DIGITAL EDITION

Nr. 347 - März 2015

editorial

Hallo Laserdisc- und DVD-Fans, liebe Filmfreunde!

Noch kaum ein Kino hierzulande ist damit ausgerüstet und schon sind die ersten Blu-ray Discs mit Dolbys neuestem Tonsystem verfügbar. Die Rede ist von Dolby Atmos, jenem Tonsystem, mit dem es endlich möglich ist, Punktschallquellen frei im Raum zu platzieren und diese akustisch dreidimensional durch den Zuschauerraum zu bewegen. Wer es schon selbst in einem der wenigen Kinos gehört hat,

weiß wovon wir sprechen. Grund genug für uns einmal genauer hinzuschauen. Da trifft es sich gut, dass die Filmakademie Baden-Württemberg nur einen Katzensprung von unserem Standort in Korntal entfernt liegt. Denn genau dort wurde in der hauseigenen Filmtontonmischung erst jüngst ein Dolby Atmos Tonsystem integriert, damit die Studenten ihre eigenen Filme im revolutionären neuen Tonformat abmischen können. Einen kleinen Vorgeschmack darauf bekamen wir im Januar zu hören, als uns die ersten beiden Diplomfilme

mit Dolby Atmos Tonspur präsentiert wurden. Wir nutzten die Gelegenheit, nicht nur mit Sound-Designerin Nami Strack, Regisseur Sascha Geddert sowie Mischtonmeister Florian Dittrich zu sprechen, sondern ließen uns auch vor Ort im Mischstudio der Filmakademie in Ludwigsburg die neue Technik erläutern. Entstanden ist dabei ein etwa halbstündiges Video, das wir in unseren Youtube-Kanal hochgeladen haben. Schauen (oder besser: hören) Sie mal rein.

Ihr Laser Hotline Team

Von links nach rechts: Filmmischtonmeister Florian Dittrich (Filmakademie Baden-Württemberg), Sound Designerin Nami Strack („Globosome“ & „Wrapped“) und Regisseur Sascha Geddert („Globosome“)

The Mystery of the Four Sherlocks

Es begann 2009. Ein gewisser Detektiv schlich sich in die Kinos und eroberte die Welt im Sturm. Auf den Schwingen des Comebacks von Robert Downey, Jr. feierte die britische Spürnase ihre – wie immer gekonnte – eigene Wiederauf-erstehung. Es folgte ein nicht minder erfolgrei-ches Sequel und dann ... kam das Fernsehen. Die BBC produzierte *Sherlock*, mit Benedict Cumberbatch und Martin Freeman, und hatte be-reits nach dem ersten Film eine Kultserie im Pro-gramm.

Einige Jahre später übte der berühmte Detektiv in New York sein Handwerk aus – in der CBS-Serie *Elementary*. Nun steht eine Rückkehr ins Kino in den Startlöchern, diesmal mit Sir Ian McKellen als *Mr Holmes*. Die Befreiung vom Urheberrecht hat der Figur Arthur Conan Doyles eine völlig neue Di-mension des Ruhmes verschafft.

Woher kommt dieser weltweite, fulminante Erfolg? Sherlock Holmes ist über zweihundert Jahre alt. Eine Fanbase, die sogenannten Holmesians, be-steht seit dem ersten Fall des Mannes, 1887. Doch nun ist der Geist aus der Flasche und er ist im (intelligenten) Mainstream-Entertainment ge-

landet, mit Millionen von passionierten, treuen Fans weltweit. Diese Fans sind sowohl alt als auch jung, männlich wie weiblich, Geeks und non-Geeks. Alle vier Sherlocks werden auf sehr unter-schiedliche Weise porträtiert, aller vier haben ihre Anhänger gefunden.

Wieso ist der Detektiv aus dem 19. Jahrhundert plötzlich ein Kulturphänomen im 21.?

Befragen wir die Fakten. *Sherlock Holmes* mit Ro-bert Downey, Jr. und Jude Law als Dr Watson war ein rasantes Abenteuer, gewürzt mit schwarzem, derbem britischen Humor sowie einer äußerst ge-lungenen Kameraführung und interessanten Ton-technik. Die Neuerung hier, aber, war das Verhält-nis zwischen Detektiv und Doktor, das mitunter spielerisch und frech homoerotisch anmutete. Der Superstar Downey, Jr. und der Kerl Law gaben sich zwanglos dieser undefinierten aber knistern-den Beziehung hin. Waren hier latente homophobische Ängste in der Normalbevölkerung mithilfe von Humor und einer lässigen Selbstver-ständlichkeit in die Tonne getreten worden? Laws Watson verliebt sich trotzdem ("auch?") in eine

Frau, ohne sein Verhältnis zu Holmes aufzugeben. Hatten Millionen von Menschen plötzlich ein Stückchen mehr begriffen, dass Sexualität auf einem Spektrum stattfindet, dass man sie nicht so ernst nehmen muss, ja, dass man sogar Spaß mit ihr haben darf und dabei noch saucol aussehen kann? War der Erfolg der Filme vielleicht ein Symptom von kollektiver Erleichterung, vom Entstauben alter, überholter Prinzipien, vom Feiern der neuen Männlichkeit und neuen Männer? Der neuen Männerfreundschaft, die mehr sein durfte als wohligh grunzend Fußball zu gucken?

Sherlock und *Elementary* bedienen meiner Theorie nach, zumindest primär, ein anderes Feld als das der Emotionen. In diesen Serien ist Holmes ein – wie er sich selbst beschreibt – hoch-funktionaler Soziopath. Nur seine Arbeit interessiert ihn, persönliche Kontakte, die diese nicht fördern, erscheinen ihm zunächst überflüssig. Das Augenmerk beider Serien liegt auf dem Lösen der Fälle durch wissenschaftliche Methoden, allen voran natürlich die Deduktionskunst von Meister Holmes.

In einer Gesellschaft, in der Glaubenskriege im Großen wie im Kleinen die Menschheit plagen, lechzen da die Zuschauer nach kalter Nüchternheit, nach einer Orientierung gen Fakten, nach handfesten Beweisen und unumstößlichen wissenschaftlichen Erklärungen, die man verstehen kann und nicht, an die man glauben muss? Wie bereits in Arthur Conan Doyles *Der Hund von Baskerville* fordern beide Serien das Abstreifen von Aberglauben und Angst und fördern damit das Vertrauen in die moderne Wissenschaft. In einer Welt, in der ISIS wütet, in der Tiger und Nashörner aussterben weil ihnen die Chinesen sexuelle Magie zuschreiben, in der auf Geldscheinen immer noch "In God we trust" steht – wer möchte sich da nicht an die Hoffnung klammern, dass einiges oder sogar alles erklärbar, belegbar ist?

Elementary ist darüber hinaus eine Serie, die modern ist und unsere altbackenen Vorstellungen auf

den Kopf stellt. Aus Mrs Hudson eine Transsexuelle zu machen und aus John Watson eine Joan ist nicht nur ein hohler Trick, um sich interessanter zu machen, sondern eine Ode an die Gleichberechtigung. Millers und Lius Holmes und Watson beweisen, dass Mann und Frau gleichberechtigt arbeiten und Freunde sein können, ohne dass daraus eine Romanze entspringen muss. Ist der anhaltende Erfolg von *Elementary* ein Zeichen dafür, dass wir im Kampf um Toleranz und Gleichstellung auf dem richtigen Weg sind?

Zu guter Letzt der alte Holmes von McKellen: Überwinden wir gerade den Jugendwahn, der unsere Kultur sonst so prägt?

Vielleicht sind meine Theorien idealistisch, aber wie schon ein gewisser Detektiv vor langer, und doch nicht allzu langer, Zeit einmal sagte: "Wenn man das Unmögliche ausgeschlossen hat, dann ist das, was übrigbleibt, egal wie unwahrscheinlich es erscheinen mag, die Wahrheit." Was ist Ihre Theorie dazu?

Anna freut sich über Feedback:

Alle sind orientierungslos

Tragikomisches aus Frankreich stand heute auf dem Filmfahrplan

ZU ENDE IST ALLES ERST AM

SCHLUSS (1:2.35, DD 5.1)

OT: Les Souvenirs

Verleih: Neue Visionen

Land/Jahr: Frankreich 2014

Regie: Jean-Paul Rouve

Darsteller: Michel Blanc, Annie Cordy, Mathieu Spinosi

Kinostart: 26.03.2015

Student Romain mag seine Großmutter Madeleine sehr. Für seinen Vater, den stets unentschlossenen Michel, ist sie eine Last. Der jüngst in den Ruhestand Versetzte ist schließlich auch die treibende Kraft, Oma endlich in eine betreute Wohnanlage abzuschieben. Doch sein Ruhestand bekommt dem häuslichen Frieden nicht. Derweil verliebt sich Romain in ein Mädchen, das er nicht kennt und wohl nie wieder sehen wird. Als die Großmutter plötzlich spurlos aus dem Heim verschwindet, macht sich der junge Mann auf, seine Oma zu suchen – und findet sein Glück... Jean-Paul Rouve präsentiert in seinem tragikomischen Film drei Generationen, von denen jede mit einer gewissen Orientierungslosigkeit zu kämpfen hat. Großmutter Madeleine hängt der Vergangenheit nach, Papa Michel findet sich mit dem Rentnerdasein nicht zurecht, Mama Nathalie sehnt sich nach einer neuen Liebe und Sohn Romain hat das ganze Leben noch vor sich und wartet auf die erste große Liebe. Erinnerungen sind es, die sie alle bewegen. Leider hat sich der deutsche Filmverleiher zu einem vollkommen anderen Titel hinreissen lassen. So wurde aus "Die Erinnerungen" plötzlich "Zu Ende ist alles erst am Schluss". Regisseur Rouve verlässt sich in seinem Film auf ein Ensemble, das seine Rollen gut ausfüllt. Hier spielt sich niemand in den Vordergrund. Es ist ein Film der leisen Töne, manchmal ein bisschen witzig, manchmal ein bisschen traurig, aber stets lebensbejahend.

Von Menschen und Schafen

Heute mal wieder ein Wechselbad der Gefühle...echtes Kino eben.

STILL ALICE – MEIN LEBEN OHNE

GESTERN (1:1.85, 5.1)

OT: Still Alice

Verleih: Polyband (24 Bilder)

Land/Jahr: USA 2014

Regie: Richard Glatzer, Wash

Westmoreland

Darsteller: Julianne Moore, Kristen

Stewart, Alec Baldwin

Kinostart: 05.03.2015

Alice ist hochbegabt und extrem erfolgreich – sowohl im Beruf als auch im Privatleben. Sie unterrichtet Linguistik an der Uni, hat einen angesehenen Forscher zum Mann und drei gut geratene erwachsene Kinder. Doch sie merkt, dass etwas mit ihr nicht stimmt. Am Anfang fällt ihr nur ein Wort nicht ein, später verirrt sie sich beim Joggen in einem Gebiet, das sie wie ihre Westentasche kennt. Der Befund des Neurologen trifft sie hart: die 50jährige leidet an einer seltenen Art von Alzheimer. Ein nicht zu gewinnender Kampf gegen das Vergessen beginnt... Einmal mehr darf Julianne Moore beweisen, dass sie zu den besten ihres Fachs gehört. In der Rolle der Alice liefert die amerikanische Schauspielerin ein derart nuanciertes Spiel ab, dass man ihr die anfangs fassungslose, dann verängstigte und am Ende in sich gekehrte Alice uneingeschränkt abnimmt. In **STILL ALICE** behandeln die Regisseure Richard Glatzer und Wash Westmoreland das Thema Alzheimer mit all seinen Auswirkungen am Beispiel einer Familie, deren Mutter mit 50 Jahren aus dem bisherigen Leben gerissen wird und alle Familienmitglieder vor große Herausforderungen stellt. Neben Moore überzeugen auch Alec Baldwin als Alices Ehemann sowie Kristen Stewart als Lydia, Alices jüngste Tochter. Ein Film ohne Happy End, der zum richtigen Zeitpunkt abblendet.

SHAUN DAS SCHAF – DER FILM

(1:1.85, DD 5.1)

OT: Shaun The Sheep Movie

Verleih: Studiocanal

Land/Jahr: Großbritannien 2015

Regie: Richard Starzack, Mark Burton

Kinostart: 19.03.2015

Es kommt so wie es kommen muss: weil Shaun endlich mal eine Auszeit vom langweiligen Landleben nehmen möchte, herrscht bald das blanke Chaos. Nicht nur liegt der Farmer plötzlich mit Gedächtnisverlust im Krankenhaus, jetzt fährt auch noch die gesamte Schafsherde mit dem Bus in die Stadt, um ihn zu suchen, weil sie nicht mehr an ihr Futter kommen. Zu allem übel heftet sich dann auch noch ein grimmiger Tierfänger an ihre weisse Wolle. Ob das ein gutes Ende nimmt? - Eigentlich war es ja nur eine Frage der Zeit bis die erfolgreiche TV-Serie **SHAUN DAS SCHAF** der Aardman Studios auch das Licht der großen Kinoleinwand erblickt. Jetzt also ist das listig-freche Schaf in seinem ersten Kinofilm zu bewundern. Und was für ein Film! Da haben die Knetexperten bei Aardman herzerleuchtend gearbeitet. Der Film von Richard Starzack und Mark Burton ist geradezu gespickt mit originellen und insbesondere witzigen Einfällen (welcher Film kann schon von sich behaupten, gebündelte Toastscheiben als Bestechungsgeld einzusetzen!). Manches geht so schnell, dass man den Film gerne noch ein zweites Mal anschaut und dabei vollkommen neue Gags ent-

deckt. Mein Geheimtipp für ein perfektes Movie Date (sorry, aber **PADDINGTON** kann einpacken).

Freitag, 06. Februar 2015

Mord, Sex, Drogen

Willkommen in den 1970er-Jahren – zumindest in Paul Thomas Andersons neuem Film, den es heute in der Presse zu sehen gab

INHERENT VICE – NATÜRLICHE MÄNGEL (1:1.85, DD 5.1)

OT: Inherent Vice

Verleih: Warner

Land/Jahr: USA 2014

Regie: Paul Thomas Anderson

Darsteller: Joaquin Phoenix, Josh Brolin, Owen Wilson, Katherine Waterston, Reese Witherspoon, Benicio Del Toro

Kinostart: 12.02.2015

1970: Doc, mehr Hippie als Privatdetektiv, bekommt ganz unverhofft Besuch von seiner Verflorenen. Und die erzählt ihm von einem Entführungsplan, den die Gattin mitsamt dem Liebhaber plant. Das Opfer soll der Immobilienhai werden, mit dem Docs Ex liiert ist. Doch das ist erst der Anfang einer bizarren Geschichte, in der es um weit mehr als nur eine vermeintliche Entführung geht: Mord, Sex, Korruption, Drogen und das gesamte verdammte Zeug... Auch wenn mich der Inhalt des Films nicht so sehr vom Hocker gerissen hat, dann war es zumindest die Kameraarbeit von Robert Elswit, die mich begeisterte. Sie dürfte zum Besten gehören, was man in letzter Zeit zu sehen bekam. In seinen poppig-bunten Bildern lässt er die 1970er-Jahre wieder auferstehen und macht gleichzeitig deutlich, wie erfrischend es sein kann, gegen den seit Jahren anhaltenden Trend der Regisseure zu schwimmen, die möglichst viel Farbe aus ihren Filmen entfernen. Joaquin Phoenix in der Rolle des Doc ist absolut grandios, eine Mischung aus dem "Dude" (allerdings ohne Bademantel) und den schrägen Vögeln aus **FEAR AND LOATHING IN LAS VEGAS**. Aber auch sonst ist Paul Thomas Andersons Film bis in kleinste Nebenrollen hervorragend besetzt. So gerät beispielsweise

Martin Shorts Auftritt als Zahnarzt zu einem eigenen Kabinettstückchen. Wer den Roman von Thomas Pynchon kennt und seinen Humor mag, der dürfte sich bei dieser Verfilmung de Buches köstlich amüsieren. Verwirrend allerdings gerät die Vielzahl von Namen, die während der 148 Minuten des Films auftauchen. Einmal kurz nicht aufgepasst und schon hat man den Faden verloren. Das allerdings – so erfahren wir spätestens am Ende des Films – fällt auch nicht weiter ins Gewicht. Ein durchgeknallter, ziemlich schräger Film, der es sicherlich schwer haben wird, Publikum zu finden. Seine zweite Chance bekommt der Film von mir auf jeden Fall – dann allerdings in der 70mm-Fassung, die hoffentlich Bestandteil des diesjährigen Todd-AO-Festivals in der Karlsruher Schauburg sein wird.

Dienstag, 10.02.2015

Schwamm drüber!

Der heutige Tag hat mich in Sachen Film eher enttäuscht als begeistert

ALS WIR TRÄUMTEN (1:1.85, 5.1)

Verleih: Pandora

Land/Jahr: Deutschland, Frankreich 2015

Regie: Andreas Dresen

Darsteller: Merlin Rose, Julius

Nitschkoff, Joel Basman

Kinostart: 26.02.2015

Als Dreizehnjährige drücken Dani, Mark, Rico, Pitbull und Paul noch gemeinsam die Schulbank in der DDR. Als sie 17 sind, ist die Mauer längst gefallen und jeder versucht, seine Träume zu verwirklichen. Ob beim gemeinsamen Projekt einer Underground-Disco oder alleine mit der ersten Liebe. Alles kommt aber anders als erhofft, trotzdem ist es ihre schönste Zeit... Auf verschiedenen Zeitebenen erzählt Andreas Dresen die Geschichte von fünf Schulfreunden, die den Umbruch in der DDR noch als Kinder erleben und nach dem Mauerfall zu Jugendlichen heranwachsen. Dabei weist Dresens Film, der nach dem Roman von Clemens Meyer entstand, gewisse Parallelen zu Burhan Qurbanis **WIR SIND JUNG**. **WIR SIND STARK**. Auf. In beiden Fil-

men versuchen die Filmemacher das Gefühl zu vermitteln, mit dem Jugendliche Aufbruchsstimmung und Perspektivlosigkeit gleichermaßen erleben. Hier ist Qurbanis Film zweifelsfrei der Gewinner. Dresen setzt zwar auch stampfende Musik ein, um die Freude der Freunde auszudrücken, doch gelingt es ihm nicht, den Zuschauer so stark einzubinden wie das bei Qurbanis der Fall ist. Das liegt vor allem an der Zerrissenheit von Dresens Film, die sich durch den ständigen Zeitenwechsel einstellt. Der Film wirkt dadurch episodenhaft, der Spannungsaufbau leidet. Immerhin kann Dresen mit einem exzellenten Cast punkten.

SPONGEBOB SCHWAMMKOPF 3D (1:1.85, 3D, DD 5.1)

OT: The SpongeBob Movie: Sponge Out Of Water

Verleih: Paramount

Land/Jahr: USA 2015

Regie: Paul Tibbitt

Darsteller: Antonio Banderas

Kinostart: 19.02.2015

Weil der böse und listige Plankton das geheime Rezept für die extrem leckeren Krabbenburger der geizigen Krabbe Mr. Krabs klaut, versucht SpongeBob mittels einer Zeitmaschine in die Vergangenheit zu reisen, um den Diebstahl zu vereiteln... Mit einem Mix aus 2D- und 3D-Computeranimation sowie Realsequenzen wird das zweite Kinoabenteuer des kleinen Schwamms SpongeBob präsentiert. Mehrere kleine Episoden werden mittels der Realsequenzen miteinander verknüpft, so dass der Eindruck entsteht, es handele sich um ein paar Episoden der TV-Serie. Die Action ist dabei gerade für Kinder teilweise grenzwertig (es gibt Folterungen und Opferungen!) und findet ihren fulminanten Höhepunkt leider erst ganz am Ende, wenn reale und computeranimierte Welt zusammengeführt werden. Insgesamt erscheint der nasse Spaß überlang, was sich in Langeweile niederschlägt. Interessant gestaltet sich die Tonspur des Films, die mit einem voll sinfonischen Score von John Debney aufwartet und der mit vielen Filmmusikzitate gespickt ist. Sogar Maestro Ennio Morricone's "The

Ein langer Weg

Der friedliche Marsch der unterdrückten Farbigen von Selma nach Montgomery hat US-Geschichte geschrieben. Jetzt bildet dieses Ereignis den Hintergrund für ein Biopic über Martin Luther King. Mein Vormittag.

SELMA (1:2.35, DD 5.1)

OT: Selma

Verleih: Studiocanal

Land/Jahr: Großbritannien, USA 2014

Regie: Ava DuVernay

Darsteller: David Oyelowo, Tom

Wilkinson, Tim Roth

Kinostart: 19.02.2015

Sommer 1965. Auch wenn die Diskriminierung schwarzer Bürger in den USA formal aufgehoben wurde, ist das noch lange nicht Realität. Insbesondere im Süden werden Farbige nach wie vor diskriminiert. Jüngst mit dem Friedensnobelpreis ausgezeichnet, macht sich Martin Luther King auf den Weg nach Selma in Alabama, wo sich der Widerstand formt. Mit gewaltfreien Protesten will er die US-Regierung dazu bewegen, Farbigen im ganzen Land das Wahlrecht zuzugestehen. King wird dort aber nicht nur mit einem brutalen Sheriff und einem uneinsichtigen Gouverneur konfrontiert, auch das Verhältnis zum Präsidenten wird extrem strapaziert. Bald schon schlägt Kings Kampf um Gleichberechtigung und Gerechtigkeit im ganzen Land Wellen... Wer kraftvolles Schauspielerkino mag, der ist hier genau richtig. Ava DuVernays Film ist bis in kleinste Nebenrollen hochkarätig besetzt. Allen voran liefern aber die Protagonisten hier exzellente Leistungen ab. In der Rolle des Martin Luther King liefert David Oyelowo eine oscarreife Leistung ab. Sein Porträt der Bürgerrechts-Ikone ist sehr nuanciert und zeigt King nicht nur von dessen starken Seite, sondern auch als einen ganz normalen Mann, der sich auch Eheproblemen stellen muss und mit Selbstzweifeln zu kämpfen hat. Tom Wilkinson mimt seinen erbitterten Gegner, den US-Präsidenten Lyndon B. Johnson, in einer sehr glaubwürdigen

Darstellung. Darüber hinaus versteht es Ava DuVernay hervorragend, ihren Film zwar ohne die typisch amerikanische Überdosis an Pathos, aber dennoch sehr aufwühlend und bewegend zu inszenieren. Großen Anteil daran hat die Filmmusik von Jason Moran, der genau den richtigen Ton trifft. **SELMA** ist ein beeindruckendes Biopic über einen wichtigen Abschnitt im kurzen Leben des Martin Luther King sowie einem Ereignis, das in die Geschichte der Vereinigten Staaten von Amerika eingegangen ist.

Freitag, 13.02.2015

"Man muss das Richtige tun!"

Protagonist der heutigen Pressevorführung war ein Mann, der posthum zum Helden wurde, auch wenn seine Tat misslang

ELSER – ER HÄTTE DIE WELT VERÄNDERT (1:2.35, 5.1)

Verleih: NFP (Tobis)

Land/Jahr: Deutschland 2015

Regie: Oliver Hirschbiegel

Darsteller: Christian Friedel, Katharina Schüttler, Burghart Klaußner

Kinostart: 09.04.2015

8. November 1939, Bürgerbräukeller in München. Nur knapp entkommt der Führer einem Bombenattentat, als er dort seine Jubiläumsrede hält. Der Schuldige ist schnell gefasst: Georg Elser, ein Schreiner aus Königsbronn. In ihrer Arroganz wollen die Nazis nicht glauben, dass Elser ganz alleine gehandelt hat. Während sie ihn grausamen Folterungen unterziehen, brechen sich in Elser Erinnerungen an sein Leben und seine große Liebe Bahn... **ELSER** gehört in die Kategorie von Filmen, bei denen ich am liebsten das Kino verlassen hätte. Nicht etwa weil der Film so schlecht wäre. Ganz im Gegenteil. Schlecht werden jedoch kann es einem beim Zuschauen schon, denn Regisseur Oliver Hirschbiegel schildert sehr konsequent und mit radikaler Härte die unmenschlichen Verhörmethode der Nazis, denen Georg Elser hilflos ausgeliefert war. Die gezeigten Bilder gehen bis an die Schmerzgrenze und sogar darüber hinaus. Dennoch stellen diese Bilder keinen Selbstzweck dar, sondern

sorgen dafür, dass man als Zuschauer das Grauen nachvollziehen kann, dem Elser hier begegnete und das er eigentlich mit seiner Tat bekämpfen wollte. Einmal mehr zeigt Kamerafrau Judith Kaufmann, dass sie das richtige Gespür für Bilder hat, die nachhaltig wirken. Motivwahl, Bildausschnitt und Farbgebung passen perfekt. Eine äußerst sorgfältig eingesetzte Filmmusik setzt Akzente, spielt sich aber nie in den Vordergrund oder wird gar pathetisch. Christian Friedel mimt den Georg Elser, jenen Mann, der das Richtige tun wollte und dabei zugrunde ging. Seine Performance überzeugt ebenso wie die seiner beiden Widersacher, die von Burghart Klaußner und Johann von Bülow gespielt werden.

Dienstag, 17. Februar 2015

Es war einmal...

Sogar am Faschingsdienstag kriegt man ein Doppelprogramm angeboten.

CINDERELLA (1:2.35, DD 5.1 + 7.1)

OT: Cinderella

Verleih: Walt Disney

Land/Jahr: USA 2015

Regie: Sir Kenneth Branagh

Darsteller: Lily James, Cate Blanchett, Richard Madden, Stellan Skarsgård, Holliday Grainger, Sophie McShera, Derek Jacobi, Helena Bonham Carter
Kinostart: 12.03.2015

Irgendwo in einem kleinen Königreich erleidet die hübsche und immer fröhliche Ella ein schweres Schicksal: erst stirbt ihre Mutter, viele Jahre später auch noch ihr Vater. Dumm nur, dass der zuvor wieder geheiratet hat. Denn jetzt ist Ella auf Gedeih und Verderb ihrer Stiefmutter und deren beiden Töchter ausgeliefert. Und wird prompt zur Hausmagd degradiert. Eines Tages lernt sie bei einem Ausritt einen charmanten jungen Mann kennen, der sich als Lehrling am Königshof ausgibt. Noch ahnt sie nicht, dass es sich um den Prinzen höchst persönlich handelt. Auch Ella verschweigt ihm ihre Identität. Die beiden trennen sich wieder. Doch der Prinz kann Ella nicht vergessen. Weil er von seinem Vater gedrängt wird, sich endlich eine Frau zu suchen, lädt er alle Mädchen des Landes zu

Wolfram Hannemanns

Film-Blog

einem Ball ins Schloss ein – natürlich in der Hoffnung, seine Angebetete wiederzusehen. Doch als Ella, inzwischen von ihrer neuen Familie in Cinderella umgetauft, am Ball teilnehmen will, macht ihr ihre Stiefmutter einen Strich durch die Rechnung. Aber es gibt ja noch die gute Fee... Die Geschichte von Cinderella ist ja eigentlich sattem bekannt (unlängst erst wurde sie Teil der Musicalverfilmung von **INTO THE WOODS**). So war hier die einzig spannende Frage, wie wohl der Shakespeare-erprobte Kenneth Branagh diesen Stoff für die Leinwand umsetzen wird. Da gibt es zunächst einmal einen längeren Vorbau, in dem Ellas Geschichte erzählt wird, bevor sie zu Cinderella wurde. Das ist weder sonderlich spannend noch originell inszeniert. Fahrt bekommt die ganze Sache erst mit Cinderellas Begegnung mit ihrer guten Fee und der dann folgenden Umwandlung von Kürbis, Mäusen und sonstigem Kleingetier in eine goldene Kutsche samt Personal. Mit Cinderellas Ankunft auf dem Ball im Schloss erreicht der Film seinen inszenatorischen Höhepunkt. Hier schwelgt die Kamera in prächtigen Gewändern und Panoramen. Mit dem obligatorischen Glockenschlag um 24 Uhr allerdings endet es mit der Opulenz. Was dann kommt ist leider genauso flach

gehalten wie der zuvor erwähnte Vorbau. Auch in technischer Hinsicht enttäuscht Branaghs **CINDERELLA**-Version: das Bild hat allzu oft mit Unschärfen zu kämpfen, die einkopierten Berge in der Ferne sehen tatsächlich aus wie einkopierte Berge in der Ferne und die Tonqualität der englischen Originaldialoge lassen oft ausreichend Höhen vermissen. Offensichtlich wurde hier unter enormem Zeitdruck mit der heißen Nadel gestrickt. Immerhin gibt es an der Besetzung nichts zu mäkeln. Cate Blanchett gibt die gefühlscalte Stiefmutter mit großer Inbrunst und Lily James gibt eine Cinderella, die man einfach mögen muss – ganz besonders in ihrem blauen Ballkleid. Gelungen auch die Trickaufnahmen mit den kleinen Mäusen, mit denen die titelgebende Heldin ständig spricht. Einfach putzig. Die Filmmusik von Patrick Doyle zieht alle Register orchestraler Scores und verleiht dem Film seine emotionale Ebene. Fazit: kein Film, den man unbedingt sehen muss, aber der auch nicht sonderlich wehtut.

TRAUMFRAUEN (1:2.35, 5.1)

Verleih: Warner

Land/Jahr: Deutschland 2015

Regie: Anika Decker

Darsteller: Hannah Herzsprung, Karoline Herfurth, Palina Rojinski, Iris Berben, Elyas M'Barek, Frederick Lau

Kinostart: 19.02.2015

Vier Frauen – ein Problem: die Männer! Da ist Margaux, deren Mann sie für eine Jüngere verlassen hat und die sich just in dem Moment nach einem Neuen umschaute, als der Alte wieder Interesse zeigt. Tochter Hannah hat derweil Probleme mit ihrem Kollegen, der eigentlich gar kein Interesse an ihr hat. Ihre Schwester Leni startet gerade ihre Depri-Phase, weil sie ihren Freund per Skype inflagranti erwischt hat. Ihre gemeinsame Freundin Vivienne, Single und glücklich, weiß da immer Rat. Und der führt stracks zu den nächsten Männern und damit zu weiteren Herz-Schmerz-Problemen...

(ALP)TRAUMFRAUEN (was ein wesentlich besserer Titel wäre!) entpuppt sich ziemlich schnell als ein Film aus der Retorte. Hier wirkt alles extrem

künstlich und aufgesetzt, keine der Figuren ist natürlich. Das Ende ist bereits am Anfang vorhersehbar. Aber genau das scheint auch das Kalkül zu sein: ein Film, perfekt auf den Filmkonsum multiplexaffiner Kinogänger abgestimmt. Denn wenn man mal kurzzeitig den Saal verlässt, um Softdrinks oder Popcorn aufzufüllen, verpasst man rein gar nichts. Dafür gibt es im Film unheimlich viele "Pausen", also Stellen, in denen es keine Dialoge mehr gibt, sondern nur noch einen Klangteppich aus Songs, die sich gut auf Tonträger vermarkten lassen und die zum Nachschub holen bestens geeignet sind. Eigentlich könnte sich das Multiplex auch gleich das Werbeprogramm vor dem Hauptfilm sparen, denn **TRAUMFRAUEN** ist nur so gespickt mit Product Placements! Eine Zumutung, was hier dem zahlenden Kinzuschauer angeboten wird. Fairer wäre es, dem Zuschauer Geld zu zahlen, dass er dieses Werbeprogramm in Spielfilmlänge tatsächlich anschaut. Deutsches Kino auf dem Tiefpunkt – das wird vermutlich die Kinokassen kräftig klingeln lassen.

Donnerstag, 19. Februar 2015

Depressionen, ein Mord und zwei Indianer

Der letzte Film entpuppte sich als klarer Favorit des heutigen Triple Features

HEDI SCHNEIDER STECKT FEST

(1:2.35, 5.1)

Verleih: Pandora

Land/Jahr: Deutschland, Norwegen 2015

Regie: Sonja Heiss

Darsteller: Laura Tonke, Hans Löw, Leander Nitsche

Kinostart: 07.05.2015

Alles beginnt damit, dass Hedi plötzlich eine Panikattacke erleidet. Zusehends driftet die junge Mutter in eine schwere Depression ab und gefährdet damit allmählich auch das Glück der dreiköpfigen Familie... Unentschlossenheit ist das Zauberwort bei Sonja Heiss' Film. Soll es nun eine Komödie sein oder ein ernstes Drama? Beides zusammen jedenfalls will einfach nicht funktionieren. Da kann sich die gute Besetzung auch noch so sehr abmü-

Wolfram Hannemanns Film-Blog

hen. Außerdem geht das Drehbuch etwas sorglos mit dem Thema Panikattacken und Depression um: kein Arzt wird einfach nur Pillen verschreiben bei einem Fall, der eine Psychotherapie zwingend erforderlich macht!

DIE AUGEN DES ENGELS (1:2.35, 5.1)

OT: The Face Of An Angel

Verleih: Concorde

Land/Jahr: Großbritannien 2014

Regie: Michael Winterbottom

Darsteller: Daniel Brühl, Kate

Beckinsale, Valerio Mastandrea

Kinostart: 21.05.2015

Eigens aus London kommt Filmregisseur Thomas Lang ins italienische Siena angereist, um einen Dokumentarfilm über einen spektakulären Mordfall zu drehen. Die attraktive amerikanische Studentin Jessica Fuller soll ihre Zimmergenossin mit Hilfe ihres Freundes erstochen haben. Der kontroverse Prozess wirft mehr Fragen als Antworten auf. Angeregt durch Kokain verliert sich Lang beim Schreiben des Drehbuchs schon bald in Phantastereien und beginnt Wirklichkeit und Traum miteinander zu vermischen... Hier herrscht totale Konfusion! Michael Winterbottoms Film, in Anlehnung an den aufsehenerregenden Fall der Amanda Knox, lässt leider keine klare Linie erkennen. Ganz so, als hätte der Regisseur selbst gar nicht gewusst, in welche Richtung sich sein Film entwickeln soll. Nicht unähnlich seinem Protagonisten Daniel Brühl, der als Filmregisseur eigentlich einen Dokumentarfilm machen will, aber sich da bald nicht mehr so ganz sicher ist. Bleibende Eindrücke hinterlässt

Winterbottoms Mix aus Drama, Liebesfilm und Thriller (mit einem Hauch

WENN DIE GONDELN TRAUER TRAGEN) jedenfalls nicht und man sehnt das Ende der Geschichte schon nach kurzer Zeit herbei.

WINNETOUS SOHN (1:1.85 & 1:2.35, 5.1)

Verleih: Weltkino

Land/Jahr: Deutschland 2015

Regie: André Erkau

Darsteller: Lorenzo Germano, Tristan Göbel, Alice Dwyer, Uwe Ochsen-

knecht, Armin Rohde

Kinostart: 09.04.2015

Er nennt sich immer nur "Der Häuptling" und läuft stets in voller Federpracht herum: der zehnjährige Max fühlt sich zum Indianer berufen, seit ihm sein Vater im zarten Kindesalter alle Tugenden eines großen und weisen Kriegers gelehrt hat. Dass er so gar nicht wie ein Indianer aussieht, sondern eher in der korpulenten Liga spielt, stört ihn überhaupt nicht. Da ist der gleichaltrige Morten schon ganz anders drauf: mit Strickmütze, langen Haaren und schwarzer Kleidung macht er auf total cool. Die beiden lernen sich im Indianercamp kennen, in das Morten nur widerwillig geht. Als Max davon Wind bekommt, dass die Rolle von Winnetous Sohn bei den Karl May Festspielen in Bad Segeberg neu besetzt werden soll und ein Casting gemacht wird, ist er Feuer und Flamme. Jetzt gilt es erst einmal die in Trennung lebenden Eltern davon zu überzeugen, dass Bad Segeberg genau auf ihn wartet und mehr noch – seinen neuen Freund Morten zu überreden, ihm bei der Vorbereitung auf die Rolle zu helfen... **WINNETOUS SOHN** ist ein Film über Freundschaft und Träume, die es trotz zerrütteter Familienverhältnisse zu erhalten gilt. Aber auch ein Film darüber, dass es nicht auf Äußerlichkeiten ankommt, sondern nur die inneren Werte zählen. André Erkau verpackt diesen komplexen Stoff auf sehr unterhaltsame Weise in einen Film, der damit insbesondere Kinder anspricht. Schon der Einstieg in den Film gestaltet sich originell, weil er aussieht und sich auch anhört wie ein echter Karl May Western (allerdings ohne die Böttcher-Musik, dafür mit Italo-Western-Feeling). So lange, bis die Kamera ihren Blickwinkel ändert und man die Kulissen der Bad Segeberg'schen Freilichtbühne sieht. Derlei Motive werden immer wieder eingebaut, etwa wenn Max seinen Freund Morten vor ihn mobbenden Mädels schützt. Beide Jungs kommen aus suboptimalen Elternhäusern. Max' Mutter hat einen Neuen, ohne dass Max es bemerkt. Da muss ihm schon Morten auf die Sprünge helfen. Und Mortens Eltern haben

sich lange schon meilenweit von ihrem verschlossenen und mit Ängsten lebenden Morten entfernt. Gemeinsam stützen sich die Jungen und kämpfen nach alter Indianerart gegen alle Widrigkeiten dieser Welt. Auch besetzungstechnisch ist Erkaus Film gelungen. Lorenzo Germano und Tristan Göbel können als das ungleiche Freundespaar punkten, Alice Dwyer und Christoph Letkowski überzeugen als Max' Eltern. In einer köstlichen Nebenrolle darf sich Uwe Ochsenknecht komödiantisch austoben: in der Rolle des Generals, der bei den Festspielen das Sagen hat.

Freitag, 20. Februar 2015

Von Breakdancern, Scharfschützen und Peitschenhieben

Letzter Pressetag der Woche – volles Programm. Film ab!

DESSAU DANCERS (1:2.35, 5.1)

Verleih: Senator

Land/Jahr: Deutschland 2014

Regie: Jan Martin Scharf

Darsteller: Sonja Gerhardt, Gordon

Kämmerer, Oliver Konietzky, Wolfgang

Stumph, Justus von Dohnányi

Kinostart: 16.04.2015

Es ist Sommer 1985. In der DDR elektrisiert ein amerikanischer Tanzfilm die Jugendlichen: **BEAT STREET**. Der 18jährige Frank wird vom Breakdance-Fieber gepackt und gründet mit seinen Freunden die "Break Beaters". Doch derlei Gehopse auf der Straße passt den Oberen nicht ins Regime und so wird Sportlehrer Dietz damit beauftragt, die "Break Beaters" zu einer "akrobatischen Schautanzgruppe" zu formen... Wie konnte denn das passieren! Ausgerechnet einem Film über Breakdance fehlt es gehörig an Pfeffer! Die Geschichte müht sich so über ihre 90 Minuten hinweg, dass die sich anfühlen wie zwei Stunden. Das lässt sich auch durch die akrobatischen Tanzeinlagen nicht mehr kaschieren. Zu allem Überfluss gibt es dann noch eine Liebeszene, die eigentlich nur noch peinlich ist, weil sie dramaturgisch überhaupt nicht zum Rest des Films passt. Schade.

Wolfram Hannemanns Film-Blog

AMERICAN SNIPER (1:2.35, DD 5.1 + 7.1 + Atmos)
OT: American Sniper
Verleih: Warner
Land/Jahr: USA 2014
Regie: Clint Eastwood
Darsteller: Bradley Cooper, Sienna Miller, Luke Grimes
Kinostart: 26.02.2015

Als Amerika in den Irakkrieg zieht, meldet sich Patriot Chris Kyle freiwillig bei den SEALs, der härtesten Truppe beim Militär. Dort wird er zum Scharfschützen ausgebildet und in den Irak geschickt. Schon bald nennt man ihn nur noch "Die Legende", weil er mehr Feinde tötet als jeder andere Sniper und die Aufständischen setzen sogar ein Kopfgeld auf ihn aus. Seine Kriegseinsätze nehmen immer mehr Besitz von ihm, was sich schließlich bei seinen Heimaturlauben negativ auf seine junge Familie auswirkt... **AMERICAN SNIPER** ist so etwas wie Clint Eastwoods Version von Kathryn Bigelow, der als Bester Film des Jahres 2008 mit dem Oscar ausgezeichnet wurde. In beiden Filmen wird die Traumatisierung der Soldaten durch den Krieg thematisiert und beide Filme inszenieren dies in ähnlicher Art und Weise. Wie Bigelow so zieht auch Eastwood alle Register tontechnischer

Möglichkeiten, um dem Zuschauer den harten Alltag seines Protagonisten so realistisch wie möglich vor Auge und Ohr zu führen. War man einmal als Scharfschütze im Kriegseinsatz im Irak, wird man sein Leben lang im Einsatz bleiben. So sitzt Bradley Cooper in der Rolle des Chris Kyle mit leerem Blick vor dem Fernsehapparat im Wohnzimmer. Die Kamera zeigt ihn aus der Sicht des Fernsehschülers, Schüsse und Granateinschläge sind zu hören. Er scheint sich einen Kriegsfilm anzuschauen. Langsam bewegt sich die Kamera, bis sie hinter ihm positioniert ist und den Blick auf den Monitor freigibt: kein Bild, der Fernseher ist gar nicht an. Was wir hier hören ist die Hölle, die im Inneren des Chris Kyle tobt und die nie wieder verstummen wird. Mit Bradley Cooper hat Eastwood eine ideale Besetzung gefunden, der im Laufe des Films eine Wandlung vom witzigen Typen hin zum emotionalen Wrack sehr überzeugend absolviert. Wer die Chance hat, den Film in einem Kino mit Dolby Atmos Tonsystem zu sehen oder ihn gar in einer IMAX-Projektion erleben kann, sollte die Gelegenheit dafür nutzen. Es lohnt sich.

FIFTY SHADES OF GREY (1:2.35, DD 5.1)
OT: Fifty Shades Of Grey
Verleih: Universal
Land/Jahr: USA 2015
Regie: Sam Taylor-Johnson
Darsteller: Dakota Johnson, Jamie Dornan, Luke Grimes
Kinostart: 12.02.2015

Die Literaturstudentin Anastasia Steele lässt sich auf eine Affäre mit dem Milliardär Christian Grey ein. Der jedoch ist an Romantik nicht interessiert und versucht stattdessen Anastasia dazu zu überreden, in einen Vertrag als seine Sex-Sklavin einzuwilligen... "Ich will nicht mit Dir schlafen. Ich will Dich ficken – und zwar hart!" – Welches Teenager-Mädel kann solchen Sprüchen aus dem Mund eines noch ziemlich jungen Milliardärs schon widerstehen! Aber lassen wir mal die Ironie beiseite. Gestern habe ich mir nun tatsächlich den momentan angesagtesten Blockbuster im Kino angeschaut. Der

deutsche Filmverleiher wollte seinen Kassenhit aus nicht näher benannten Gründen der Fachpresse in Stuttgart leider nicht zeigen, so dass ich mir das Werk in einer ganz regulären Kinovorstellung meinem kritischen Blick unterzogen habe. Allerdings – das sollte vielleicht noch erwähnt werden – habe ich mir dafür weibliche Begleitung organisiert. Denn so ganz allein unter Frauen macht ein einzelner Herr bei einem solchen Film einen eher zwielichtigen Eindruck. In der Tat bestand das Publikum vornehmlich aus jungen Frauen, die vermutlich eben erst die 16 Lenze vollendet hatten. Denn die benötigt man laut Einschätzung der FSK, um diesen Film ohne schwerwiegende Traumata zu überstehen (man möge es mir nachsehen – aber der Ironie-Modus lässt sich offensichtlich doch nicht so leicht ausschalten!). Aber zurück zum Film. Was als erstes auffällt: die Chemie zwischen Dakota Johnson als studentisches Naivchen und Jamie Dornan als sie angeblich einschüchternder milliardenschwerer Unternehmer stimmt überhaupt nicht! Wieso nur verfällt Anastasia diesem Typen, der Geld anstelle von Charisma besitzt? Leider nicht nachvollziehbar. Auch ist es bei aller Liebe nur extrem schwer vorstellbar, dass es eine derart naive Literaturstudentin gibt. Ein Mädchen, das ganz genau weiß, was für schlimme Sachen der feine Herr Grey mit ihr in seinem Spielzimmer tun will (es ist ja alles im Vertrag benannt!) und es erst dann glaubt, wenn er diese schlimme Sachen tatsächlich mit ihr macht. Und schwups steigt sie in den Fahrstuhl und der Film ist zu Ende. Ein "Hä?" brach sich an dieser Stelle im Kinosaal Bahn und machte allen Anwesenden klar, dass die Sado-Maso-Geschichte in Serie geht. Wer auf derart substanzlose Ware verzichten möchte, aber trotzdem ein bisschen SM-Luft schnappen will, dem seien **GESCHICHTE DER O** von Just Jaeckin oder noch besser Lars von Triers **NYMPHOMANIAC** empfohlen. Speziell in Letzterem wird die Sado-Maso-Spielart nicht derart weichgespült, dass unbedarfte Teenies womöglich feuchte Träume mit nach Hause nehmen.

23. Februar 2015

Tierhorror und Frauenfreundschaft

Wieder mal typisch: da will man sich eigentlich die Oscar-Verleihung live anschauen und sich die Nacht um die Ohren schlagen, werden prompt zwei Pressevorführungen in aller Herrgottsfrühe angesetzt. Also Bye-bye Oscars...

UNDERDOG (1:2.35, 5.1)

OT: White God / Fehér Isten

Verleih: Delphi

Land/Jahr: Ungarn, Deutschland, Schweden 2014

Regie: Kornél Mundruczó

Darsteller: Zsófia Psotta, Sándor Zsótér, Lili Monori

Kinostart: 23.04.2015

Als ihre Mutter zum Studium nach Australien geht, gibt sie ihre 13jährige Tochter Lili mitsamt dem Hund Hagen in die Obhut des Vaters. Der ist allerdings vom Hund alles andere als begeistert und setzt ihn mitten in der Stadt aus. Während sich Lili auf die Suche nach Hagen macht, wird der schon von einem skrupellosen Schinder zum Kampfhund umerzogen. Das aber wird sich schon sehr bald rächen... Tier-Horror aus Ungarn – mal etwas ganz Ungewöhnliches. Oder bezweckt Regisseur Kornél Mundruczó etwas ganz anderes mit seinem Film – vielleicht ein Plädoyer dafür, Hunde gut zu behandeln? Oder gar eine Parabel auf die gesellschaftlichen Missstände in der ganzen Welt, in der sich eine gedemütigte Spezies gegen ihre Peiniger auflehnt, so wie es das Presseheft suggeriert. Am Ende des Films ist man jedenfalls genauso schlau wie am Anfang. Viel zur Verwirrung trägt auch der Subplot bei, in dem ein Jugendorchester den "Tannhäuser" probt und der breiten Raum im Film einnimmt. Aber man muss ja nicht alles verstehen.

DAS GLÜCK AN MEINER SEITE

(1:1.85, 5.1)

OT: You're Not You

Verleih: Koch Media

Land/Jahr: USA 2014

Regie: George C. Wolfe

Darsteller: Hilary Swank, Emmy Rossum, Josh Duhamel

Kinostart: 16.04.2015

Als die Pianistin Kate an ALS erkrankt, versorgt sie ihr Ehemann Evan so gut er kann. Doch ohne eine zusätzliche Pflegekraft kann er die Aufgabe nicht mehr stemmen. Umso erstaunter ist er, als ihm Kate eröffnet, dass sie ihre Pflegerin gekündigt hat, weil diese sie lediglich als Patientin behandelt hat. Zu Evans Entsetzen entscheidet sich Kate für die vollkommen chaotische Dauerstudentin Bec als Ersatz für die Pflegekraft. Doch sind es gerade Becs unkonventionelle Art und ihr unerschütterlicher Humor, die Kate beflügeln – so sehr, dass sie an sich selbst vollkommen neue Seiten entdeckt... Einen belangloseren deutschen Titel hätte sich der deutsche Filmverleiher kaum einfallen lassen können. Was im Original in etwa "Du bist nicht Du" heisst, endet nun in Beliebigkeit und suggeriert dazu noch, dass es eine Nicholas Sparks Verfilmung sein könnte. Dabei ist George C. Wolfes Film alles andere als das! Sein Film thematisiert den Wunsch vieler unheilbarer Patienten, nicht ständig nur bemitleidet zu werden, sondern als die Person wahrgenommen zu werden, die man tatsächlich ist. Eine Erkenntnis, die Kate (gespielt von Hilary Swank) erst durch das Zusammentreffen mit Bec (Emmy Rossum) gewinnt und die für das ganze Leben gilt. Als Kates Beziehung zu ihrem Mann Evan aufgrund ihrer schweren Krankheit zerbricht, wird ihr klar, dass sie immer nur diejenige sein wollte, die ihr Mann in ihr gesehen hat. Wolfe verzichtet dabei in seiner Inszenierung weitestgehend auf typisch amerikanischen Edelkitsch, den er sich allerdings ganz am Schluss dann doch nicht verkneifen kann (Taschentücher dürfen gezückt werden). Etwas zu sehr schwarzweiß geraten sind indes Kates Freundinnen sowie ihre Mutter, die sich zu wenig nicht mitfühlend verhalten. Hier hätte der Film etwas behutsamer vorgehen müssen. So aber wird natürlich die besondere Freundschaft zwischen den ungleichen Frauen noch mehr unterstrichen. **DAS GLÜCK AN MEINER SEITE** ist ein weiterer Beweis dafür, dass ALS inzwischen offensichtlich in der Film-

welt angekommen ist. Fast könnte man sagen, dass ALS der neue Krebs ist. Allerdings verzichtet der Film auf eine Erklärung der Krankheit und ihres Verlaufes, so dass Unwissende etwas verwirrt sein könnten.

Dienstag, 24. Februar 2015

Schräg und schrill

Irgend etwas muss man ja tun. Ich war im Kino.

TOD DEN HIPPIES!! ES LEBE DER PUNK!

(1:1.85, 5.1)

Verleih: X Verleih (Warner)

Land/Jahr: Deutschland 2015

Regie: Oskar Roehler

Darsteller: Tom Schilling, Wilson Gonzalez Ochsenknecht, Emilia Schüle

Kinostart: 26.03.2015

Anfang der 1980er-Jahre bricht Robert aus seinem bisherigen Leben aus, lässt Freundin und Mutter weit hinter sich. Mit Irokesenfrisur ausgestattet strandet er in West-Berlin, wo Sex, Drogen und Punk regieren. In der Peep-Show seines alten Kumpels Schwarz wird er zum Mädchen für alles: Schrubben von Wickskabinen und Essen besorgen für die Girls. Mit einer der Tänzerinnen, Sanja, beginnt er eine Liebelei. Und dann lockt da noch das viele Geld, das sein Vater als ehemaliger Kassenwart der RAF in Gewahrsam hat... Ganz schön schrill bricht Oskar Roehlers neuester Film von der Leinwand über seine Zuschauer herein. So schrill und schräg, dass man das erst einmal verdauen muss. Ganz zu schweigen von ein paar richtig widerlichen Einlagen in bester **FEUCHTGEBIETE**-Manier. Farbe und Schwarzweiß wechseln sich ständig ab: Farbe gibt es nur innen, Schwarzweiß nur draußen. Aber warum? Roehlers Liebeserklärung an das West-Berlin Anfang der 1980er-Jahre ist eine ziemlich derbe Komödie geworden, bei der man sich ständig fragt, wohin sie uns führen soll. Tom Schilling glänzt als Punker Robert und Frederick Lau mimt den richtig hässlichen schwulen Nazi Gries, der eigentlich von Nichts eine Ahnung hat, mit Bravour. Etwas fehlt am Platz wirkt Wilson Gonzalez Ochsenknecht, der in

Wolfram Hannemanns Film-Blog

der Rolle des Schwarz auffallend emotionslos agiert. Ist das gewollt oder kann er nicht anders? Fazit: wer abgedreht mag, dem könnte der Film gefallen. Mir leider nicht.

Mittwoch, 25. Februar 2015

Ich bin kein Gemüse

Polnisches Kino gibt es nur selten bei uns zu sehen. Heute war es mal wieder soweit

IN MEINEM KOPF EIN UNIVERSUM

(1:2.35, DD 5.1)

OT: Chce Sie Zyc

Verleih: MFA (Filmagentinnen)

Land/Jahr: Polen 2013

Regie: Maciej Pieprzycy

Darsteller: Dawid Ogrodnik, Kamil

Tkacz, Dorota Kolak

Kinostart: 09.04.2015

Polen in den 1980er Jahren. Der kleine Mateus leidet schon immer an einer zerebralen Bewegungsstörung. Er kann weder laufen noch reden. Von der Außenwelt wird er sofort als geistig behindert eingestuft. Doch sein Geist ist frisch und lebendig und wartet nur darauf, allen zu sagen: "Ich bin kein Gemüse!". Der Einzige, der ihn zu verstehen scheint, ist sein Vater. Als der jedoch stirbt und seine Mutter einen Unfall hat, kommt Mateus in ein Heim für geistig Behinderte. Doch Mateus gibt nicht auf... Ein Mensch gefangen im eigenen Körper. **SCHMETTERLING UND TAUCHERGLOCKE** hatte die Thematik bereits eindrucksvoll nach einer wahren Geschichte in Szene gesetzt. Ebenfalls auf einer wahren Geschichte beruht das polnische Drama **IN MEINEM KOPF EIN UNIVERSUM**, das von Mateus erzählt, der aufgrund seines körperlichen Gebrechens nach außen hin als geistig behindert wahrgenommen wird, dies aber ganz und gar nicht ist. Regisseur Maciej Pieprzycy lässt seinen Protagonisten aus dem Off erzählen, so als wäre er ein ganz normaler Mensch. Seine Gedanken, seine Wünsche, seine Bedürfnisse – als Zuschauer erfahren wir alles von Mateus. Doch weder seine Eltern noch seine Geschwister und schon gar nicht die Pflegekräfte im Heim für geistig Behinderte ahnen auch nur entfernt, dass

Mateus ein ganzes Universum in seinem Kopf hat. Der Film schildert die ersten 25 Jahre im Leben des Mateus, in Abschnitte gegliedert, die mit Schriftsymbolen eingeleitet werden und die erst im Laufe des Films ihre Bedeutung offenbaren. In der Rolle des Mateus absolviert Dawid Ogrodnik ein echte Tour-de-Force: keinen Augenblick zweifelt man daran, dass es sich um den echten Mateus handeln muss. Erst der Abspann lehrt uns eines Besseren. An diese Rolle reicht selbst ein Eddie Redmayne nicht heran.

Donnerstag, 26. Februar 2015

Schuld und Sühne

Ein tödlicher Unfall und sexueller Missbrauch wurden heute in den Vorführungen thematisiert.

EVERY THING WILL BE FINE (1:2.35, 3D, 5.1)

OT: Every Thing Will Be Fine

Verleih: Warner

Land/Jahr: Deutschland, Kanada, Schweden, Norwegen 2015

Regie: Wim Wenders

Darsteller: James Franco, Charlotte Gainsbourg, Rachel McAdams

Kinostart: 02.04.2015

Ein Schriftsteller mit Beziehungsproblemen und Schreibblockade verursacht einen Unfall, bei dem ein kleiner Junge ums Leben kommt. Sein gesam-

tes Leben gerät aus den Fugen. Nach einem erfolglosen Suizid bricht er zu neuen Ufern auf und versöhnt sich sogar mit der Mutter des getöteten Kindes. Doch der Unfall wird ihn noch viele Jahre nicht loslassen... Jetzt zeigt uns also Altmeister Wim Wenders, wie 3D richtig geht. Denn alle anderen Regisseure, darunter auch Herr Scorsese mit seinem **HUGO**, haben nichts davon verstanden! Nun, ich gebe ja freimütig zu, dass ich aufgrund eines Augenfehlers fast nichts dreidimensional sehen kann – zumindest nicht im Kino. Das stört mich auch nicht weiter und ich kann Wenders neuesten Film leider nicht nach seiner bahnbrechenden Dreidimensionalität beurteilen. Was mich allerdings nicht davon abhält den Meister zu schelten: warum in aller Welt muten Sie uns ein derart kontrastarmes und dunkles Bild zu? Noch dazu ein Bild, das künstlich verkleinert wurde, um die Untertitel in den dadurch entstehenden schwarzen Balken um unteren Bildrand zu packen? So etwas löst bei mir unweigerlich Augenkrebs aus! Bei keinem anderen 3D-Film habe ich die 3D-Brille derart oft abgesetzt, um überhaupt noch etwas zu erkennen. Bei dem eingangs erwähnten **HUGO** von Scorsese hatte ich diese Probleme nicht. Wer nun also bei wem Nachhilfestunden nehmen sollte, überlasse ich der Phantasie des Lesers. Aber lassen wir den technischen Schnickschnack und widmen uns dem Film selbst, zumindest mit ein paar wenigen Worten: er ist zu lang! Das fast zweistündige Kammerspiel hätte gut um die Hälfte gekürzt werden können. Stattdessen übt sich Wenders im Mut zur Langsamkeit und legt eine an Bernard Herrmann erinnernde Filmmusik über seine dunklen Bilder. Unheilsschwanger würde man das wohl nennen. Aber eben nur bis zu einem gewissen Punkt. Ist der überschritten (wie im vorliegenden Fall), üben wir uns in Langeweile. Aber was weiß ich schon. Vermutlich habe ich wieder grandiose Filmkunst komplett verkannt.

VERFEHLUNG (1:2.35, 5.1)

Verleih: Camino

Land/Jahr: Deutschland 2014

Regie: Gerd Schneider

Wolfram Hannemanns

Film-Blog

Darsteller: Sebastian Blomberg, Kai Schumann, Jan Messutat
Kinostart: 26.03.2015

Seit Jahren arbeitet der katholische Priester Jakob Völz als Gefängnis-seelsorger. Neben seinem unerschütterlichen Glauben findet er stets Halt bei seinen Priester-Kollegen Dominik und Oliver. Während Oliver dabei ist, die Karriereleiter zu besteigen, kümmert sich Dominik vor allem um die Jugendpflege. Als Dominik eines Tages plötzlich unter Verdacht steht, einen Schüler missbraucht zu haben, ist für Jakob und Oliver klar, dass es sich um eine unhaltbare Anschuldigung handelt. Je mehr sich jedoch Jakob mit dem Fall beschäftigt, desto größer werden seine Zweifel und stürzen ihn schließlich in einen existentiellen Konflikt... Es war nur eine Frage der Zeit, bis die vielen Missbrauchsfälle durch Geistliche auch in einen Spielfilm münden. Geschaffen hat ihn Gerd Schneider, ein studierter Theologe, der damit sein Kinodebüt gibt. Und das ist auch weitgehend gelungen. Zumindest was die Thematik angeht. Der Konflikt zwischen dem an Gerechtigkeit glaubenden Priester und der Institution der katholischen Kirche, die solche Probleme aus marketing-technischen Gründen lieber "intern" lösen möchte, wird gut herausgearbeitet. Woran der Film leider scheitert sind seine Bilder, die zwar in CinemaScope flimmern, aber trotzdem an Fernsehbilder erinnern. In Bezug auf die Darsteller sowie die Filmmusik ordentliches Handwerk.

Freitag, 27. Februar 2015

Ziemlich verliebte Freunde

Zum Wochenausklang eine nette Romantikkomödie

THE F-WORD – VON WEGEN GUTE FREUNDE! (1:2.35, DD 5.1)

OT: What If

Verleih: Senator

Land/Jahr: Irland, Kanada 2014

Regie: Michael Dowse

Darsteller: Daniel Radcliffe, Zoe Kazan, Megan Park

Kinostart: 09.04.2015

Eigentlich wollte Wallace erst gar nicht

mehr vor die Tür gehen, seit es mit seiner Freundin aus ist und er sein Medizinstudium geschmissen hat. Für die Party seines besten Kumpels Allan macht er eine Ausnahme – und die halt ungeahnte Folgen. Denn er lernt Allans Cousine Chantry kennen, eine Trickfilmzeichnerin, die offensichtlich auf genau derselben Wellenlänge sendet wie Wallace. Eigentlich sind die beiden ein Traumpaar und wissen es insgeheim auch von der ersten Sekunde an – wäre da nicht dieser kleine Schönheitsfleck mit dem Namen Ben, seines Zeichens Chantrys Freund!

Wallace und Chantry beschließen nur Freunde zu bleiben. Aber da hat freilich Amor auch noch ein Wörtchen mitzureden... Das berühmte "F"-Wort steht hier nicht etwa für das, wofür man es immer wieder gerne verwendet, sondern für das Gegenteil: Freundschaft. Allerdings könnte man während dem Film ständig glauben, dass der Filmtitel doch eher das F unterhalb der Gürtellinie meint. Denn viele der Dialoge, speziell jene zwischen Wallace und Allan, sind ziemlich vulgär und zerstören den eigentlichen Romantik-Charakter dieser Komödie, die auf einem Theaterstück basiert. Thematisiert wird das uralte Dilemma, in dem Freunde stecken, wenn sie unterschiedlichen Geschlechts sind. Wie einst Harry und Sally im gleichnamigen Film beweisen Wallace und Chantry, dass es keine Freundschaft zwischen Mann und Frau geben kann, sondern diese immer in der Liebe endet – auch wenn sich das beide nicht eingestehen wollen. Daniel Radcliffe tut zwar sein Bestes, um den schlagfertigen und manchmal zynischen Romantiker zu mimen, aber mit immer demselben Gesichtsausdruck ist man nicht gewillt, ihm diese Rolle abzu kaufen. Zu sehr ist Radcliffe mit dem Fluch des Harry Potter beladen. Ganz anders hingegen seine Partnerin Zoe Kazan. Sie versteht sich hervorragend darauf, ihre romantische Seite zu offenbaren und kann das innere Dilemma, in dem sie steckt, auf ihr hübsches Gesicht projizieren. Abgesehen von zuvor erwähnten verbalen Entgleisungen machen die Rede- oder Wortduelle der beiden Protagonisten durchaus Laune. Hübscher Einfall: Chantrys wahres Ge-

fühlsleben zeigt sich in einer kleinen Animationsfigur, die schwerelos stets in Richtung von Wallace schwebt. Etwas nervig: die auf ziemlich hohem Pegel eingestreuten Songs, die zeitweise die Dialoge erdrücken. Fazit: mit Einschränkungen als Date Movie brauchbar.

Samstag, 28. Februar 2015

Zwei Städte, viele Schicksale

Zur Abwechslung gab es für mich heute mal wieder Kost von der Silberscheibe

WILLKOMMEN AUF DEUTSCH

(1:1.85, 5.1)

Verleih: Brown Sugar Films

Land/Jahr: Deutschland 2014

Regie: Hauke Wendler, Carsten Rau

Kinostart: 12.03.2015

Anhand des Beispiels zweier Gemeinden in Norddeutschland beleuchten die beiden Dokumentarfilmer Hauke Wendler und Carsten Rau die gegenwärtige Asylpolitik der Bundesrepublik Deutschland. Das kleine Dorf Appel steht aus Sicht der Bürger vor einem riesigen Problem: das leerstehende Altenheim soll demnächst als Asylantenheim für 53 Schwarzafrikaner dienen. "Das ist alles andere als sozialverträglich!" monieren die Einwohner, Widerstand formiert sich. Ganz anders die Situation in Tespe. Dort wird das ehemalige Haus der Sparkasse bereits von Flüchtlingen bewohnt. Das obere Stockwerk ist das augenblickliche Zuhause einer fünfköpfigen Familie aus Tschetschenien. Sie bangen jeden Tag und hoffen, dass sie nicht abgeschoben werden. Die Mutter liegt mit psychischer Erkrankung im weit entfernten Krankenhaus, die 21jährige Tochter Larisa muss ganz alleine den Haushalt schmeissen. Eine 80jährige Rentnerin kümmert sich ehrenamtlich um das Wohlergehen der Familie und hilft wo sie nur kann. Reiner Kaminski, der Leiter des Fachbereichs Soziales beim Landkreis Harburg und damit zuständig für die Asylanten, sitzt zwischen allen Stühlen und ist überlastet. Der exzellent fotografierte Dokumentarfilm, entstanden in einem Zeitraum von einem

Wolfram Hannemanns Film-Blog

Jahr, stimmt nachdenklich. Einzelschicksale von Flüchtlingen werden den Bedürfnissen der Gemeinden gegenübergestellt mit dem klaren Fazit: das Asylgesetz muss dringend reformiert werden. **WILLKOMMEN IN DEUTSCHLAND** ist eine Bestandsaufnahme der derzeitigen Situation und lädt zur Diskussion ein.

Montag, 02. März 2015

Bulgarien von unten, Baden-Württemberg von oben

Perspektivlosigkeit traf auf grenzenlose Perspektiven im heutigen Presse-Doppel

JUDGMENT – GRENZE DER HOFFNUNG (1:2.35, 5.1)

OT: Sadilishteto

Verleih: farbfilm

Land/Jahr: Bulgarien, Deutschland, Makedonien 2014

Regie: Stephan Komandarev

Darsteller: Predrag Manojlovic, Assen Blatechki, Luran Ahmeti

Kinostart: 23.04.2015

Als der Molkereibetrieb schließt, steht Mityo ohne Job da. Einen anderen Job zu finden ist an der bulgarisch-türkischen Grenze fast aussichtslos. Selbst seinen Milchtanker kann er nicht verkaufen. So lässt er sich auf das Angebot eines ehemaligen und gut betuchten Armee-Captains an, Flüchtlinge aus Syrien über die nahe Grenze zur Türkei in die EU zu schleusen. Ein höchst riskantes Unterfangen, das sogar dazu führt, dass sein Sohn ein streng gehütetes Geheimnis aus Mityos Vergangenheit ans Tageslicht bringt...

JUDGMENT besitzt den gleichen Grundtenor wie der russische

LEVIATHAN, der im März in die deutschen Kinos kommt: im Osten ist alles heruntergewirtschaftet, die Menschen haben keine Chance. Wer eine Chance möchte, muss Illegales tun. So zeigt uns Regisseur Stephan Komandarev sein Bulgarien in düsteren Farben als ein Land, in dem es eigentlich immer nur regnet und sich dichte Nebelschleier in die Täler zwischen den Bergen legen. In den Gesichtern seiner Darsteller spiegelt sich deren Perspektivlosigkeit sehr deutlich wider.

Gleichzeitig findet er einen recht ver-söhnlichen, wenn auch offenen Schluss für seinen Film, der vor allem auch von verdrängter Schuld und ihrer Sühne erzählt. Ein Film, der es sicherlich schwer haben wird, sein Publikum inmitten unserer Spaßgesellschaft zu finden.

BADEN-WÜRTTEMBERG VON OBEN (1:1.85, 5.1)

Verleih: Kinostar

Land/Jahr: Deutschland 2015

Regie: Dr. Peter Bardehle, Julia Zantl

Kinostart: 26.03.2015

Dem Volk wird mal wieder auf den Kopf geschaut. Doch der Gürtel wird jetzt ein wenig enger geschnallt. Nicht ganz Deutschland oder die komplette Nordsee wird mit dem technischen Meisterwerk namens CineFlex eingefangen, sondern nur jener kleine Landstrich, der sich Baden-Württemberg nennt. Man geht also jetzt ins Mikroskopische, wenn man so will. Ob Stuttgart, Ludwigsburg, Mannheim, Karlsruhe oder auch Heidelberg – aus der Luft betrachtet eröffnen sich neue Perspektiven für die Schwaben und Badener – und alle anderen natürlich auch. Warum sich die Macher der “von oben”-Serie allerdings wieder nicht trauen, ihr Werk endlich einmal kinogerecht zu präsentieren, gibt Anlass zur Verwunderung. Wieder kein CinemaScope. Stattdessen nur eingeschränktes TV-Format. Damit hält sich die Wirkung der Bilder einmal mehr in engen Grenzen. Apropos Bilder: was haben denn die ollen Schwarzweißbilder der Amerikaner in diesem Film verloren, die zeigen, wie die Goldstadt Pforzheim 1945 von den Alliierten in Schutt und Asche gebombt wird? An dieser Stelle wirkt der Film wie Geschichtsunterricht a la Guido Knopp. Die von der gebürtigen Stuttgarterin Nina Hoss eingesäuselten Texte aus dem Off animieren zum baldigen Einschlafen, der Musikeppich wirkt beliebig. Würde man den Film von seinen 95 Minuten Spielzeit auf TV-Format schraffen (also 45 Minuten), wäre der Rundflug bestimmt interessanter. Dann allerdings würde er weit weniger Städte in den Fokus rücken

und damit möglicherweise weniger Zuschauer generieren. Abzulesen ist dieses wirtschaftliche Kalkül schon an der Tatsache, dass es für jede der im Film gezeigten Städte einen eigenen Trailer gibt!

Dienstag, 03. März 2015

Der alte Mann und der Fluss

Ein bildgewaltiges Epos aus Osteuropa und eine One-Man-Show aus Deutschland gaben sich heute in der Presse die Klinke in die Hand

DIE MAISINSEL (1:2.35, 5.1)

OT: Simindis Kundzuli

Verleih: Neue Visionen

Land/Jahr: Georgien, Deutschland, Frankreich, Tschechien, Kasachstan 2014

Regie: George Owaschwili

Darsteller: Ilyas Salman, Mariam Buturishvili, Irakli Samushia

Kinostart: 28.05.2015

Jedes Jahr entstehen im Fluss Enguri kleine Inseln aus fruchtbarem Boden, den der Fluss aus den Höhen des Kaukasus anschwemmt. Ein alter Mann beginnt damit, auf einer dieser Inseln in mühevoller Arbeit ein Haus zu errichten. Sein Plan ist es, auf dem Ackerboden Mais anzubauen, um das Überleben seiner Familie zu sichern. Einzig seine 16jährige Enkelin unterstützt ihn dabei. Doch das Idyll wird immer wieder durch patrouillierende Soldaten gestört. Eines Tages entdeckt das Mädchen einen verwundeten Mann inmitten des Maisfeldes... George Owaschwili präsentiert in seinem Film die wohl spektakulärsten Bilder seit langer Zeit. Kameramann Elemér Ragalyi zaubert kraftvolle und poetisch anmutende Bilder zugleich für diese Geschichte, die fast ohne Dialoge auskommt und trotzdem fesselt. Wir erfahren nicht viel über die Protagonisten, den alten Mann sowie seine Enkelin. Der Film erzählt und weder woher sie kommen, noch wo ihre Familien leben. Aber es ist auch nicht wichtig für das Verständnis der Geschichte. Hier geht es um das Erwachsenwerden und um Freiheit sowie das ewige Ringen mit der Natur. Ein Film, der im Gedächtnis bleibt.

Wolfram Hannemanns Film-Blog

MÜLHEIM – TEXAS. HELGE SCHNEIDER HIER UND DORT (1:2.35, 5.1)

Verleih: Piff!

Land/Jahr: Deutschland 2015

Regie: Andrea Roggon

Darsteller: Helge Schneider

Kinostart: 23.04.2015

Die Außenseiterrolle, die er aufgrund seiner roten Haare als Teenager inne hatte, hat er kultiviert. Eine von nur ganz wenigen privaten Informationen, die Helge Schneider in dieser One-Man-Show von sich preisgibt. Die Regisseurin dieses Porträts gibt sich zwar alle Mühe der Welt, in Schneiders innersten Kern vorzudringen, aber der Musikkomiker bleibt seiner Rolle treu und spielt und spielt und spielt. Das ist mitunter natürlich ziemlich witzig, ebenso wie die witzigen Einlagen aus Helge Schneiders Bühnenauftritten, doch enttäuscht es den Zuschauer. Dabei hätte man doch so gerne etwas aus dem Privatleben dieses Multitalents erfahren. Eine Familie wird da zwar mal in einem Nebensatz erwähnt, zu sehen gibt es die aber nicht. So muss sich Andrea Roggon darauf beschränken, den Blödelbarden in all seine Revieren bis hin ins entfernte Texas mit der Kamera zu begleiten. Nicht einmal ein ganz normales Interview kann sie ihm abringen. Die Regisseurin hat aber aus der Not eine Tugend gemacht und präsentiert jetzt einen Menschen, der sich hinter einer Clownsmaske versteckt. Für Fans des Komikers sehenswert, für alle anderen nicht unbedingt.

Mittwoch, 04. März 2015

Reise in die germanische Mythologie

Ein Fantasy-Film made in Germany bestimmte meinen Mittwochmorgen

MARA UND DER FEUERBRINGER

(1:2.35, 5.1)

Verleih: Constantin

Land/Jahr: Deutschland 2015

Regie: Tommy Krappweis

Darsteller: Lilian Prent, Jan Josef

Liefers, Esther Schweins

Kinostart: 02.04.2015

Mara steckt mitten in der Pubertät, hat eine Mutter auf dem Esoterik-Trip und

wird von ihren Klassenkameradinnen gemobbt. Zu allem Übel wird sie auch noch von antiken Visionen heimgesucht. Dass ausgerechnet an Letzteren etwas dran ist, merkt sie erst, als plötzlich ein kleiner Zweig mit ihr spricht und ihr erklärt, dass sie angeblich eine Seherin ist. Sie wendet sich an Dr. Reinhold Wessinger, dessen Spezialgebiet germanische Mythologie ist und der ihr möglicherweise helfen könnte. Schon bald beginnen für beide aufregende Abenteuer, die sie unmittelbar in die Vergangenheit führen... Man hat fast den Eindruck, dass sich die Macher für die Realisierung dieses deutschen Fantasy-Films einen Baukasten mit der Bezeichnung "Wir bauen uns einen Fantasy-Film" zugelegt haben. Denn abgedroschener und langweiliger wie dieses aus Versatzstücken geborenen Werk kann Kino eigentlich nicht mehr sein. Teils unbeholfene Nachwuchsdarsteller (hier insbesondere das blonde Dummchen, das Mara ständig mobbt), eine grandios klingen wollende Filmmusik (sie tut es nicht!), suboptimale visuelle Effekte (über den Lindwurm aus der germanischen Mythologie darf unfreiwillig, aber herzlich gelacht werden!) und ein nerviges hin- und her Gezappel zwischen realer Welt und Fantasywelt soll mittels erzwungen cool wirkenden Dialogen abgemildert werden. Das Experiment misslingt. Übrig bleibt eine leere Hülle, die vermutlich zur besten Sendezeit die RTL-Klientel begeistern soll. Warum das Machwerk überhaupt erst ins Kino kommt bleibt ein Rätsel.

Donnerstag, 05. März 2015

Der Hochstapler und der Liebespaarmörder

Ungewöhnliches von Tim Burton und Ungewöhnliches aus dem Slasher-Genre begegneten mir heute im Kino

BIG EYES (1:1.85, DD 5.1)

OT: Big Eyes

Verleih: Studiocanal

Land/Jahr: USA 2014

Regie: Tim Burton

Darsteller: Amy Adams, Christoph

Waltz, Krysten Ritter

Kinostart: 23.04.2015

San Francisco Ende der 1950er Jahre. Eben erst ist die Kunstmalerin Margaret mitsamt ihrer kleinen Tochter von ihrem Mann davongelaufen, als sie den Charmeur Walter kennenlernt, einen Immobilienmakler, der sich selbst gerne als Kunstmaler versucht. Margarets Bilder von Kindern mit übergroßen Augen begeistern Walter und er beginnt damit, sie zu vermarkten. Der kleine Haken dabei: er gibt sich als Urheber der "Big Eyes"-Bilder aus. Mit sensationellem Erfolg. Er überzeugt die sehr zurückhaltende Margaret davon, dass es so das Beste für alle Beteiligten sei und sie das kleine Geheimnis nie verraten dürfe. Nicht einmal ihre Tochter Jane darf es wissen. Ein Leben mit einer Lüge beginnt... Eigentlich ist die auf einer wahren Begebenheit beruhende Hochstaplergeschichte alles andere als das Sujet für einen Tim Burton Film. Das Thema enthält keinerlei phantastische Elemente. Dennoch hat sich Burton des Stoffes angenommen und beweist damit, dass er eben mehr kann als nur Fantasy! Mit Bravour hat er die Geschichte in Szene gesetzt. Einfach perfekt das Zeitkolorit, das bis in kleinste Kleinigkeiten stimmt. Sogar Lowell Thomas kommt hier in einem kurzen Wochenschaufilm zu Wort – und kurze Zeit später bezeichnet Margaret Keane das überdimensionale Gemälde, das sie im Auftrag ihres Gatten für den UNICEF-Pavillon bei der Weltausstellung in New York anfertigt, als "Cinerama"-like. Eingefleischte Filmfans wissen natürlich, dass Lowell Thomas die treibende Kraft hinter Cinerama war, jenem Breitbildformat, mit dem die Kinoindustrie in eine neue Dimension abhob. Die Perfektion gilt auch für Burtons Protagonisten. Amy Adams überzeugt in ihrer Rolle als Margaret, indem sie sich vollkommen zurücknimmt und nie in den Vordergrund tritt. Christoph Waltz hingegen kostet seine Dominanz als Walter Keane sogar soweit aus, dass er in einer Szene gleichzeitig Verteidiger und Zeuge vor Gericht mimt. Das ist einfach zu köstlich und passt damit freilich in sein bisheriges Oeuvre wie die Faust aufs Auge. Wie immer heuert Burton wieder Danny Elfman für die Filmmusik an. Und der hat wohl vor

Wolfram Hannemanns Film-Blog

dem "Komponieren" (es wird berichtet, dass Elfman keine Noten lesen oder gar schreiben kann) eine Überdosis Thomas Newman gehört. Denn wüsste man nicht, dass Elfman als Komponist verantwortlich zeichnet, könnte man die Musik durchaus Thomas Newman zuschreiben. Aber das nur als kleine Randbemerkung für die filmmusikalisch interessierten Leser. Fazit: **BIG EYES** ist ein grandioser Film, den man sich durchaus im Kino anschauen sollte.

WARTE, BIS ES DUNKEL WIRD

(1:2.35, DD 5.1)

OT: The Town That Dreaded Sundown

Verleih: Tiberius Film (24 Bilder)

Land/Jahr: USA 2014

Regie: Alfonso Gomez-Rejon

Darsteller: Addison Timlin, Veronica

Cartwright, Travis Tope

Kinostart: 09.04.2015

Eine brutale Mordserie schreckt die Einwohner des kleinen Städtchens Texarkana auf. Erinnerungen werden wach an eine ähnliche Mordserie, der Ende der 1940er Jahre mehrere Liebespaare zum Opfer fielen. Die junge Jamie wird vom maskierten Mörder verschont, ihr Freund Corey stirbt grausam. Während die Polizei fieberhaft ermittelt, stellt Jamie eigene Recherchen an. Und schon geschieht der nächste Mord... Noch vor John Carpenters **HALLOWEEN** schuf Charles B. Pierce 1976 den Slasher-Film **THE TOWN THAT DREADED SUNDOWN**, der in Deutschland unter dem Titel **DER UMLEGER** ins Kino kam und später als **PHANTOMKILLER** die Videotheken bereicherte. Pierces Film beruhte auf einer wahren Geschichte, den sogenannten "Moonlight"-Morden, die sich Ende der 1940er-Jahre in einem kleinen Grenzstädtchen zwischen Arkansas und Texas ereigneten. Jetzt hat sich Regisseur Alfonso Gomez-Rejon erneut des Stoffes angenommen – und das auf eine originelle Weise: er macht den alten Film zum Teil des neuen! Sein Film spielt 2013 und basiert auf der Grundidee, dass jener alte Film von 1976 traditionell jedes Jahr in der Kleinstadt Texarkana zur Aufführung kommt. Gomez-Rejon geht sogar noch einen Schritt weiter und lässt seine

Protagonistin bei ihren Recherchen sogar mit dem Sohn von Charles B. Pierce zusammentreffen, der ihr wertvolle Hinweise gibt, die sein Vater seinerzeit bei den Vorbereitungen für seinen Film sammelte. So originell dieser Plot-Einfall auch ist, umso enttäuschender allerdings gibt sich die Auflösung. Damit jedoch steht Alfonso Gomez-Rejons Film in der Tradition jener Slasher-Filme, die in den 1970er- und 1980er-Jahren im Grunde genommen nach immer demselben Muster abliefen und auch stets die merkwürdigsten Plot-Auflösungen parat hatten. Man darf seinen Film hier durchaus als eine Verbeugung vor diesen Horror-Thrillern verstehen. Das wird nicht zuletzt dadurch klar, dass sein Film mit einem Verleihlogo beginnt, mit dem Filmfans aus jener Zeit bestens vertraut sind und das man seit Jahrzehnten nicht mehr zu sehen bekam. Auch was die Tötungssequenzen angeht macht der Regisseur auf "Old School": der Film ist an diesen Stellen alles andere als detailverliebt und vieles bleibt im Verborgenen. Das freilich dürfte die heutige Generation von Horrorfans sicher nicht zufriedenstellen, sind die doch inzwischen explizite Kost gewohnt. Nicht nur dadurch hebt sich **WARTE, BIS ES DUNKEL WIRD** deutlich von neueren Slasher-Produktionen ab, sondern auch durch seine ambitio-

nierte Kameraarbeit, die es versteht, durch ungewöhnliche Perspektiven und viel Kranarbeit die Bilder für den Betrachter stets interessant zu gestalten. Fazit: für Genre-Fans durchaus brauchbare Horrorkost. (Es ist erstaunlich, dass der Film tatsächlich eine Kinoauswertung in Deutschland erlebt. Doch in Anbetracht der Tatsache, dass es sich beim Verleiher um das DVD-Label Tiberius handelt, wird das Kalkül offensichtlich: ein Film verkauft sich auf DVD wesentlich besser, wenn er zuvor im Kino lief)

Montag, 09. März 2015

Der Countdown läuft

Zum Wochenbeginn gleich ein Dokumentarfilmdoppel, das es in sich hatte

THE FORECASTER (1:2.35, 5.1)

Verleih: farbfilm

Land/Jahr: Deutschland 2014

Regie: Marcus Vetter, Karin Steinberger

Kinostart: 07.05.2015

"Am 1. Oktober 2015 kommt der große Kollaps in der Weltwirtschaft!" – Mit seinen Wirtschaftsprognosen verblüffte der Amerikaner Martin Armstrong immer wieder. Mit dem von ihm Anfang der 1980er Jahre entwickelten ComputermodeLL sagte er alle großen Ereignisse der Weltwirtschaft sehr exakt voraus. So lange, bis er auf dubiose Art und Weise von amerikanischen Gerichten hinter Schloss und Riegel verschwand. Erst 11 Jahre später tauchte er wieder als freier Mann auf und nahm seine Tätigkeit als Wirtschaftsexperte wieder auf. In seinem Dokumentarfilm versucht Marcus Vetter nicht nur dem Genius auf die Spur zu kommen, sondern vor allem auch hinter die geheimnisvollen Machenschaften zu gelangen, die zu Armstrongs Verhaftung führten. Entstanden ist dabei ein extrem spannender Wirtschaftskrimi, der ebenso fasziniert wie beängstigt. Vetter interviewte nicht nur Armstrong und dessen Familie für seinen Film, sondern auch viele der Weggefährten Armstrongs, der bis heute nicht sein raffiniertes Computerprogramm freigelegt hat. Ob er mit sei-

Wolfram Hannemanns Film-Blog

nem streng geheimen Wirtschaftsmodell Recht hat oder nicht, wird am 1. Oktober dieses Jahres entschieden. Be prepared!

10 MILLIARDEN – WIE WERDEN

WIR ALLE SATT? (1:2.35, 5.1)

Verleih: Prokino (24 Bilder)

Land/Jahr: Deutschland 2015

Regie: Valentin Thurn

Kinostart: 16.04.2015

Bis zum Jahre 2050 wird die Weltbevölkerung auf 10 Milliarden anwachsen. Höchste Zeit darüber nachzudenken, wie man die alle wohl satt bekommen könnte. Der Dokumentarfilmer Valentin Thurn hat sich auf eine Weltreise begeben, um die Nahrungskette zu analysieren und die daraus resultierenden verschiedenen Ansätze der Lebensmittelproduktion zu verstehen. Das geht von Kunstdünger und genmanipuliertem Gemüse, welches von der Lebensmittelindustrie favorisiert wird, über Legebatterien bis hin zu einzigartigen Modellen, bei denen Bürger die Sache selbst in die Hand nehmen. Thurns Film macht klar, dass der Weg der Konzerne nicht der richtige ist, dass dadurch das steig wachsende Problem der Nahrungsmittelknappheit überhaupt erst entstehen konnte. Und er zeigt auch einige Alternativen auf, sozusagen als Gegenentwurf zur Massenproduktion. Sein klares Fazit: ein jeder muss selbst tätig werden. Es erfordert natürlich ein großes Umdenken, nicht einfach nur ganz bequem in die großen Lebensmittelmärkte zu pilgern, sondern eigenverantwortlich für Nachschub beim täglichen Brot zu sorgen. Hierzu liefert Thurns Film ein paar nachahmenswerte Beispiele.

Dienstag, 10. März 2015

Ein langer Tag

Um eine amerikanische Familie, einen britischen Filmregisseur und unzählige makellose Feen ging es im heutigen Triple Feature

DIE COOPERS – SCHLIMMER GEHT IMMER

(1:2.35, DD 5.1)

OT: Alexander And The Terrible, Horrible, No Good, Very Bad Day
Verleih: Walt Disney

Land/Jahr: USA 2014

Regie: Miguel Arteta

Darsteller: Steve Carell, Jennifer

Garner, Ed Oxenbould

Kinostart: 09.04.2015

Aufgrund einer Sperrfristvereinbarung gibt es die Kurzkritik zu diesem Film erst ab 06.04.2015 an dieser Stelle

WELCOME TO KARASTAN

(1:2.35, 5.1)

OT: Welcome To Karastan

Verleih: Piffel

Land/Jahr: Großbritannien, Georgien,

Deutschland, Russland 2014

Regie: Ben Hopkins

Darsteller: Matthew Macfadyen, Noah

Taylor, MyAnna Buring

Kinostart: 14.05.2015

Als er sich mitten in einer Schaffenskrise befindet, ereilt einen bekannten englischen Filmregisseur ein Angebot aus einem fernen osteuropäischen Land: der Präsident von Karastan möchte von ihm ein Epos über den Nationalhelden des Landes drehen lassen. Dass in dem abgelegenen Staat ganz eigene Regeln gelten, bemerkt der Filmemacher erst, als es schon zu spät ist... Was denn nun – Komödie oder Drama? Es ist wirklich frappierend, mit welcher Konsequenz Ben Hopkins' Film seine Unentschlossenheit auslebt! Einerseits zieht der Film alle Register, um einen von A bis Z korrupten osteuropäischen Staat durch den Kakao zu ziehen, andererseits wirken viele Szenen derart dramatisch, dass einem das Lachen im Halse stecken bleibt. Bei all der Konfusion vergisst das Drehbuch dann schließlich, dass es gilt, ein Publikum zu unterhalten. Mit Langeweile lässt sich so etwas leider nicht erreichen.

TINKERBELL UND DIE LEGENDE VOM NIMMERBIEST

(1:1.85, 3D, DD

5.1 + 7.1)

OT: Tinker Bell And The Legend Of

The NeverBeast

Verleih: Walt Disney

Land/Jahr: USA 2014

Regie: Steve Loter

Kinostart: 30.04.2015

Mit ihrem großen Herz für alle möglichen Tiere bringt Fee Emily sich und das gesamte Tal der Feen immer wieder an den Rand einer Katastrophe. Sie solle außer ihrem Hetzen auch ihren Verstand walten lassen, rät ihr die Königin. Das aber ist leichter gesagt als getan – und schon nimmt sich Emily eines neuen Lebewesens an: ein zotteliges, riesiges Etwas mit großen Augen, das mit Gebrüll aus seinem langen Schlaf erwacht ist und wie wild damit beginnt, Türme aus Stein zu bauen. Heimlich nimmt sich Emily dieses Wesens an, nicht ahnend, dass es sich bei Grummel, wie sie ihren neuen Freund nennt, um das NimmerBiest handelt, das der Legende nach schon sehr bald das Feenreich auslöschen wird... Mit einer weiteren Geschichte aus dem Tal der Feen wendet sich der Disney-Konzern einmal mehr an kleine Mädchen und liefert so leider grenzwertige Unterhaltung. Denn das Frauenbild, das dem unbedarften Zielpublikum hier unverblümt vermittelt wird, sollte eigentlich längst überholt sein. Da stehen nach wie vor Äußerlichkeiten hoch im Kurs: makellose Haut und eine Wespentaille scheinen die Dinge zu sein, worauf es im Leben ankommt. Männliche Feen gibt es so gut wie gar nicht und wenn, dann sind sie ziemlich dumm. Starke Feen (hier: die Wächterinnen des Feentals) sind zwar weiblich, wirken aber kalt und androgyn. Ganz am Schluss wird dann auch noch etwas Pädagogik angeklebt. Da geht es dann sinnbildlich ums Sterben, das süßlich verpackt wird als ein Jahrhunderte andauernder Winterschlaf. Das sind natürlich alles Feinheiten, die kleine Mädchen nie bewusst wahrnehmen, gibt es doch bis dahin eine Menge Action in überflüssigem 3D. Wie bei allen TinkerBell Geschichten sind die Charaktere sehr einfach gehalten, ihre Gesichter haben weder Fett noch Falten, sondern wirken wie Schaufensterpuppen. Bemerkung am Rande: irre ich mich oder klang das NimmerBiest exakt so wie Chewbacca? Wundern würde es mich nicht, da das **STAR WARS** Universum inzwischen von Disney einverleibt wurde... Fazit: Finger weg!

Whom you gonna call?

Eine Kinderbuchverfilmung stand heute auf meinem Kinofahrplan

GESPENSTERJÄGER (1:2.35, 5.1)

Verleih: Warner

Land/Jahr: Deutschland, Österreich, Irland 2015

Regie: Tobi Baumann

Darsteller: Anke Engelke, Christian Tramitz, Milo Parker, Karoline Herfurth, Christian Ulmen

Kinostart: 02.04.2015

Aufgrund einer Sperrfristvereinbarung gibt es die Kurzkritik zu diesem Film erst ab 19.03.2015 an dieser Stelle

Freitag, 13. März 2015

Kumbh Mela und Boovs

Dokumentarisches und computeranimiertes bildeten für mich den Wochenabschluss

ANDEN UFERN DER HEILIGEN

FLÜSSE (1:1.78, 5.1)

OT: Faith Connections

Verleih: NFP (Filmwelt)

Land/Jahr: Frankreich, Indien 2013

Regie: Pan Nalin

Kinostart: 30.04.2015

Die Kumbh Mela ist das größte Religionsfest der Hindus. Alle 12 Jahre findet sie statt, am Zusammenfluss der drei heiligen Flüsse: Ganges, Yamuna und dem mystischen wie unsichtbaren Saraswati. Das Bad im Fluss reinigt von allen Sünden, sagt man. Einmal im Leben möchte jeder Hindu daher im heiligen Wasser ein Bad nehmen. Filmemacher Pan Nalin nimmt den Wunsch seines alten Vaters, das heilige Wasser zu spüren, zum Anlass, am Kumbh Mela teilzunehmen, um ihm eine Flasche des Wassers nach Hause zu bringen. Auf der Kumbh Mela trifft er die unterschiedlichsten Menschen, alle vereint im Glauben. Ein paar von ihnen stellt er in seinem Film vor: den 10jähri-

gen Ausreißer Kishan Tiwari, der für sein Alter bereits extrem gewitzt und schlagfertig ist und eine Karriere als Mafiaboss anstrebt – sagt er zumindest; Mamta und Sonu, die ihren 3jährigen Sohn Sandeep im Menschengewirr verloren haben und verzweifelt nach ihm suchen; einen Yogi, der sich bereits der Welt entsagt hatte, aber sich um ein ausgesetztes Kind kümmerte und damit wieder in die Welt zurückkam; einen Asketen, der seine innere Ruhe durch den Genuss von Cannabis findet; zwei Sadhus, die sich voll und ganz ihrer Spiritualität hingeben. Die Bilder von den Menschenmassen, die sich auf der Kumbh Mela vergnügen, wirken dabei leider eher abschreckend als spirituell erleuchtend. Nalin zeigt das ganze Ausmaß der Kultveranstaltung. Das ist zwar durchaus interessant, wird aber bei der Länge von fast zwei Stunden ziemlich anstrengend und man grübelt, was der Regisseur denn eigentlich mit seinen Geschichten bezwecken wollte. Vielleicht bringt es sein Vater mit einer lapidaren Bemerkung auf den Punkt, als ihm sein Sohn am Ende des Films die Flasche heiligen Wassers übergibt: “Und das alles nur wegen dem bisschen Wasser?”

HOME – EIN SMEKTAKULÄRER TRIP

(1:1.85, 3D, Auro 11.1, DD 5.1 + 7.1 + Atmos)

OT: Home

Verleih: Fox

Land/Jahr: USA 2015

Regie: Tim Johnson

Kinostart: 26.03.2015

Die Boovs, eine außerirdische Spezies, deren hervorragendste Eigenschaften das Weglaufen ist, fühlen sich auf ihrem Heimatplaneten nicht mehr sicher und erkoren die Erde als ihre neue Heimat aus. In Windeseile werden die Menschen in Internierungslagern zusammengepfercht und die Boovs bevölkern die Welt. Einer dieser Boovs ist

Oh, ein lustiger und sensibler Außenseiter, den niemand leiden kann. Als er eines Tages zufällig das Mädchen Tip entdeckt, die sich der Internierung entziehen konnte und verzweifelt nach ihrer Mutter sucht. Oh will ihr helfen, sie zu finden. Auf ihrer gemeinsamen Reise entsteht eine Freundschaft zwischen den vollkommen unterschiedlichen Wesen... Wäre **HOME** in den 1970er oder 1980er Jahren entstanden, wäre er vermutlich ein Meisterwerk gewesen. In jener Zeit gab es kaum Animationsfilme. Seit es jedoch die Computeranimation gibt, produziert Hollywood so viele Animationsfilme wie nie zuvor – es ist zur Fließbandarbeit geworden. Da ist es nicht weiter verwunderlich, dass sich die Geschichten und auch ihre Charaktere der verschiedenen Filme oft ziemlich ähneln. In **HOME** beispielsweise haben wir es einmal mehr mit zwei Außenseitern zu tun, die am Schluss gemeinsam die Welt retten. Und der Anführer der außerirdischen Invasoren hat etwas vom verrückten König aus den **MADAGASCAR**-Filmen. Man hat das Gefühl, alles schon einmal gesehen zu haben und weiß auch ganz genau, wohin sich die Geschichte bewegt. Immerhin: Protagonistin ist dieses Mal ein Mädchen mit kaffeebrauner Hautfarbe. Was auf die Dauer ziemlich nervt ist das verbogene Deutsch, das die Boovs in der deutschen Fassung reden. Und wenn wir gerade dabei sind: gibt es denn niemand anderen außer Bastian Pastewka, der Kuschelmonstern seine Stimme leiht? **HOME** ist leider nur Durchschnitt und nach der Sichtung auch gleich wieder vergessen – es sei denn, man hat in den letzten 20 Jahren keinen anderen Animationsfilm gesehen.

Batman Unlimited: Animal Instincts

When Gotham City is plagued by a rash of bizarre crimes committed by the animal-inspired villain squad, the Animilitia (made up of Silverback, Cheetah, Killer Croc and Man-Bat), Batman swings into action to investigate. But could the Animilitia be working for powerful businessman Oswald Cobblepot aka The Penguin? How does Cobblepot's new invention of robotic Cyber Animals fit into the mix? In the end, it'll take the combined forces of Batman, Green Arrow, Flash, Nightwing and Red Robin to fight off these „Animal Instincts.“
Action, Adventure, Animated Animals, Animation, Based On Comic Book, Children's, Superheroes, Television 66min.

Batman Unlimited: Animal Instincts (Blu-ray + DVD + UltraViolet) (Blu-ray)

When Gotham City is plagued by a rash of bizarre crimes committed by the animal-inspired villain squad, the Animilitia (made up of Silverback, Cheetah, Killer Croc and Man-Bat), Batman swings into action to investigate. But could the Animilitia be working for powerful businessman Oswald Cobblepot aka The Penguin? How does Cobblepot's new invention of robotic Cyber Animals fit into the mix? In the end, it'll take the combined forces of Batman, Green Arrow, Flash, Nightwing and Red Robin to fight off these „Animal Instincts.“

Bleach: Box Set 25

A year has passed since Ichigo lost his Soul Reaper powers and resumed the life of a normal teenager. But those ordinary days come to an end when Ichigo meets a mysterious man named Kugo Ginjo, who offers to help him get his Soul Reaper powers back - and gives him only a day to decide! Ichigo is dead set against it, until Uryu is injured by an unknown attacker. Ichigo, powerless to help, turns to Ginjo and is introduced to the group Xcution, whose Fullbring powers Ichigo must face in battle if he ever hopes to get strong again!

Rob Schneider, Tom Arnold, Alicia Silverstone, Drake Bell, Jessica DiCicco, Chris Gardner, Eric Lopez, Michael McConnohie
It's a jungle out there... Manu and Sacha are two young coats living in the Mexican rainforest. They are deeply in love with each other! The only problem is that Sacha is the daughter of the coati tribe's king and Manu is a bit of a troublemaker. When Manu's escapades leave the tribe's most worshipped statue destroyed, the King exiles Manu to live on his own in the jungle. A year later the fumbling youngster has turned into a strapping young male but one thing hasn't changed: Manu is still in love with Sacha. When Sacha gets captured by human poachers, Manu sets out on a thrilling adventure to save the coati princess and redeem himself with the tribe.

The Wolfy Incredible Secret (Loulou, L'incroyable Secret)

Paul Bandey, Stephane Debac, Anaïs Demoustier, Carlo Brandt, Malik Zidi, Marie-Anne Basler - Dir. Eric Omond

Wolfy is a wolf. Tom is a rabbit. Though it may seem surprising, they've been inseparable since childhood. Wolfy, who thought he was an orphan, learns from a gypsy that his mother is still alive. So the two friends set out to find her in the principality of Wolfenberg, the Land of the Wolves. They arrive right in the middle of the Arne Festival, an annual gathering of the world's most renowned carnivores. Will Wolfy and Tom's friendship survive in this land where herbivores inevitable end up as the day's main dish du jour? What incredible secret lies behind Wolfy's birth?

108 Stitches

Erin Cahill, Bruce Davison, Kate Vernon
Bruce Davison (X-Men) leads a group of comedy innovators in the hilarious 108 Stitches. Co-starring two winners of Last Comic Standing Josh Blue and Dat Phan as well as Larry Thomas („Seinfeld's Soup Nazi“) this College Baseball Romantic Comedy hits a home run. With baseball being the last thing on these player's minds, and dealing with one of the longest losing streaks in college history, the team of misfits comes to the realization that the school, led by the corrupt and unethical President of the University, has plans to disband the entire program. Hilarity ensues as they have one afternoon to execute a plan to fill the stadium, sign the top recruit on the planet, and help send their coach out with a bang.

That is, until she discovers she'll get to work with her uncle and cousin in a real French pastry shop! But nothing goes as planned and her attempts to help out end in disaster. Grace is determined to make things better and with some help from her family and a little pup named Bonbon, she turns her vacation around. But when Grace returns home, she discovers a new problem - her grandparents' bakery is in trouble. With their dreams on the line, can Grace find the winning recipe for success?

Annie (2014) (DVD + UltraViolet)

Quvenzhané Wallis, Rose Byrne, Bobby Cannavale, David Zayas, Jamie Foxx, Cameron Diaz - Dir. Will Gluck
Academy Award nominee Quvenzhané Wallis (Beasts of the Southern Wild) stars as Annie, a young, happy foster kid who's also tough enough to make her way on the streets of New York in 2014. Originally left by her parents as a baby with the promise that they'd be back for her someday, it's been a hard knock life ever since with her mean foster mom Miss Hannigan (Cameron Diaz). But everything's about to change when the hard-nosed tycoon and New York mayoral candidate Will Stacks (Jamie Foxx) - advised by his brilliant VP, Grace (Rose Byrne) and his shrewd and scheming campaign advisor, Guy (Bobby Cannavale) - makes a thinly-veiled campaign move and takes her in. Stacks believes he's her guardian angel, but Annie's self-assured nature and bright, sun-will-come-out-tomorrow outlook on life just might mean it's the other way around.

Antarctica: A Year On Ice (Blu-ray)

Antarctica: A Year On Ice is a visually stunning journey to the end of the world with the hardy and devoted people who live there year-round. The research stations scattered throughout the continent host a close-knit international population of scientists, technicians and craftsmen. Isolated from the rest of the world, enduring months of unending darkness followed by periods when the sun never sets, Antarctic residents experience firsthand the beauty and brutality of the most severe environment on Earth. Capturing epic battles against hellacious storms, quiet reveries of nature's grandeur, and everyday moments of work and laughter, this unique documentary shows a steadfast community thriving in a land few humans have experienced. Using specially modified cameras and spectacular time-lapse photography, filmmaker Anthony Powell captures the splendor of the region like no film before. Antarctica: A Year On Ice gives testament to the planet's natural wonders, humanity's thirst for adventure, and the emotional extremes that accompany a year within the last pristine wilderness on the planet.

The Babadook

Six years after the violent death of her husband, Amelia (Essie Davis) is at a loss. She struggles to discipline her 'out of control' 6 year-old, Samuel (Noah Wiseman), a son she finds impossible to love. Samuel's dreams are plagued by a monster he believes is coming to kill them both. When a disturbing storybook called The Babadook turns up at their house, Samuel is convinced that the Babadook is the creature he's been dreaming about. His hallucinations spiral out of control, he becomes more unpredictable and violent. Amelia, genuinely frightened by her son's behaviour, is forced to

medicate him.

Beside Still Waters

Brett Dalton

Mourning the sudden death of his parents, Daniel invites his childhood friends up to their lake house in an attempt to relive the glory days of their youth — whether they like it or not. Things take a turn for the worse when it becomes clear that none of his friends share his nostalgia for the good old days — and his ex-girlfriend shows up with a new fiancé. But as the night progresses, secrets are confessed, romances are rekindled, and a particularly epic game of Whiskey Slaps is played.

Big Eyes

Krysten Ritter, Christoph Waltz, Amy Adams, Danny Huston, Jason Schwartzman, Terence Stamp - Dir. Tim Burton

From the Academy Award winning team that brought you Ed Woods, Big Eyes focuses on the artistic coupling of Margaret (Amy Adams) and Walter Keane (Christoph Waltz). Walter Keane became a worldwide celebrity and talk show fixture in the 1950s after he pioneered the mass production of prints of big-eyed kids, and used his marketing savvy to sell them cheaply in hardware stores and gas stations across the country. Unfortunately, he claimed to be the artist. That role was played by Margaret, his shy wife. She generated the paintings from their basement and Walter's contribution was adding his signature to the bottom. The ruse broke up their marriage and led to a divorce and a dramatic courtroom battle to prove authorship of the paintings.

Biography, Drama, Lawyers / Legal Issues, Marriage Woes, Movies, Photography/Art 2014 105min.

Bio-Dome

Kylie Minogue, Kevin West, Denise Dowse, Teresa Hill, Joey Lauren Adams, Dara Tomanovich, William Atherton - Dir. Jason Bloom

Neuankündigungen DVD & Blu-ray Disc USA

Shore and Baldwin are best buddies and partners in sloth, Bud and Doyle: two slackers who would rather waste time than clean waste — and Earth Day is no exception. When their ecologically conscious girlfriends trick them into driving into the Arizona desert, they stumble on what appears to be the opening of an ultra-modern shopping mall and duck in. Too late, they discover that they've comprised an experimentally controlled scientific community called Bio-Dome. Worse yet, they are sealed in for a solid year. The head of the project, Dr. Noah Faulkner is appalled and outraged... so are Bud and Doyle when they discover that a life without pollutants means a life without MTV, cigarettes, and fast food. But when they notice two of the Domers are 'babes' and figure, when in Dome...

Bonanza: The Official Eighth Season - Volume One

Lorne Greene, Dan Blocker, Michael Landon

Ride Right with the Cartwrights! The most popular television series in the United States - and arguably on the planet - returns for a monumental season of outstanding adventures featuring the legendary Cartwrights of the Ponderosa (Lorne Greene, Dan Blocker and Michael Landon) for the first time on DVD. From light-hearted comedy to serious social issues, Bonanza: The Official Eighth Season - Volume One contains 18 digitally re-mastered gems from original 35mm film elements, including the spectacular scenery of Lone Pine in the thought provoking, feature length drama, „The Pursued,“ the troubled troubadours in „Ballad of the Ponderosa“ and „A Christmas Story,“ and swindlers trying to pass off a „Horse of a Different Hue.“ „A Real Nice, Friendly Little Town“ is anything but for Hoss, Little Joe takes „Credit For a Kill,“ and once again talks his big brother into a big deal and the result is a „Ponderosa Explosion.“ Bring home these classics today!

Cake (Blu-ray + UltraViolet) (Blu-ray)

Anna Kendrick, Chris Messina, Mamie Gummer, Camille Guaty, Lucy Punch, Felicity Huffman, Sam Worthington, Ashley Crow, Paula Cale, Jennifer Aniston, William H. Macy, Britt Robertson, Adriana Barraza, Allen Maldonado - Dir. Daniel Barnz
Cake takes us into the darkly funny world of Claire Bennett (Jennifer Aniston) who initiates a dubious relationship with a widower (Sam Worthington) while confronting fantastical hallucinations of his dead wife (Anna Kendrick). With her feisty housekeeper-cum-caretaker (Adriana Barraza) ever at her side, Claire searches for human connection and self-forgiveness in this tale of personal redemption.

Call The Midwife: Season Four

Cliff Parisi, Stephen McGann, Laura Main, Helen George, Judy Parfitt, Jenny Agutter, Vanessa Redgrave, Pam Ferris
The nurses, midwives and nuns of Nonnatus House invite you to join them again as they try to give the best possible care to the poorest women in London's Poplar neighborhood. Now nearing the 1960s, the community enters a new time of social change, while stories of birth, life and death continue to touch your heart. Will live-wire Nurse Trixie marry her young curate? What new project calls for a heart as big as Chummy's? How will Sister Evangelina react to two new nurses? And why does Sister Julianne appear so unsettled by a mystery benefactor? Jenny Agutter (MI-5, The Railway Children), Pam Ferris (Little Dorrit, Rosemary and Thyme) and Miranda Hart (Miranda, Magicians) star in the award-winning series, inspired by the memoirs of nurse Jennifer Worth.
 BBC, British, Drama, Foreign, girl power, International, International TV, Nurses & Doctors, On The Job, Television 555min.

Dalziel & Pascoe: Season Eleven

David Royle , Warren Clarke, Colin Buchanan

The blunt-talking, politically incorrect Andy Dalziel once again pairs up with his younger, fast-tracked sidekick, Peter Pascoe, for a crime-solving marriage of opportunities. Season eleven sees the endearing duo investigate more difficult cases including the 20-year-old murder of a woman whose mummified remains emerge from the water during a cave rescue operation, an inquiry which rocks their world to its core; and the death of an up and coming jockey at the race-track, which forces them to examine the dark underbelly of horse-racing in a rural setting that is anything but idyllic.

Dixie Ray Hollywood Star

Juliet Anderson

Private investigator Nick Popodopolis (John Leslie) has a problem: there's a corpse of a beautiful woman (Juliet Anderson) on the floor of his office. As he explains his case to an alcoholic lieutenant (Cameron Mitchell), a strange story of blackmail, mystery and murder unfolds, all centered on an enigmatic movie star, Dixie Ray (Lisa Deleew). Anthony Spinelli's big budget WWII era set noir ranks as one of his most ambitious films ever made. With an all star cast that also features Kelly Nichols, Veronica Hart, and Samantha Fox, the film was released in two different versions (Dixie Ray Hollywood Star & It's Called Murder Baby), both of which are presented here, fully restored from their original 35mm negatives.

Duel (Blu-ray)

Jacqueline Scott, Dennis Weaver, Eddie Firestone - Dir. Steven Spielberg

In Steven Spielberg's first full-length movie, Duel, a traveling salesman (Dennis Weaver) is harassed by a menacing 40-ton truck on a remote desert highway. Brilliant in its simplicity, the cult favorite takes road rage to a dangerous level as the traveler and the mysterious truck-driver are pitted against one another in a motorized duel to the death. Gripping with psychological tension, this desperate battle for survival is hailed by critics as a film that „belongs on the classics shelf reserved for top suspenseurs“ (Daily Variety).

The End Of The Violence

Pullman stars as Mike Max, a hugely successful Hollywood producer whose films are state-of-the-art, violent thrillers. Violence has made Mike a rich man and given his wife Paige (McDowell) a lifestyle any woman would die for. Gabriel Byrne is Ray Bering, a surveillance expert engaged in a top secret government project. Ray's project could cut police response time by 200 percent using a network of hidden cameras to constantly view Los Angeles. In short, this project is meant to bring an end to violence. Each man traffics in images of violence buy when Ray's cameras record Mike's brutal abduction, their opposite but strangely similar lives converge. This scenario turns into a conspiracy and a mystery and confronts violence through many avenues of its cast of characters.

A Few Best Men

Rebel Wilson, Xavier Samuel, Tim Draxl, Kris Marshall, Kevin Bishop - Dir. Stephan Elliott

When David unexpectedly gets engaged during a whirlwind vacation, his best friends are determined to send him off into married life in signature style. But when they arrive in Australia, the nuptial plans go from bad to worse as the guys discover that unpredictable relatives, a cross-dressing sheep and a deranged drug dealer don't necessarily equate to a match made in heaven.

Fire Power

George Grizzard, Anthony Franciosa, Eli Wallach, Vincent Gardenia, O.J. Simpson, Sophia Loren, James Coburn - Dir. Michael Winner

An explosive plot to kidnap a corrupt billionaire set against New York, Miami, Washington, and the Caribbean... when you have International superstar Sophia Loren involved, this is one Firepower!. Carl Stegner (George Toulitos) is wanted by the US government for fraud, bribery and corruption. But before Stegner can be indicted, his top scientist with the evidence is murdered. Adele Tasca (Sophia Loren, Two Women, Blood Feud), the murdered man's widow, suggests Stegner's kidnapping to the Justice Department. She recommends Jerry Fanon (James Coburn, Cross Of Iron, In Like Flint), her former lover and professional bounty hunter, to catch her husband's killer and bring him back to face justice. Fanon and Adele enlist the aid of Catlett (O J Simpson, Killer Force, The Naked Gun), a powerful, professional thief and together they embark on the deadly mission. The top-notch supporting cast includes Eli Wallach (The Good, The Bad And The Ugly), Tony Franciosa (Tenebre), George Grizzard (Advise And Consent), Vincent Gardenia (Death Wish), Billy Barty (Foul Play) and a special guest appearance by Victor Mature (

The Fugitive: The Complete Series Mega Pack

Bill Raisch, Barry Morse, William Conrad, David Janssen

Catch the Emmy-winning hit series The Fugitive from its pulse-pounding start to its epic finale. David Janssen stars as Dr. Richard Kimble, the dedicated doctor falsely accused and convicted of killing his wife. While being transported to Death Row, a freak train accident allows him to break free from the custody of Lt. Philip Gerard (Barry Morse). Starting now, the hunt is on! While Gerard chases down Kimble, the good doctor is on a quest to find his wife's real killer - the one-armed man whom Kimble witnessed fleeing the scene of the crime. Switching identities while helping strangers in need along the way, Kimble's life is constantly on the move... but he will not stop until justice is found.

The Gambler

Mark Wahlberg, Jessica Lange - Dir. Rupert Wyatt

Jim Bennett (Academy Award-nominee Mark Wahlberg) is a risk taker. Both an English professor and a high-stakes gambler, Bennett bets it all when he borrows from a gangster (Michael Kenneth Williams) and offers his own life as collateral. Always one step ahead, Bennett pits his creditor against the operator of a gambling ring (Alvin Ing) and leaves his dysfunctional relationship with his wealthy mother (Academy Award-winner Jessica Lange) in his wake. He plays both sides, immersing himself in an illicit, underground world while garnering the attention of Frank (John Goodman), a loan shark with a paternal interest in Bennett's future. As his relationship with a student (Brie Larson) deepens, Bennett must take the ultimate risk for a second chance.

Ghost Story: The Turn Of The Screw

A hauntingly atmospheric and star-studded adaptation of Henry James' classic gothic horror story. A young, inexperienced governess is hired to look after two small children abandoned by their uncle, following the death of their parents, at his grand country house. Unsettled by glimpses of ghostly figures that only she can see, she quickly believes that something malevolent is stalking the children in her care. She learns that her predecessor and her sinister lover both died under curious circumstances and prior to their death, they spent most of their time with Flora and Miles. Could they be the figures appearing to the new governess? But are appearances everything they seem to be? Are these apparitions truly supernatural or simply products of her overactive imagination? James' novel is brilliantly brought to life in this evocative drama - full of ambiguity, eeriness and menace.

God Help The Girl

Olly Alexander, Hannah Murray, Emily Browning - Dir. Stuart Murdoch
Eve (Emily Browning of Sucker Punch and Lemony Snicket's A Series Of Unfortunate Events) starts writing songs during a stay in a mental health clinic, then runs away to Glasgow, where she meets singer-guitarist James (Olly Alexander of the band Years and Years) and his music student Cassie (Hannah Murray of Skins and Game Of Thrones). The three decide to form a band and spend a summer living the songs they're writing. Experience the „completely charming“ and „refreshingly unconventional“ (Los Angeles Times) new pop musical from the producer of The Royal Tenenbaums, Rushmore and Bridesmaids, written, directed and featuring songs by Stuart Murdoch of Belle & Sebastian.

Gone With The Pope (Blu-ray + DVD Combo) (Blu-ray)

Jim LoBianco, Peter Mili, Lorenzo Dardado, Duke Mitchell - Dir. Duke Mitchell
Lost for over 30 years, Gone With The Pope stars famed nightclub performer Duke Mitchell as Paul, a paroled gangster with an unholy scheme: to kidnap the Pope and charge a dollar from every Catholic in the world as the ransom. Shot in 1975, Gone With The Pope was unfinished at the time of Duke Mitchell's death in 1981. Sage Stallone and Bob Murawski of Grindhouse Releasing rediscovered Gone With The Pope in 1995 and vowed to save it from obscurity. Academy Award-winning film editor Murawski (The Hurt Locker, Army Of Darkness) spent 15 years completing Gone With The Pope from the surviving film elements. Grindhouse Releasing proudly presents the Holy Grail of exploitation cinema!

Halt And Catch Fire: The Complete First Season

Mackenzie Davis, Kerry Bishe, Scoot McNairy, Lee Pace, Toby Huss
Halt and Catch Fire captures the rise of the PC era in the early 1980s, during which an unlikely trio - a visionary, an engineer and a prodigy - take personal and professional risks in the race to build a computer that will change the world as they know it. While charting the changing culture of Texas' Silicon Prairie, tensions build within the group as they attempt to navigate the thin line between visionary and fraud, genius and delusion, and as their drive to do something that matters runs up against their ability to truly innovate. Inspired by real events of the time, Halt and Catch Fire takes place roughly one year after IBM all but corners the market with the release of its first major product - the IBM PC. It is also the same year people realize the IBM PC's fatal flaw, which quickly makes personal computing anyone's game. This is an industry founded on a singular concept: as soon as you invent something, someone else has invented something that does exactly the same thing, but better, cheaper and faster. Halt and Catch Fire thrives on the spirit of innovation and explores what it's like stand at

The Hobbit : The Battle Of The Five Armies - Special Edition

Graham McTavish, Richard Armitage, Martin Freeman, Ken Stott, Ian McKellen - Dir. Peter Jackson
The Hobbit: The Battle of the Five Armies brings to an epic conclusion the adventures of Bilbo Baggins, Thorin Oakenshield and the Company of Dwarves. Having reclaimed their homeland from the Dragon Smaug, the Company has unwittingly unleashed a deadly force into the world. Enraged, Smaug rains his fiery wrath down upon the defenseless men, women and children of Lake-town. Obsessed above all else with his reclaimed treasure, Thorin sacrifices friendship and honor to hoard it as Bilbo's frantic attempts to make him see reason drive the Hobbit towards a desperate and dangerous choice. But there are even greater dangers ahead. Unseen by any but the Wizard Gandalf, the great enemy Sauron has sent forth legions of Orcs in a stealth attack upon the Lonely Mountain. As darkness converges on their escalating conflict, the races of Dwarves, Elves and Men must decide - unite or be destroyed. Bilbo finds himself fighting for his life and the lives of his friends in the epic Battle of the Five Armies, as the future of Middle-earth hangs in the balance.

House: Season Seven (Repackage)

Olivia Wilde, Jesse Spencer, Peter Jacobson, Lisa Edelstein, Omar Epps, Hugh Laurie, Robert Sean Leonard

He's sarcastic, incorrigible, bitter and in a relationship? Hugh Laurie returns in all 23 Season Seven episodes of House, the role that earned him 5 Primetime Emmy Award nominations and 2 Golden Globe wins. Dr. Gregory House has spent his career taking on seemingly hopeless cases, but when his rapport with Dr. Lisa Cuddy (Lisa Edelstein) changes, he finds himself facing new - and very different - challenges. His team at Princeton-Plainsboro Teaching Hospital (Omar Epps, Jesse Spencer, Peter Jacobson, Robert Sean Leonard, Amber Tamblyn and Olivia Wilde) also continues to blaze trails as they investigate baffling medical cases involving a religious zealot, a professional bull rider and possibly even smallpox. Featuring phenomenal guest stars, including Candice Bergen (Murphy Brown), Jennifer Grey (Dirty Dancing), Jack Coleman (Heroes), Michael Gladis (Mad Men), and more, it's the addictive hit series that continues to surprise and captivate audiences.

The Imitation Game

Benedict Cumberbatch, Keira Knightley
In The Imitation Game, Benedict Cumberbatch stars as Alan Turing, the genius British mathematician, logician, cryptologist and computer scientist who led the charge to crack the German Enigma Code that helped the Allies win WWII. Turing went on to assist with the development of computers at the University of Manchester after the war, but was prosecuted by the UK government in 1952 for homosexual acts which the country deemed illegal.

The Immigrant

Angela Sarafyan, Marion Cotillard, Yelena Solovey, Dagmara Dominczyk, Jeremy Renner, Ilia Volok, Joaquin Phoenix - Dir. James Gray
Ewa Cybulska (Marion Cotillard) and her sister sail to New York from their native Poland in search of a new start and the American dream. When they reach Ellis Island, doctors discover that Magda (Angela Sarafyan) is ill, and the two women are separated. Ewa is released onto the mean streets of Manhattan while her sister is quarantined. Alone, with nowhere to turn and desperate to reunite with Magda, Ewa quickly falls prey to Bruno (Joaquin Phoenix), a charming but wicked man who takes her in and forces her into prostitution. The arrival of Orlando (Jeremy Renner) - a dashing stage magician who is also Bruno's cousin - restores her self-belief and hopes for a brighter future, becoming her only chance to escape the nightmare in which she finds herself.

Island Of Lemurs: Madagascar (Blu-ray 3D + Blu-ray + DVD + UltraViolet) (Blu-ray)

Hantanirina Rasamimanana, Patricia Wright - Dir. David Douglas
Academy Award winner Morgan Freeman narrates Island of Lemurs: Madagascar, the incredible true story of nature's greatest explorers - lemurs. Captured with IMAX 3D cameras, the film takes audiences on a spectacular journey to the remote and wondrous world of Madagascar. Lemurs arrived in Madagascar as castaways millions of years ago and evolved into hundreds of diverse species but are now highly endangered. Join trailblazing scientist Patricia Wright on her lifelong mission to help these strange and adorable creatures survive in the modern world. Directed by David Douglas and written and produced by Drew Fellman, Island of Lemurs: Madagascar is a presentation of Warner Bros. Pictures and IMAX Entertainment.

Jurassic Park III (Blu-ray + UltraViolet) (Blu-ray)

Bruce A. Young, Michael Jeter, Sam Neill, Trevor Morgan, John Diehl, Laura Dern, Alessandro Nivola, Tea Leoni, William H. Macy - Dir. Joe Johnson
Return to the action-packed world of prehistoric dinosaurs in Jurassic Park III where man is up against dangerous predators in the ultimate battle for survival. Adventure runs wild when renowned paleontologist Dr. Alan Grant (Sam Neill) agrees to accompany a wealthy couple (William H. Macy and Tea Leoni) on an aerial tour of Isla Sorna, InGen's former breeding ground for prehistoric creatures. After they are terrifyingly stranded, Dr. Grant soon discovers that his hosts are not what they seem and the island's native inhabitants are smarter, faster, fiercer and more brutal than he ever imagined. Executive produced by Steven Spielberg, this visually stunning blockbuster features all-new dinosaurs and special effects that you need to see to believe.

LA Apocalypse

David Cade, Gina Holden, Eric Allan Kramer, Kamar De Los Reyes, Christopher Judge, Raymond J. Barry

When a catastrophic earthquake hits Los Angeles, freeways crumble, skyscrapers explode and rivers of lava surge. But this is only the beginning: The planet's core has destabilized. Escaped prisoners rule the streets. Anarchy has been unleashed. Can one man (David Cade of Big Time Rush) now battle his way across a still-collapsing city to rescue his trapped fiancé (Gina Holden of Final Destination 3), or will a danger more deadly than nature trigger a total L.A. doomsday? Christopher Judge (Stargate SG-1), Kamar de los Reyes (One Life To Live) and Raymond J. Barry (Justified) co-star in this earth-shaking Syfy Original from the producers of Stonehenge Apocalypse, Seeds Of Destruction and Mongolian Death Worm.

Law & Order: The Eighteenth Year

Alana De La Garza, S. Epatha Merkerson, Anthony Anderson, Jesse L. Martin, Linus Roache, Jeremy Sisto, Sam Waterston

The eighteenth year of Law & Order brings drastic changes to television's longest running crime series. Detectives Cyrus Lupo (Jeremy Sisto) and Kevin Bernard (Anthony Anderson) become the newest additions to the 27th Precinct, and Michael Cutter (Linus Roache) joins the team as Executive Assistant District Attorney after the appointment of Jack McCoy (Sam Waterston) to the New York County District Attorney seat. The changes continue when, following his indictment and trial, Detective Ed Green (Jesse L. Martin) resigns - even though all charges have been dropped. Through it all, Executive Producer Dick Wolf, regular cast members S. Epatha Merkerson and Alana de la Garza and guest stars January Jones (Mad Men), Lara Flynn Boyle (The Practice), Sean Astin (Lord of the Rings) and Melissa Leo (The Fighter) deliver 18 compelling and thought-provoking episodes indelible to the Law & Order legacy.

Law & Order: The Eighth Year (Repackage)

Benjamin Bratt, S. Epatha Merkerson, Carey Lowell, Sam Waterston, Jerry Orbach

The groundbreaking series honored with more than 52 Primetime Emmy Award nominations since its inception continues with Law & Order: The Eighth Year. Jerry Orbach, Benjamin Bratt, Sam Waterston, Carey Lowell and S. Epatha Merkerson return for riveting cases of military corruption, drive-by shootings, a killer infected with the AIDS virus and an issue that hits close to home: abuse of power in the District Attorney's office. This 5-disc set contains all 24 compelling episodes, including „Tabloid,“ co-written by Oscar nominee Alec Baldwin, „Stalker,“ winner of a Primetime Emmy Award for Outstanding Cinematography, and the crossover episode „Baby It's You, Part 2“ from Homicide: Life on the Street. Featuring guest stars Kate Walsh (Private Practice) and Edie Falco (The Sopranos), Law & Order: The Eighth Year delivers the intelligent and gripping entertainment that has become synonymous with creator Dick Wolf's legacy and made the show the longest-running crime series in the history of television.

Life Of Riley

Sandrine Kiberlain, Michel Vuillermoz, Sabine Azema, Hippolyte Girardot, Andre Dussollier, Caroline Sihol - Dir. Alain Resnais

Life of Riley (Aimer, boire et chanter) is the joyous, life-affirming final film by French New Wave legend Alain Resnais (Last Year at Marienbad). Resnais' third adaptation of an Alan Ayckbourn play (after Smoking/No Smoking and Private Fears in Public Places), Life of Riley circles around the absent George Riley, who has been diagnosed with terminal cancer. Three couples react to the news with various degrees of emotion. The women are each separately invited to a seaside resort by Riley, and hidden resentments and insecurities in each relationship bubble to the surface, causing a re-evaluation of each couple's love. Life of Riley features an exuberant cast of Sabine Azma, Hippolyte Girardot, Caroline Sihol, Michel Vuillermoz, Sandrine Kiberlain and Andr Dussollier. Resnais shoots the film on artificial-looking sets, setting off actors against cross-hatched backgrounds as if inside of a candy-colored comic strip. The film is a beautifully realized, improbably upbeat confrontation with mortality, and a fitting capstone to a monumental career.

Comedy, Foreign, French, Movies 2013 90min.

Little Accidents

Jacob Lofland, Boyd Holbrook, Elizabeth Banks, Josh Lucas, Chloe Sevigny - Dir. Sara Colangelo

When a teenage boy goes missing in a small town already devastated by a fatal mining accident, three strangers find themselves drawn together in a tangle of secrets, lies, and the collective grief of the community. Reeling from the disappearance of her son, Diane (Elizabeth Banks) finds herself drifting away from her husband (Josh Lucas), a mining company executive whose role in the accident has made her family the prime target for the town's anger. When she forms a dangerous bond with the sole survivor of the disaster (Boyd Holbrook), truths will be uncovered that threaten to tear apart the few remaining threads holding the town together in this intense drama from writer-director Sara Colangelo.

Drama, Marriage Woes, Movies, Mystery 2014 105min.

Little Miss Innocence / Teenage Seductress

Terri Johnson, Sondra Currie, Sandy Dempsey, John Alderman - Dir. Chris Warfield

Prolific producer and director Chris Warfield carved out a reputation as one of the most daring filmmakers on the exploitation scene. These two early features represent the most hard hitting and shocking films from his extensive career. Little Miss Innocence Two beautiful teenage hitchhikers are picked up by a wealthy older man and brought to his mansion, with lustful intentions. However, his erotic dream soon turns into a horrifying nightmare as the seemingly innocent girls begin to reveal their own deadly intentions... Starring Sandy Dempsey in a career performance. Teenage Seductress Sondra Currie stars as Terry, a young woman determined to find her estranged father, who abandoned her as a child. After arriving in the small New Mexico town where he lives, Terry sets about planning her revenge: seducing her loving father.

Long Weekend (Blu-ray)

Mike McEwen, Briony Behets, John Hargreaves - Dir. Colin Eggleston

Attempting to resurrect their failing marriage, Peter (John Hargreaves, The Odd Angry Shot) and Marcia (Briony Behets) set out on a camping trip to a deserted stretch of the Australian coastline hoping a long weekend in the sunshine will help them patch their differences. They are a careless couple, littering the countryside with garbage, shooting guns and even driving away after wounding a kangaroo with their automobile. Their callous disregard for the environment soon becomes apparent when the animals start to seek vengeance. Marcia and Peter have proven themselves to be destroyers of nature. Will the animals allow them to leave or will they too be destroyed? From the writer of Road Games and Razorback comes this „spooky little gem“ (Premiere Magazine), presented in a high-definition transfer from original vault materials with a re-mastered DTS-HD MA 5.1 surround soundtrack created by Synapse Films.

Love, Rosie

Jamie Beamish, Sam Claflin, Tamsin Eger-ton, Christian Cooke, Lily Collins, Jaime Winstone, Ger Ryan, Lorcan Cranitch

Based on the bestselling novel and from the writer of PS I Love You, Love, Rosie is a heart-warming, modern and romantic comedy-of-errors. Since the age 5, Rosie and Alex have been best friends, facing the highs and lows of growing up side by side. A fleeting shared moment, one missed opportunity, and the decisions that follow send their lives in completely different directions. As each navigates the complexities of life, love, and everything in between, they always find their way back to each other - but is it just friendship, or something more?

Low Down

Taryn Manning, Elle Fanning, Peter Dinklage, Rain Phoenix, Lena Headey, Glenn Close

Based on the memoir by Amy-Jo Albany, Low Down is a compassionate, tender look at the complex relationship between Amy-Jo (Elle Fanning) and her father Joe (John Hawkes), a man torn between his musical ambition, his devotion to his teenage daughter, and his suffocating heroin addiction. Set against a sensuously textured 1970s Hollywood, the film beautifully evokes a colorful, seedy world of struggling musicians, artists, and vagabonds, in which Joe and Amy-Jo strive to live the lives they want against seemingly insurmountable odds.

Maps To The Stars

Mia Wasikowska, Robert Pattinson, John Cusack, Julianne Moore

Meet the Weiss family, who are making their way in Hollywood rife with money, fame, envy, and relentless hauntings. Stafford Weiss (John Cusack) is a famed TV self-help therapist with an A-list celebrity clientele. Meanwhile, Cristina Weiss (Olivia Williams) has her work cut out managing the career of their disaffected child-star son, Benjie (Evan Bird), a fresh graduate of rehab at age 13. Yet unbeknownst to them, another member of the Weiss family has arrived in town - mysteriously scarred and tormented Agatha (Mia Wasikowska), just released from a psych ward and ready to start again. She soon works her way into a friendship with a limo driver (Robert Pattinson) and becomes personal assistant to unraveling actress Havana Segrand (Julianne Moore), who is beset by the ghost of her legendary mother, Clarice (Sarah Gadon). But Agatha is on a quest for redemption - and even in this realm of the artificial, and the unearthly, she's determined to find it, no matter what it takes.

Mom's Day Away

James Tupper, Bonnie Somerville, Ona Grauer
Stay-at-home mom Laura Miller (Bonnie Somerville) chose family life over a glamorous career. Her husband Michael (James Tupper), a workaholic realtor, eternally conducts business on his cell phone while her 17-year-old son (Iain Belcher) and 12-year-old daughter (Kaitlyn Bernard) are absorbed in their young life dramas. It's Mother's Day weekend and still nobody is paying attention to Laura's needs. Excitement is injected into Laura's life when her dazzling and affluent BFF Trish (Ona Grauer) shows up and whisks her off on an adventure-filled trip to a lavish resort. Over this Mother's Day weekend, Laura has an awakening, making up for lost time by overindulging in the resort's luxurious offerings and rekindling her career aspirations. As Trish begins to reassess her own life choices during their time away, Laura considers that living her dreams won't bring true happiness unless her family is along for the adventure.

The Osterman Weekend

Burt Lancaster, Meg Foster, Dennis Hopper, Craig T. Nelson, John Hurt, Rutger Hauer - Dir. Sam Peckinpah

What would you do if a total stranger proved to you that your three closest friends are enemy agents? For investigative TV host John Tanner (Rutger Hauer), the news comes on the eve of a reunion weekend at his home where the traitors (Craig T. Nelson, Dennis Hopper and Chris Sarandon) are all placed under intense surveillance by a mysterious CIA operative (John Hurt). But as the get-together turns deadly, are Tanner and his family being set up for the most shocking betrayal of all? From its stinging look at media manipulation to its stunning final twist, the ultimate conspiracy will be uncovered by whoever survives The Osterman Weekend. Burt Lancaster, Helen Shaver and Meg Foster co-star in this action-packed suspense thriller from legendary director Sam Peckinpah (The Wild Bunch, Straws Dogs) adapted from the best-selling novel by Robert Ludlum (The Bourne Identity). Action, Assassins & Hitmen, Book-To-Film, Classics, Movies, Politics, Spies & Secret Agents, Thrillers 1983 102min.

Parenthood: Season 6

Dax Shepard, Sarah Ramos, Joy Bryant, Erika Christensen, Peter Krause, Ray Romano, Lauren Graham, Monica Potter, Mae Whitman, Bonnie Bedelia, Craig T. Nelson, Sam Jaeger, Savannah Paige Rae, Max Burkholder, Miles Heizer, Tyree Brown
Get ready to say goodbye to the Braverman family in the sixth and final season of Parenthood, the gripping series lauded by critics and beloved by viewers. The tightknit siblings turn to each other as they face uncertain futures: Sarah considers her relationship with Hank, Adam and Crosby struggle to keep The Luncheonette afloat, and Julia and Joel ponder reconciliation. But the greatest concern for everyone is the health of Zeek, the adored and booming patriarch who has always led their clan with vigor... until now. From executive producers Ron Howard, Brian Grazer, and Jason Katims come the final episodes filled with the laughter, wit, and tears that has made the show an indelible part of television history, now available back-to-back and uninterrupted!

Pitch Perfect: Sing-Along Aca-Awesome Edition

Skyler Astin, Rebel Wilson, Adam DeVine, Anna Kendrick, Anna Camp, Brittany Snow, Elizabeth Banks, John Michael Higgins - Dir. Jason Moore
Arriving at her new college, Beca (Anna Kendrick) finds herself not right for any clique but somehow is muscled into one that she never would have picked on her own: alongside mean girls, sweet girls and weird girls whose only thing in common is how good they sound when they sing together. When Beca leads this a cappella singing group out of their traditional arrangements and perfect harmonies into all-new mash-ups, they fight to climb their way to the top of college music competitions. Pitch Perfect is an outrageously hilarious laugh-out-loud comedy that also stars Anna Camp (The Help), Brittany Snow (Hairspray) and Rebel Wilson (Bridesmaids).

Power: The Complete First Season

J.R. Ramirez, Natori Naughton, Shane Johnson, Luis Antonio Ramos, La La Vasquez, Adam Huss, Omari Hardwick, 50 Cent
From Executive Producer Curtis „50 Cent“ Jackson and show creator Courtney Kemp Agboh (The Good Wife) comes Power, a visionary crime drama set in two different worlds: the glamorous New York club scene and the brutal streets of the drug trade. James „Ghost“ St. Patrick has it all: a beautiful wife, a gorgeous Manhattan penthouse, and the hottest, up-and-coming new nightclub in New York. His club, Truth, caters to the elite: the famous and infamous boldface names that run the city that never sleeps. As its success grows, so do Ghost's plans to build an empire. However, Truth hides an ugly reality. It's a front for Ghost's criminal underworld; a lucrative drug network, serving only the wealthy and powerful. As Ghost is seduced by the prospect of a legitimate life, everything precious to him becomes unknowingly threatened. Once you're in, can you ever get out?

Signed Sealed Delivered: Complete Series

Geoff Gustafson, Crystal Lowe, Kristin Booth, Eric Mabius
Signed, Sealed, Delivered is a wonderful combination of romance, comedy and drama that follows the lives of four postal detectives who transform themselves into a team of detectives to track down intended recipients of undeliverable mail. Their missions take them out of the office and into an unpredictable world where redirected letters and packages can save lives, solve crimes, reunite old loves and change futures by arriving late but somehow always on time. The team includes charming Oliver O'Toole (Eric Mabius), a genius postal detective and the group's leader; new team member, Shane McInerney (Kristin Booth), a technophile who brings 21st century sensibility to the group; free-spirited, „girl next door“ Rita Hayworth (Crystal Lowe) who has a photographic memory; and lovable Norman Dorman (Geoff Gustafson), a master in conventional research methods.

Silicon Valley: The Complete First Season

Kumail Nanjiani, Zach Woods, Thomas Middleditch, Amanda Crew, T.J. Miller, Martin Starr, Matt Ross
From the offbeat mind of Mike Judge (Office Space, Beavis and Butt-head) comes a new HBO half-hour comedy that takes viewers inside the world of tech start-ups - and the socially awkward underdogs who try to navigate its lucrative potential. Starring a talented ensemble of young comic actors and veterans, Silicon Valley charts the rising fortunes of Richard, an introverted computer programmer who lives in a „Hacker Hostel“ start-up incubator along with his friends Big Head, Gilfoyle, and Dinesh. These social misfits live under the watch of Erlich, a dotcom millionaire who lets them stay in his house for free - as long as he gets a 10% stake in their projects. Stuck working part-time at a large tech company called Hooli, Richard's obscure website, Pied Piper, is going nowhere fast. But when a mid-level Hooli executive named Jared is apprised of the value of the site's novel compression algorithm, Richard finds himself caught in the middle of an extreme bidding war between Hooli founder Gavin Belson and independent billionaire venture capitalist Peter Gregory.

Stay As You Are

Marcello Mastroianni, Nastassja Kinski - Dir. Alberto Lattuada
Stay As You Are directed by Alberto Lattuada, is an erotic drama about the impossible love between an older man and a young girl. It tells the controversial story of an architect, Roue Giulio Marengo (Marcello Mastroianni), who is unhappy in his marriage, and starts a romance with the young and beautiful girl Florentine (Nastassja Kinski.) When he finds out through his wife that she may be his daughter, he has to make a decision. Stay As You Are (original title Così: Come Sei) was the first major film for Nastassja Kinski, one year before her breakthrough with Polanski's „Tess.“ Cult Epics is proud to present for the first time ever on DVD Stay As You Are, an unforgettable classic. Featuring an original Score by Ennio Morricone.
Affairs & Love Triangles, Classics, Cult Film / TV, Drama, Erotica, Foreign, Italian, Marriage Woes, Romance 1978 105min.

The Sugarland Express (Blu-ray)

Goldie Hawn, Louise Latham, Gregory Walcott, Ben Johnson, William Atherton, Michael Sacks - Dir. Steven Spielberg
The Sugarland Express, a gripping drama co-written and directed by a 26-year-old Steven Spielberg, makes its mark as the director's first theatrical film debut. Based on a true story, a desperate mother (Goldie Hawn) attempts to reunite her family by any means necessary including helping her husband escape prison, kidnapping a Texas state trooper and leading the police on a wild chase across the state in an effort to save her son from adoption. Winning the hearts of many fans that followed her story on the news, this film conveys the true story of a girl who took on all of Texas... and almost won.

Supercross

Channing Tatum, Steve Howey, Sophia Bush, Cameron Richardson, Mike Vogel, Carolina Garcia, Aaron Carter, Robert Carradine, Robert Patrick - Dir. Steve Boyum
Welcome to the high-intensity, high-octane world of super-cross, the extreme sport where gravity knows no limits. Brothers KC and Trip Carlyle are up-and-coming motorcycle racers with limited opportunities, unlimited potential, and dreams of becoming champions. When KC's big break comes in the form of a lucrative, corporate „factory“ sponsorship, the brothers are torn apart, becoming bitter rivals both on and off the track. But when a tragic accident threatens their super-cross dreams, the brothers must cast aside their differences - and fear itself - to defy the odds and take the checkered flag!

Supremacy

Mahershala Ali, Dawn Olivieri, Evan Ross, Derek Luke, Joe Anderson, Julie Benz, Lela Rochon, Nick Chinlund

Tully (Joe Anderson, A Single Shot, Hercules) just got paroled. But his first night out could be his last. He just killed a cop. He's on the run. And no one's going to listen to an ex-con with the Aryan Nation. His leader (Anson Mount) just cut him loose, and as the police close in, Tully and his girlfriend (Dawn Olivieri) add home invasion and hostages to the body count. But no one counted on Mr. Walker (Danny Glover), an ex-con himself, to fight back - using his understanding of the racist mind to turn the tables on a desperate and violent man. Will it be enough to keep his family alive?

Teeth & Blood

Danielle Vega, Marshal Hilton, Jacqui Holland, Michelle Van Der Water, Glenn Plummer - Dir. Pamela J. Richardson
A beautiful diva is murdered on the set of horror director Vincent Augustine's latest film Chapel Blood. Somewhere between the crime scene and the coroner's van, the body mysteriously disappears. Meanwhile, the city's supply of donated blood is being dangerously depleted. Suspecting a connection between the events, detectives Mike Hung and Sasha Colfax go undercover at the studio to investigate. Their attempt to crack the case quickly turns into a desperate battle for survival when they uncover an age-old war between rival vampire covens that threatens to consume humanity in a final, grisly assault of Teeth & Blood!

Terminator 2: Judgement Day - Skynet Edition (Blu-ray + UltraViolet) (Blu-ray)

Robert Patrick, Edward Furlong, Linda Hamilton, Arnold Schwarzenegger - Dir. James Cameron
Arnold Schwarzenegger returns as The Terminator in this explosive action-adventure spectacle. Now he's one of the good guys, sent back in time to protect John Connor, the boy destined to lead the freedom fighters of the future. Linda Hamilton reprises her role as Sarah Connor, John's mother, a quintessential survivor who has been institutionalized for her warning of the nuclear holocaust she knows is inevitable. Together, the threesome must find a way to stop the ultimate enemy - the T-1000, the most lethal Terminator ever created. Co-written, produced and directed by James Cameron (The Terminator, Aliens, Titanic), this visual tour de force is also a touching human story of survival.

Three Night Stand

Meaghan Rath, Emmanuelle Chriqui, Sam Huntington, James Woods
In this romantic comedy with a twist, Carl (Sam Huntington, Veronica Mars, Fanboys) has a great life. He's recently married to the beautiful and smart Sue (Meaghan Rath, Cyberbully), and has a good job as a video game designer at a prestigious company. But Carl's not satisfied - he desperately wants a promotion, and more importantly, a marriage with greater excitement and inspiration. In an attempt to reconnect with Sue, Carl organizes a weekend trip to a ski lodge with high hopes for relaxation, exercise, and sexual adventure. But this isn't Carl's first trip to the B&B. He doesn't tell Sue he actually spent many passionate weekends at the very same place with his sexy ex-girlfriend Robyn (Emmanuelle Chriqui, Entourage) - a woman he is still secretly obsessed with. Carl and Sue's world is turned upside down when they arrive to find Robyn, still beautiful and enigmatic, running the lodge. Now Carl will have to face the greatest temptation of his life - the one who got away.

Unforgettable: The Third Season

Tawny Cypress, Dallas Roberts, Jane Curtin, Poppy Montgomery, Dylan Walsh
In the third season of Unforgettable, join Detective Carrie Wells (Poppy Montgomery) as she works high-profile cases in the NYPD Major Crimes Department while using her unique skill - a perfect memory that lets her remember every detail of her life - to help solve the crimes. She's committed to protecting Manhattan, along with her ex-boyfriend-turned-partner, Lieutenant Al Burns (Dylan Walsh), and team, including Detective Jay Lee (James Hiroyuki Liao), Detective Cherie Rollins-Murray (Tawny Cypress), Dr. Joanne Webster (Jane Curtin), and Captain Eliot Delson (Dallas Roberts). The third season finds Carrie and Al dealing with a dangerously illegal underground poker ring, a murdered high-profile television star, and the death of a college dropout who lived in an abandoned island community. However, the biggest challenge occurs when Carrie's life and memory are put on the line by a crazed assassin. In its 13 suspenseful episodes, Unforgettable proves itself to be a drama worth remembering.

Vampyr: The Criterion Collection

Rena Mandel, Maurice Schutz, Sybille Schmitz, Jan Hieronimko, Henriette Gerard, Julian West - Dir. Carl Theodor Dreyer
With Vampyr, Danish filmmaker Carl Theodor Dreyer's

brilliance at achieving mesmerizing atmosphere and austere, profoundly unsettling imagery (as in The Passion of Joan of Arc and Day of Wrath) was for once applied to the horror genre. Yet the result-concerning an occult student assailed by various supernatural haunts and local evildoers at an inn outside Paris-is nearly unclassifiable, a host of stunning camera and editing tricks and densely layered sounds creating a mood of dreamlike terror. With its roiling fogs, ominous scythes, and foreboding echoes, Vampyr is one of cinema's great nightmares.

Walker, Texas Ranger: The Complete Collection (Repackage)

Sheree J. Wilson, Chuck Norris, Noble Willingham
Action superstar Chuck Norris battles bad guys, lowlifes, and evil criminal masterminds in all eight thrill-packed, butt-kicking seasons of Walker, Texas Ranger! A modern-day peace officer with a Wild West sense of resolve, Ranger Cordell Walker (Norris) is ably assisted by fellow Ranger James Trivette (Clarence Gilyard), Assistant District Attorney Alexandra Cahill (Sheree J. Wilson), and retired ex-partner CD Parker (Noble Willingham). This tough-minded team attempts to maintain law and order in a tumultuous world. But when the going gets tough... the tough guys get their lights punched out! From drug lords and rogue assassins to escaped cons and troubled teens, join Walker, Texas Ranger for 198 episodes of pulse-pounding, fist-flying action as Walker settles the score with his own personal brand of frontier justice!

Whitney (DVD + UltraViolet)

Yaya Dacosta, Arlen Escarpeta, Suzanne Douglas, Yolanda Ross, Mark Rolston - Dir. Angela Bassett
Whitney chronicles the headline-making relationship between iconic singer, actress, producer, model Whitney Houston and singer-songwriter Bobby Brown, from the time they first met at the very height of their celebrity to their courtship and tumultuous marriage. This biopic is a testament to love, triumph, and the overwhelming rewards and deadly cost of

fame and fortune. Golden Globe winner and Academy Award nominee Angela Bassett makes her directorial debut in this special two-hour movie featuring Yaya DaCosta (Lee Daniels' The Butler) in the lead role and Arlen Escarpeta (Final Destination 5) as Bobby Brown. Music includes Brown's „Every Little Step," as well as Houston hits „The Greatest Love of All," „I'm Your Baby Tonight," „I'm Every Woman," and „I Will Always Love You," sung by Grammy-nominated, multi-platinum entertainer Deborah Cox.

You're Not You

Academy Award winner Hilary Swank (Conviction, Million Dollar Baby) and rapidly rising star Emmy Rossum (Shameless) intertwine in You're Not You, a surprisingly funny, defiantly unsentimental and starkly moving portrait of a high-stakes friendship between two women - one literally in need of a voice, the other discovering the full power of hers. Kate (Swank) is a suave, successful classical pianist just diagnosed with ALS (commonly known as Lou Gehrig's Disease). Bec (Rossum) is a brash college student and would-be rock singer who can barely keep her wildly chaotic affairs, romantic and otherwise, together. Yet, when Bec takes a job assisting Kate, just as Kate's marriage to Evan (Josh Duhamel) hits the skids, both women come to rely on what becomes an unconventional, sometimes confrontational and fiercely honest bond. As meticulous, willful Kate begins to rub off on whirlwind, spontaneous Bec - and vice versa - both women find themselves facing down regrets, exploring new territory and expanding their ideas of who they want to be.

Music

Bleaching Black Culture

From the birth of jazz to the evolution of hip hop; the advents of urban trends to transformative advances in technology, African Americans have played an integral role in molding American culture. Unfortunately, they tend not to be the beneficiaries of their own innovation. Bleaching Black Culture examines the continuum of America's black cultural appropriation and effects on the African American community. The imprint of cultural theft has a long legacy, and this power of influence in music, sports, fashion and art translates into millions of dollars for our country. Cultural branding has not only helped to exploit the hip-hop community along with other forms of black art; it's managed to monetize black marginalization. Currently, the Rhythm and Blues Billboard chart, a genre developed for the African American voice, is dominated with the likes of Robin Thicke, Justin Bieber, and Adele. Perhaps it's easier to sell black art when it's masked in „white face.“ Yet the argument with the latter comes from the 2013 African American consumer report. It shows black

buying power rising from its current astonishing

This Ain't No Mouse Music

Roots music icon Chris Strachwitz is a detective of sounds, an archaeologist of deep American music, the antithesis of the corporate „mouse music“ that dominates the American ear. Born a German count, Strachwitz fled his homeland after WWII at 16. In the United States he discovered, and shared, a musical landscape that most Americans missed. For the last fifty years, he has carried his tape recorder from sharecrop shacks to roadside honkytonks, from cantina dives to wild Blues clubs. His recordings on his indy label, Arhoolie Records, brought Cajun music out of Louisiana, Tex-Mex out of Texas, Blues out of the country and into the living rooms of the world. These recordings revolutionized the sound of music around the world. In This Ain't No Mouse Music! filmmakers Chris Simon and Maureen Gosling join Strachwitz for a hip-shaking stomp from New Orleans to Texas, Cajun country to Appalachia, as he continues his passionate quest for the musical soul of America.

Antarctica: A Year On Ice

Antarctica: A Year On Ice is a visually stunning journey to the end of the world with the hardy and devoted people who live there year-round. The research stations scattered throughout the continent host a close-knit international population of scientists, technicians and craftsmen. Isolated from the rest of the world, enduring months of unending darkness followed by periods when the sun never sets, Antarctic residents experience firsthand the beauty and brutality of the most severe environment on Earth. Capturing epic battles against hellacious storms, quiet reveries of nature's grandeur, and everyday moments of work and laughter, this unique documentary shows a steadfast community thriving in a land few humans have experienced. Using specially modified cameras and spectacular time-lapse photography, filmmaker Anthony Powell captures the splendor of the region like no film before. Antarctica: A Year On Ice gives testament to the planet's natural wonders, humanity's thirst for adventure, and the emotional extremes that accompany a year within the last pristine wilderness on the planet.

The Butterfly Girl

At first glance, it is not obvious that Abbie Evans lives with a life-threatening skin disease. She is a typical teenager: moody, rebellious, irreverent, and is also strikingly beautiful. But her life is the antithesis of normal. Abbie grew up in hospitals, cared for by her protective mother. She then came into her own in honky-tonks, selling merchandise for her father's band. But just like any other 18 year-old, Abbie yearns for an identity of her own. Butterfly Girl charts Abbies journey towards a new understanding of how she must balance her past with her future, her parents with her independence and her disease with her desires. But what price must she pay for that freedom?

The End Of The Civil War

History delivers four exciting specials in this collection highlighting the final trials and tragedies in The End Of The Civil War. General William Tecumseh Sherman, known as „Uncle Billy“ to the North and as a brutal war criminal to the South, wages a vicious five-week campaign of terror through Georgia in „Sherman's March.“ „April 1865,“ based on Jay Winik's best-seller April 1865: The Month That Saved America, chronicles the last 30 days of the bloody battle from the fall of Richmond to Lincoln's assassination. In „The Hunt for John Wilkes Booth,“ a team of 10,000 federal troops, detectives, and police officers set out on a vast 12-day pursuit to find the president's killer. While Lincoln's body was repeatedly exhumed and his coffin frequently opened, nothing compares to the \$200,000 ransom plot in 1876 devised by a group of counterfeiters in „Stealing Lincoln's Body.“

Mad As Hell

Mad As Hell documents the tumultuous, at times hilarious and altogether astonishing trajectory of Cenk Uygur, The Young Turks' main host and founder, as he traverses from unknown Public Access TV host to internet sensation. When he ventures into television and lands on MSNBC, Cenk's uncensored brand of journalism is compromised as he becomes a thorn in the side of traditional news media; his unwavering dedication to speaking the truth puts him at the very nexus of the battle between new and old media, and makes Mad As Hell not only entertaining, but incredibly timely as well.

Remote Area Medical

During the U.S. debate about healthcare reform, the media-reporters and news crews and filmmakers-failed to put a human face on what it means to not have access to healthcare. Remote Area Medical fills that gap-it is a film about people, not policy. Focusing on a single three-day clinic held in the Bristol Motor Speedway in Tennessee, Remote Area Medical affords us an insider's perspective on the ebb and flow of the event-from the tense 3:30 a.m. ticket distribution that determines who gets seen to the routine check-ups that take dramatic turns for the worse, to the risky means to which some patients resort for pain relief. We meet a doctor who also drives an 18-wheeler, a denture maker who moonlights as a jeweler, and the organization's founder, Stan Brock, who first imagined Remote Area Medical while living as a cowboy in the Amazon rainforest, hundreds of miles from the nearest doctor. But it is the extraordinary stories of the patients, desperate for medical attention, that create a lasting impression about the state of modern health care in America. Doctors & Medicine, Documentary, Health, Politics, Special Interest 2013 80min.

Ruby's Quest

The forests of Central and South America can be downright noisy places! Amid the whistles, howls, and chirps no animal can hold a candle to the gregarious howler monkey. With a call that can travel up to three miles, these primates are not shy about making themselves known. However, with their habitat shrinking, they are running out of space... and running into humans. Howler Monkeys follows the story of a young howler named Ruby who finds herself injured and lost, far away from her family. But with the help of a few human and animal friends at the risk of perishing alone she begins her journey home. Will Ruby reunite with her family?

UFC 180 / 181

December 6, 2014 - Las Vegas, Nevada: A stacked Las Vegas fight card is topped by two title bouts starring four of the toughest men in mixed martial arts. Welterweight champion Johny Hendricks puts his belt on the line against Robbie Lawler in a rematch of their razor-close March 2014 title fight. In the co-main event, lightweight champion Anthony „Showtime“ Pettis tests his creative kickboxing against former Strikeforce champion Gilbert Melendez. Plus, the main card boasts two heavyweight brawls in Travis Browne vs Brendan Schaub and Todd Duffee vs Anthony Hamilton. January 3, 2015 - Las Vegas, Nevada: Pound-for-pound great and reigning light heavyweight champion Jon „Bones“ Jones kicks off the new year with the toughest test of his career, taking on undefeated Olympic wrestler Daniel Cormier. After months of trash talk, pointed barbs and near-blows between the two bitter rivals, far more than a UFC belt is on the line. Plus, lightweight Donald „Cowboy“ Cerrone aims to maintain his momentum against undefeated up-and-comer Myles Jury. Fighting, Martial Arts, Mixed Martial Arts,
