a charming and entertaining friendship that is full of good times and unexpected surprises. Revisit the hilarious sitcom that launched Robin Williams' career into warp drive with this four season, 15-disc collection. Included are 95 episodes filled with riotous humor that transcend the boundaries of time and space. Experience all the unearthly delights and comic genius in this complete series collection.

Mother's Milk

Casey Chapman - Dir. Edward Pionke

Claude is an easily overlooked statistics professor. After a childhood trauma left him motherless, he formed a dysfunctional craving. To satisfy the depraved hunger, he kidnaps Kim from the park and holds her captive in his basement. As the days pass and Claudes truths are revealed, her fear slowly turns to comfort and compassion... or does it?

My Big Fat Greek Wedding (Blu-ray + UltraViolet) (Blu-ray)

Nia Vardalos, John Corbett, Lainie Kazan,

Louis Mandylor, Andrea Martin, Michael

Constantine - Dir. Joel Zwick

Toula is 30. And unmarried. Which means as a nice Greek girl - she's a failure. All her cousins did the right thing - married Greek boys and made Greek babies. So everyone worries: what will become of Toula? Then one day she sees the ultimate unattainable guy and realizes the only way her life will get better is if she gets away from her big, fat Greek family. Toula escapes from the family restaurant. She exchanges her seating hostess jacket for a college diploma, convinces her aunt to give her a new job, and trades in her coke-bottle glasses for contact lenses, just in time for „him“ to walk back into her life. Ian Miller is tall, handsome but definitely not Greek. Their courtship is an Olympian culture clash. Can Ian handle Toula, her parents, her aunts, uncles, cousins and several centuries of Greek heritage? Will Toula discover the love she's been missing right in the heart of her

Not For Human Consumption

Being released from prison after serving a stretch for shooting a drug dealer, all Jay Trotta wants to do is live a clean life. He soon has a business opportunity that sounds to good to be true - making, marketing and selling „incense“ that is actually a powerful, legal form of Marijuana. When he ropes in his best friend Marty they come up with the hook of making it legal by labeling it „Not For Human Consumption“. But now they must deal with not just the law trying to find out how to stop them, but with the competition now moving in... desperate, they concoct a half-baked plan to rob a Medical Marijuana club. Little do they know this club is secretly owned by the crack kingpin - Shank who unleashes the feared contract killers - „The Four Horseman“ to kill them. Their

pursuit sends a wave of violence across Oakland killing Clowns, Hippies, Ninjas, and just about anyone in the way!

Nymphomaniac: Extended Director's Cut - Volume 1 & 2

Stacy Martin, Shia LaBeouf, Jamie Bell, Connie Nielsen, Charlotte Gainsbourg, Stellan Skarsgard, Udo Kier, Willem Dafoe, Uma Thurman, Christian Slater - Dir. Lars Von Trier
Forget about love Nymphomaniac: Volume 1 is the story of Joe (Charlotte Gainsbourg), a self-diagnosed nymphomaniac who is discovered badly beaten in an alley by an older bachelor, Seligman (Stellan Skarsgard), who takes her into his home. As he tends to her wounds, she recounts the erotic story of her adolescence and young-adulthood (portrayed in flashback by newcomer Stacy Martin). Volume I also stars Shia LaBeouf, Christian Slater, Uma Thurman, Sophie Kennedy Clark, Connie Nielsen and Udo Kier. Nymphomaniac: Volume 2 continues with the story of the self-diagnosed nymphomaniac Joe (Charlotte Gainsbourg) and her adulthood, during which her journey of self-discovery leads complications. The film stars Jamie Bell, Willem Dafoe, Mia Goth and Jean-Marc Barr in addition to Stellan Skarsgard, Stacy Martin and Shia LaBeouf.

Pride is inspired by an extraordinary true story. It's the summer of 1984, Margaret Thatcher is in power and the National Union of Mineworkers is on strike, prompting a London-based group of gay and lesbian activists to raise money to support the strikers' families. Initially rebuffed by the Union, the group identifies a tiny mining village in Wales and sets off to make their donation in person. As the strike drags on, the two groups discover that standing together makes for the strongest union of all...

Que Bonito Amor (Beautiful Love)

Roger Newcomb, Rafael Negrete, Danna Garcia, Arturo Peniche, Angelica Maria
Que Bonito Amor! es la historia de un amor como no hay otro igual, enmarcado por las mas entranables tradiciones mexicanas, y especialmente: la music del Mariachi. Santos Martinez de la Garza (Jorge Salinas), un joven apuesto y despreocupado millonario, es enganado por sus socios mas cercanos, por lo que se ve en la necesidad de huir de Los Angeles hacia la Ciudad de Mexico. Esta situacion lo obliga a adquirir una nueva personalidad, la de un Mariachi llamado Jorge Alfredo Vargas. Gracias a eso conoce a Maria Mendoza (Danna Garcia), muchacha humilde de barrio, hermosa y valiente, y con la que tendra una historia de amor con muchas tonadas, acordes y fuerzas en contra.

Ring Of Fire / Love Notes

This double feature contains two love stories in a country music setting! Ring Of Fire Ring Of Fire will take us inside that volatile relationship, as seen through the eyes of their son, John, as well as profiling the woman who patiently supported one of country music's biggest stars even as she found her own idiosyncratic path to stardom. A born performer, she was part of country music's royal family, the Carter Family, whose music was heard all over America. Later, she and Cash performed together onstage together and lived the high life, maintaining their lifelong bond and a semblance of a home life for their son, through good times and bad, largely due to the strength and perseverance of June's great love. Love Notes When a classical music critic (Laura Leighton) becomes pregnant from a brief encounter with a country music star, it seems the perfect way for her best friend, who has struggled with all manner of fertility attempts, to have a baby. But when her friend's husband leaves her late in pregnancy, she must track down the country star to get his acknowledgement and signature so as to secure a

Shameless: The Complete Fourth Season

The more things change, the more the Gallaghers stay the same. Whether it's employment, education, or healthcare, the Gallaghers have issues! Season Four of Shameless finds the Gallaghers braving another brutal Chicago winter and waiting on the medical fate of their flawed and permanently pickled patriarch Frank (William H. Macy). With oldest daughter Fiona (Emmy Rossum) in a stable job and relationship, and newly graduated Lip (Jeremy Allen White) enrolled in college, it seems like the Gallaghers might finally have a shot at happiness and realize the middle class American dream. But with Ian still missing, Debbie and Carl dealing with their adolescent hormones, and neighbors Kev and Veronica pregnant with multiple babies, moving up isn't so easy when you're down and out. The Gallagher life... it ain't no tea party!
 Comedy, Drama, Dysfunctional Families, Gay / Lesbian Interest, Showtime, Substance Abuse, Television 312min.

The Trip To Bountiful / Betty & Coretta

Mary J. Blige, Blair Underwood, Angela Bassett, Vanessa Williams

This Double Feature contains two incredible and inspiring stories with strong female leads. The Trip To Bountiful Carrie Watts (Cicely Tyson) begrudgingly lives with her busy, overprotective son, Ludie, and pretentious daughter-in-law, Jessie Mae. No longer able to drive and forbidden to travel alone, she wishes for freedom from the confines of the house and begs her son to take her on a visit to her hometown of Bountiful. Vanessa Williams and Blair Underwood also star in this television adaptation of American playwright and screenwriter Horton Foote's Tony-nominated play. Betty & Coretta Two extraordinary women - Coretta Scott King, wife of Martin Luther King, Jr., and Dr. Betty Shabazz, wife of Malcolm X - come to life in Betty & Coretta. After their husbands' tragic assassinations, they developed a unique friendship spanning three decades as they carried on the Civil Rights movement while supporting their families as single mothers. Through their strength and dignity, they became role models for millions of women.

Double Features, Drama, girl power, Independent Women, Movies, Play-To-Film, TV Movies 180min.

The Trip To Italy

Claire Keelan, Ronni Ancona, Rob Brydon, Rosie Fellner, Steve Coogan - Dir. Michael Winterbottom

Michael Winterbottom's largely improvised 2010 film, The Trip, took comedians Steve Coogan and Rob Brydon-or semifictionalized versions thereof-on a restaurant tour around northern England. In this witty and incisive follow-up, Winterbottom reunites the pair for a new culinary road trip, retracing the steps of the Romantic poets' grand tour of Italy and indulging in some sparkling banter and impersonation-offs. Rewetting our palates from the earlier film, the characters enjoy mouthwatering meals in gorgeous settings from Liguria to Capri while riffing on subjects as varied as Batman's vocal register, the artistic merits of „Jagged Little Pill,“ and, of course, the virtue of sequels.

Two-Bit Waltz

In the wonderfully dysfunctional tradition of The Royal Tenenbaums, teenage years are always messy... but for Maude, things couldn't seem more tragic. Within one week just prior to her 18th birthday, she is suspended from school, stranded by her best friend, dumped by the boy she „loves,“ and Granny just died leaving her an enormous amount of money under one condition: Maude must go to college which she does not want to do and her wildly eccentric family is no help at all. Of course... It's a comedy!

Tyrant: The Complete First Season

Noah Silver, Mehdi Dehbi, Moran Atias, Jennifer Finnigan, Fares Fares, Ashraf Barhom, Adam Rayner, Justin Kirk, Salim Dau, Alice Krige

This addictive and shockingly intense drama explores the turbulent Middle East like no series in TV history. „Barry“ Al-Fayeed, the son of a war-torn country's controversial dictator, returns to his homeland after a self-imposed exile in the U.S. But the lives of Barry and his American family are suddenly upended when Barry's volatile brother, Jamal, ascends to the throne. Barry's western views are pitted against Jamal's wife, Leila, who wants her husband to rule with an iron fist. As a national political crisis threatens to explode, Barry finds himself torn between the seductive lure of absolute power and sympathy for his country's courageous freedom fighters.

May Britt, Milly Vitale, Wilfrid Lawson, Helmut Dantine, Anita Ekberg, Mel Ferrer, Vittorio Gassman, Barry Jones, Herbert Lom, Henry Fonda, Audrey Hepburn, Tullio Carminati, Oskar Homolka - Dir. King Vidor
By 1812, Napoleon's forces controlled much of Europe. Russia, one of the few countries still unconquered, prepares to face Napoleon's troops together with Austria. Among the Russian soldiers are Count Nicholas Rostov and Prince Andrei Bolkonsky. Count Pierre Bezukhov, a friend of Andrei's and self-styled intellectual who is not interested in fighting. Pierre's life changes when his father dies, leaving him a vast inheritance. He is attracted to Natasha Rostov, Nicholas's sister, but she is too young, so he gives in to baser desires and marries the shallow, manipulative Princess Helene. The marriage ends when Pierre discovers his wife's true nature. Andrei is captured and later released by the French, and returns home only to watch his wife die in childbirth. Months later, Pierre and Andrei meet again. Andrei sees Natasha and falls in love, but his father will only permit the marriage if they postpone it for one year until Natasha turns 17. While Andrei is away on a military mission, Natasha is drawn to Anatole Kuragin, a womanizer. Pierre saves Natasha by telling her of Anatole's past before she can elope.

What If

Mackenzie Davis, Adam Driver, Oona Chaplin, Zoe Kazan, Rafe Spall, Megan Park, Daniel Radcliffe - Dir. Michael Dowse

What if is the story of medical school dropout Wallace (Daniel Radcliffe), who's been repeatedly burned by bad relationships. So while everyone around him, including his roommate Allan (Adam Driver) seems to be finding the perfect partner (Mackenzie Davis), Wallace decides to put his love life on hold. It is then that he meets Chantry (Zoe Kazan) an animator who lives with her longtime boyfriend Ben (Rafe Spall). Wallace and Chantry form an instant connection, striking up a close friendship. Still, there is no denying the chemistry between them, leading the pair to wonder, what if the love of your life is actually your best friend? The ensemble romantic comedy costars Megan Park and Oona Chaplin.

When The Game Stands Tall (Blu-ray + DVD + UltraViolet) (Blu-ray)

Stephan James, Alexander Ludwig, Jim Caviezel, Michael Chiklis, Laura Dern, Clancy Brown - Dir. Thomas Carter

Inspired by the true story, Jim Caviezel (*The Passion of the Christ*) plays high school football coach Bob Ladouceur during the season that changed everything. As coach of the Spartans Football Team, Bob always tells his players that winning doesn't matter. Yet somehow, with the aid of assistant coach Terry Eidson (Michael Chiklis, TV's *The Shield*), he's led the team to a record-breaking 151 straight victories. When his wife Bev (Laura Dern, *Jurassic Park*) urges him to refocus on his family, Bob is blinded by the pressure to keep the streak alive. Now, in the midst of a season of crisis and tragedy when the Spartans stand to lose everything, a remarkable young player (Alexander Ludwig, *The Hunger Games*) helps Bob rediscover that teamwork outshines personal glory.

Les Blank: Always For Pleasure: The Criterion Collection

An uncompromisingly independent filmmaker, Les Blank made documentaries for nearly fifty years, elegantly disappearing with his camera into cultural spots rarely seen on-screen - mostly on the peripheries of the United States, but also occasionally abroad. Seemingly off-the-cuff yet poetically constructed, these films are humane, sometimes wry, always engaging tributes to music, food, and all sorts of regionally specific delights. This collector's set provides a diverse survey of Blank's vast output, including fourteen of his best-known works and eight related short films.

Breaking Amish: Season Two

When a young group of Amish and Mennonites risk it all to experience life outside of their simple farm community, they discover a world more shocking and difficult than they had ever expected. Season 2 of Breaking Amish follows the group to Florida as they reunite in hopes of making a fresh start. There, Abe is able to pursue his dream of bull riding, and a Miami modeling gig comes calling for Kate. But wave after wave of culture shock, unforeseen challenges, and unexpected discoveries make their new life anything but easy. And with their old life haunting them wherever they go, they wonder if they'll ever be able to create the lives they've always dreamed of. This 2-disc, 10-episode set chronicles it all including the explosive, post-season, two-part reunion special.

Carb Loaded: A Culture Dying To Eat

Carb-Loaded: A Culture Dying to Eat chronicles what director Lathe Poland learned after he was diagnosed with Type 2 diabetes. He sought to find out why he got sick, because he didn't fit the classic picture of an adult onset diabetes sufferer. He quickly learned that much of what he knew about healthy eating was based on myths or fifty-year-old science. In the film, he searches out why America's modern food culture is killing us. The upside? There is a lot that can be done!

The Dog (Blu-ray)

John Wojtowicz - Dir. Frank Keraudren, Allison Berg
Coming of age in the 1960s, John Wojtowicz took pride in being a pervert. His libido was excessive even by the libertine standards of the era, with multiple wives and lovers, both women and men. In August 1972, he attempted to rob a

Brooklyn bank to finance his lover's sex-reassignment surgery. The attempted heist resulted in a fourteen-hour hostage situation that was broadcast on TV. Three years later, Pacino portrayed his character instigating the unforgettable crime on the big screen. The award-winning film had a profound influence on Wojtowicz; when he emerged from prison six years later, he became known as 'The Dog.' Filmed over the course of a ten year period by co-directors Allison Berg and Frank Keraudren, and interweaving extraordinary archival footage on the robbery. '70s-era interviews and the early gay liberation movement in which „The Dog“ played a active role, the documentary captures the many sides of John Wojtowicz's larger-than-life persona: he is by turns lover, husband, soldier, activist, New Yorker, mama's boy and bank robber.

Extreme Maneater Collection

Almost three hours of frightening footage captures the most extreme cases of Animal Planet's Maneaters. Beginning in South Florida, authorities attempt to control a new invasive species, the African Rock Python, known to attack and kill humans both as pets and in the wild. The search then widens for the Burmese python, another pet whose population is increasing throughout America. As the population spreads, the snake grows larger as does its prey. Then investigators venture to the deep dark of the sea where a kraken-like monster attacks boats, invades beaches, and rips apart victims with bone-chilling efficiency. And half a world away, a hunt ensues for a man-eating crocodile terrorizing a town that depends on its water to live but not everyone will make it back alive. These four full episodes chronicle the fight against these ferocious man-eaters. But can they stop the spread before it's too late?

Gator Boys: Season Three

It takes some serious skill, extensive experience, and death-defying tactics to be a Gator Boy. But for Paul Bedard and Jimmy Riffle, risking their lives to wrangle gators out of harm's way is just another day at the office. Season 3 sees Gator Boys Alligator Rescue moving on up to Mississippi, where the waters are murkier and the gators have a major advantage in the fight. But that won't stop Paul, Jimmy, and the team from jumping in and pulling those gators to safer waters. These nine adrenaline-packed episodes follow the thrilling adventures of the Gator Boys as they rescue gators, capture venomous snakes, and even lead the search for legendary creatures like a 15-foot alligator and a mythical half-man, half gator rumored to roam the Mississippi swamps.

Liemba

The MV Liemba is many things: a physical relic of European

colonialism; a vital lifeline of trade for otherwise isolated communities; a meeting place where Africans from all walks of life come together - a floating microcosm of the continent and the primary means of travel. For nearly a century, the ship has served as a critical avenue of commerce for soldiers, missionaries, traders and immigrants on Lake Tanganyika - the geographical link between east, central and southern Africa. Featuring an entirely original, locally recorded soundtrack, this documentary brings the MV Liemba's colorful history to life and celebrates her role in Africa. Through compelling passenger narratives and breathtaking footage from Academy Award winner TJ Martin this documentary takes audience on a present day journey through the heart of Africa on the oldest operational passenger ship in the world. Documentary, Special Interest 2010 min.

Richard Pryor: Icon

Richard Pryor: Icon explores how Pryor transformed from a straight-laced comedian to one of the most controversial and thought-provoking acts of his time. Sex, drugs, race nothing was off-limits to Pryor. By changing his routine, Pryor changed comedy forever. He opened the door for other comedians to inject social commentary and other once-verboten topics into their humor. From his troubled upbringing in the slums of Peoria, Illinois to his brave battle against multiple sclerosis, examine the roller-coaster life and times of this comedic trailblazer. Though he was one of the most successful and influential entertainers of his generation, Pryor also wrestled with drug addiction and the lingering effects of being raised in a brothel by abusive parents. Featuring interviews with close personal friends and comedians he influenced, including Tracy Morgan and George Lopez, this film defines Richard Pryor's lasting impact on comedy and culture, often in his own words, showing us why he is an American icon.

Robin Williams Remembered: A Pioneers Of Television Special

Robin Williams, Louie Anderson, Pam Dawber, Pauly Shore, Henry Winkler, Jimmie Walker, Rick Overton, Penny Mars-hall, Paul Rodriguez, Jonathan Winters, Whoopi Goldberg, Blake Clark, George Schlatter

This one-hour special features highlights from Robin Williams' last full-length television interview, tributes from those who knew and worked with him closely, and clips from iconic moments throughout his career. Williams shares stories about his first stand-up act, his desire to be a serious dramatic actor, and his efforts to entertain U.S. troops overseas. The program also includes an exclusive interview from Williams' former Mork & Mindy co-star Pam Dawber. Dawber was the actor who worked most closely with Robin Williams, and for the longest stretch - more than four years. Other celebrities and friends of the late actor interviewed include director Penny Marshall (Awakenings); actors Jonathan Winters (Mork & Mindy), Henry Winkler (Happy Days), and Yakov Smirnoff (Moscow on the Hudson); comedians Whoopi Goldberg, Jimmie Walker, Louie Anderson, Paul Rodriguez, Rick Overton, Blake Clark, and Pauly Shore; and comedy producer George Schlatter.

Sand Wars

Sand Wars - An investigation into one of the most consumed natural resources on the planet. Sand Wars is a surprising investigation into one of the most consumed natural resources on the planet. Triggered by a demand for expansive

construction, the planet's reserves are being threatened. Three-quarters of the world's beaches are in decline and bound to disappear as victims of erosion or „sand mafias“, groups who plunder beaches and rivers for this highly prized commodity. Sand has quietly infiltrated every corner of our world. Melted and transformed into glass, it sits on every shelf. It is also the source of silicon dioxide, a mineral found in an astounding variety of products we use on a daily basis. Houses, skyscrapers, bridges, airports, and sidewalks are all partially comprised of sand. It is an elementary particle that is the foundation of our modern development. But is this omnipresent material inexhaustible? What will be the consequences of sand extraction on the environment and life on the planet? Sand Wars will take us around the world to witness this new gold rush firsthand.

Supermensch: The Legend Of Shep Gordon

In his directorial debut, Mike Myers (Austin Powers, Wayne's World) steps behind the camera to document the astounding career of friend and Hollywood insider - Shep Gordon. He isn't a household name, but Gordon became a beacon in the entertainment industry after a chance run-in with Jimi Hendrix and Janis Joplin launched his career in 1968. Since then, he has managed an endless list of talent, including Alice Cooper, Blondie, Luther Vandross, Teddy Pendergrass, Groucho Marx, and Raquel Welch. His management of Emeril Lagasse was the driving force behind the Celebrity Chef, concept that turned the culinary arts into the multi-billion dollar industry it is today. Capitalist, protector, hedonist, pioneer, showman, shaman . . . Shep, or Supermensch, is beloved by the countless stars he's encountered. Now, Gordon's fascinating story is told by those who know him best, his pals including Michael Douglas, Sylvester Stallone, Anne Murray, Willie Nelson, and more.

Swamp People: Season Five

History's Swamp People returns in Season 5 to wade past the Cypress trees into the bayous of Louisiana in hot pursuit of the biggest and baddest bounty of alligators they can claim. The courageous teams come face to face with cannibal gators, potential poachers, and „cursed“ zones while pushing their limits and keeping their eyes on the prize - their families and livelihood depend on it. The quest heats up when hunters stretch to the „Outer Limits“ of their charted territory to catch rogue gators and attract the competitors' potential game. Electrical storms, clogged canals, and cattle country can't stop 'em in „Beasts or Bust.“ In „Swamp Ambush,“ one team takes on a menacing reptile at a state park, while another tackles a marsh monster threatening kids at camp in „Devil at the Door.“ Tension, testosterone, and terrorizing gators add to the edge-of-your-seat action. Time is ticking in this life-threatening race to tag the prime target, bag the kill, and bring home the bacon.

Take Back Your Power

Utilities around the world are racing to install „smart“ utility meters, which are emerging as anything but smart. Josh del Sol's award-winning documentary *Take Back Your Power* uncovers shocking evidence of in-home privacy invasions, increased utility bills, health risks such as cancer, environmental harm, fires, and unprecedented hacking vulnerability, while lighting the path toward solutions. Through compelling insight from whistleblowers, researchers, government agents, lawyers, doctors, and environmentalists, learn why hundreds of local governments are challenging the rollout of this technology. What you'll discover will surprise, unsettle, and ultimately empower you.

We Could Be King

Facing drastic budget cuts, the Philadelphia School District did the unthinkable. It shuttered Germantown High School and sent its students to archrival Martin Luther King, leaving a first-time head coach and a new principal to unite bitter adversaries. An intimate and unflinching snapshot of urban America's education crisis, *We Could Be King* is a celebration of the power of sports to bring young people, neighborhoods and a city together.
